

STATE OF MINNESOTA PUBLIC UTILITIES COMMISSION

Date: November 7, 2014
To: MISO Quarterly Update list
From: Burl Haar
Subject: MISO Quarterly Update meeting

The Minnesota Public Utilities Commission has scheduled the MISO Utilities 2014 Fourth Quarterly Update Meeting for Friday, December 5 2014 from 10:00 AM to Noon in the Commission's Large Hearing Room, Suite 350, 121 7th Place East, St. Paul, MN. The Commission invites participation from Minnesota electric transmission utilities and other interested persons on the following topics:

Winter Peak Readiness

- Are Minnesota MISO utilities ready to serve peak load reliably for Winter 2014-2015?
- Perspectives on expected 2014-2015 winter's energy prices compared to last winter.

Demand Response as MISO Advisory Committee (AC) December Hot Topic

- Do Minnesota MISO utilities have any concerns with the MISO Independent Market Monitor (IMM)'s questioning of the accuracy of the capacity accreditation of Load Modifying Resources (LMR)?
- In May 2014, the U.S. Court of Appeals in Washington, D.C. vacated the Federal Energy Regulatory Commission's (FERC) Order 745. Does the uncertainty of FERC Order 745 have any negative impact for Minnesota MISO utilities?
- Do Minnesota MISO utilities have any concerns with the December MISO AC December Hot Topic?

EPA's proposed 111(d) rule

- Did Minnesota MISO utilities file comments at EPA regarding the proposed rule?
- Do Minnesota MISO utilities have common issues that affect all Minnesota MISO utilities based on proposed rule?

www.puc.state.mn.us

- Do Minnesota MISO utilities have any specific issues that uniquely affect a utility based on the proposed rule?
- In general, do Minnesota utilities support the concept of regional compliance over state specific compliance based on recent MISO study?

We look forward to an opportunity to discuss these important issues. The meeting will begin at 10:00 AM and will be held in the Commission's Large Hearing Room on Friday, December 5, 2014.
