In the Matter of **Winnebago Cooperative Telephone Association's** Request for Approval of Certified Actual Costs Associated with the **Freeborn County** 911 Emergency Telephone Services System

ISSUE DATE: August 22, 2000

DOCKET NO. **P571/ES-00-1103**

ORDER APPROVING CERTIFIED 911 SYSTEM COSTS

BACKGROUND

On September 2, 1986, the Public Utilities Commission (the Commission) approved Freeborn County's final plan for the establishment of a 911 Emergency Services System.

On March 3, 1988, the Commission approved actual costs incurred by Cannon Valley Telephone Company for installing a portion of the 911 Emergency Services system in Freeborn County.

On December 12, 1988, the Commission approved actual costs incurred by Winnebago Cooperative Telephone Association for installing a portion of the 911 Emergency Services system in Freeborn County.

On December 29, 1988, the Commission approved actual costs incurred by Continental Telephone Company for installing a portion of the 911 Emergency Services system in Freeborn County.

On May 17, 1989, the Commission approved actual costs incurred by U.S. West Communications for installing a portion of the 911 Emergency Services system in Freeborn County.

CURRENT FILING

On January 1, 2000, Winnebago Cooperative Telephone Association (Winnebago) installed Automatic Location Identification (ALI) data updates for the Conger, Emmons, and Twin Lakes exchanges.

On January 25, 2000, Winnebago certified the actual costs it incurred for the provision of a portion of ALI services.

Winnebago is now requesting Commission approval of the actual ALI system costs. Commission approval is necessary before the Department of Administration (DOA) will make payments for 911 system costs.

FINDINGS AND CONCLUSIONS

Minn. Stat. Section 403.11, subd. 3 states:

Subd. 3 (METHOD OF PAYMENT; CERTIFICATION.) A public utility incurring reimbursable costs under subdivision 1 or 2 shall certify those costs to the commissioner of administration. The certification shall be in a form as prescribed by the commissioner after consultation with the public utilities commission. If the commissioner and the commission approve the certified costs as appropriate and accurate, the commissioner shall pay the certified costs from money appropriated for that purpose within 90 days following receipt by the commissioner of the certified costs. The commissioner of administration shall estimate the amount required to reimburse public utilities for the state's obligations under subdivisions 1 and 2 of this section and the governor shall include the estimated amount in the biennial budget request.

Winnebago Cooperative Telephone Association has certified, in writing, that the elements of 911 services and associated costs indicated on Attachment A, reflect only charges for services actually rendered in the direct provision of 911 service in Freeborn County.

All charges listed on Attachment A are in accordance with the Company's tariffs.

The Commission finds that the costs for 911 Emergency Telephone Service in Freeborn County which have been certified by the Company are appropriate and accurate.

ORDER

1. The costs identified on Attachment A accompanying this Order are approved as appropriate and accurate pursuant to the Commission's March 21, 2000 Standing Order

Designating Filings Requesting Certification of 911 Costs As Filings Subject to Approval Under Minn. Stat. § 216A.03, Subd. 7, Docket No. P-999/CI-99-1723.

2. This Order does not approve payment of any 911 system costs. Any possible future approval of payment for system costs shall be granted by the Commissioner of the Department of Administration in accordance with the provisions of Minn. Stat. Section 403.11.
3. This Order shall become effective immediately.
