DOCKET NO. P-5717/NA-98-1511

In the Matter of a Request by State Communications, Inc. for Approval for a Certificate of Authority to Provide Local Service

The above entitled matter has been considered by the Commission and the following disposition made:

Approved, contingent upon Commission receipt and approval of the following items:

- 1. A list of shareholders owning ten percent or more of the interest in the business.**
- 2. The identity of any affiliates, subsidiaries or a parent organization.**
- 3. The tariff should be refiled with the following changes:**
 - . references to the Department should be replaced with references to the Commission;**
 - . typographical errors should be corrected;**
 - . the tariff should specify the practices that the company will use concerning deposits;**
 - . the tariff language concerning disconnection of service should be modified to be consistent with the language provided in Attachment B;**

- . **the tariff should include the Link-Up America program, the Telephone Assistance Plan and Call Tracing;**
 - . **the tariff language should be clarified so it is not misinterpreted as relieving the company from filing specific promotions with the Commission for approval; and**
 - . **the tariff must specify the prices it proposes for its services.**
- 4. A service area map which provides sufficient detail to clearly describe the service area for which the company seeks authority.**
 - 5. The date by which the company expects to offer local service to the entire service area for which it is seeking certification.**
 - 6. A 9-1-1 plan.**

The Commission agrees with and adopts the recommendations of the Department of Public Service which are attached and hereby incorporated in the Order.

BY ORDER OF THE COMMISSION
