DOCKET NO. P-3123,421/IC-04-1066

In the Matter of the Joint Application for Approval of the Operator Services Agreement Between Comcast Phone of Minnesota, Inc. and Qwest Corporation

The above entitled matter has been considered by the Commission and the following disposition made:

The interconnection agreement amendment is approved with the exception of Section 13, Dispute Resolution; Section 14, Default; Section 15, Successors, Assignment; and Section 16, Amendments; and contingent upon the parties filing, within 30 days of this Order, an acknowledgment or signature page signed by both parties confirming acceptance of the amendment's terms.

This decision is issued by the Commission's consent calendar subcommittee, under a delegation of authority granted under Minnesota Statutes § 216B.03, subdivision 8 (a). Unless a party, a participant, or a Commissioner files an objection to this decision within ten days of receiving it, it will become the Order of the full Commission pursuant to Minnesota Statutes § 216B.03, subdivision 8 (b).

The Minnesota Department of Commerce (the Department) offers two sets of recommendations, one set to apply if the application was offered as a stand-alone interconnection agreement, and one set to apply

if the application was offered to amend an existing Commission-approved agreement. By comments filed on August 5, 2004, Qwest Corporation clarified that the application was offered to amend an existing agreement. The Commission agrees with and adopts the Department's recommendations regarding an application offered to amend an existing agreement; the Department's recommendations are hereby attached and incorporated into this order.
