DOCKET NO. P-6504/NA-05-1776

---

In the Matter of the Application of AmeriVon LLC for a Certificate of Authority to Provide Interexchange Services

The above entitled matter has been considered by the Commission and the following disposition made:

**Granted an operational certificate of authority to provide interexchange service on a statewide basis;**

**Approved the proposed tariff as filed on November 3, 2005 contingent upon the applicant filing the following tariff revisions within 30 days of the date of this Order:**

**1. Tariff page 9, section 2.8 allows the Company to cancel service, but does not specify the number of days' notice which will be provided before the cancellation/disconnection occurs. Minn. Rules pt 7810.2300 specifies the manner of disconnection (i.e., five days notice excluding Sundays and legal holidays)**

**2. Tariff page 9, section 2.9 allows the Company to immediately disconnect service in order**

**to prevent unlawful use of service. Minn. Rules pt. 7810.1900 allows immediate disconnection without notice for only three reasons: tampering with the utility's equipment, hazardous conditions, customer use of equipment adversely affects the utility's equipment or service. Furthermore, Minn. Rules pt. 7810.1800 specify permissible reasons for disconnection of service with notice. These sections of the Commission's rules can be found at the following website address: <http://www.leg.state.mn.us/leg/statutes.asp>.**

**This decision is issued by the Commission's consent calendar subcommittee, under a delegation of authority granted under Minn. Stat. § 216A.03, subd. 8 (a). Unless a party, a participant, or a Commissioner files an objection to this decision within ten days of receiving it, it will become the Order of the full Commission under Minn. Stat. § 216A.03, subd. 8 (b).**

The Commission agrees with and adopts the recommendations of the Department of Commerce which are attached and hereby incorporated in the Order.
