Request for Approval of Certified Actual Costs
Associated with the **Goodhue County** 911
Emergency Telephone Services System

ISSUE DATE: February 5, 1997

DOCKET NO. **P-421/ES-96-1591**

ORDER APPROVING CERTIFIED 911
SYSTEM COSTS

PROCEDURAL HISTORY

On February 23, 1982, the Minnesota Public Utilities Commission (the Commission) approved Goodhue County's final plan for the establishment of a 911 Emergency Telephone Services System.

On December 30, 1985, US West Communications (the Company) placed a portion of a 911 Emergency Telephone System into service in Goodhue County.

On March 11, 1986, the Commission approved the Company's initial cost certification for the establishment of a 911 Emergency Telephone System in Goodhue County.

On November 11, 1992, the Company added Automatic Number Identification (ANI) service and Automatic Location Identification (ALI) service in Goodhue County.

On October 14, 1996, the Company certified the additional actual costs it incurred for the provision of 911 Emergency Telephone Service in Goodhue County.

US West is now requesting Commission approval of actual 911 monthly recurring system costs associated with the provision of 911 service in Goodhue County. Commission approval is necessary before the Department of Administration (DOA) will make payments for 911 system costs.

FINDINGS AND CONCLUSIONS

Minn. Stat. Section 403.11, subd. 3 states:

Subd. 3 (METHOD OF PAYMENT; CERTIFICATION.) A public utility incurring reimbursable costs under subdivision 1 or 2 shall certify those costs to the commissioner of administration. The certification shall be in a form as prescribed

by the commissioner after consultation with the public utilities commission. If the commissioner and the commission approve the certified costs as appropriate and accurate, the commissioner shall pay the certified costs from money appropriated for that purpose within 90 days following receipt by the commissioner of the certified costs. The commissioner of administration shall estimate the amount required to reimburse public utilities for the state's obligations under subdivisions 1 and 2 of this section and the governor shall include the estimated amount in the biennial budget request.

US West has certified, in writing, that the elements of 911 services and associated costs indicated on Attachment A reflect only charges for services actually rendered in the direct provision of 911 service in Goodhue County.

All charges listed on Attachment A are in accordance with the Company's tariffs.

The Commission finds that the costs for 911 Emergency Telephone Service in Goodhue County which have been certified by the Company are appropriate and accurate.
