Dear Colleagues and Community Partners:

Minneapolis Public Housing Authority (MPHA) will open its public housing Family Waitlist for three, four, and five bedroom units from Tuesday, March 26, 2013, through Saturday, March 30, 2013 and, for three, four, and five bedroom units on the third Wednesday of each month beginning June 19, 2013.

For the convenience of the family applicants, MPHA has automated the Waitlist process. Applicants must complete an application online from Tuesday, March 26 at 12:00 a.m. through Saturday, March 30, 2013 at 11:59 p.m. (CST) by logging on to www.apply4housing.com/MPHA. Applicants may submit applications at anytime during this time period. MPHA will only accept online applications. Applicants may complete the Waitlist Application from any computer with internet access. MPHA does not have computers available to the public and has arranged for public computers at other public sites (see attached information sheet for times and locations).

All eligible applicants who qualify for a three bedroom or larger unit and timely submit an application from March 26 to March 30, 2013 will be **randomly** placed on the Waitlist according to preference points. Timely applicants who are not placed on the Waitlist will be informed in writing or by email that their name will not be placed on the Waitlist. Applicants who qualify for MPHA family housing may also have a choice to live in a suburban public housing unit. Details regarding this option are also included on the information sheet.

MPHA will continue to accept hard copy applications for Elderly (age 62 and older), Near Elderly (age 50-61), and disabled adults in one or two person households for one bedroom or studio units in highrise buildings. These applications are accepted on Mondays, Wednesdays, and Fridays, from 8:00 a.m. to 3:30 p.m. at 1001 Washington Avenue North, Minneapolis, Minnesota.

This is the first time since 2010 that MPHA has accepted applications for multi-bedroom units. MPHA appreciates your cooperation and assistance in communicating this vital information throughout our community. Thank you.

Very truly yours,
