In the Matter of the Application of Telmex USA, LLC for a Certificate of Authority to Provide Long Distance Services

The above entitled matter has been considered by the Commission and the following disposition made:

**Approved the application for an operational certificate of authority to provide interexchange services on a statewide basis;**

**Approved the proposed long distance tariff as filed on March 1, 2006 contingent upon filing, within 30 days of the date of this Order, the following tariff revisions:**

**1. Tariff page 56, section 2.20.1 states that service may be disconnected on five days notice. This language should be revised to state that the five days notice should not include Sundays and legal holidays, pursuant to Minn. Rules pt. 7810.2300**

**2. Tariff page 67, section 5.1 allows the Company to conduct promotions, but does not require that tariff filings be made for each promotion. While it may not be necessary to file a tariff that involves tests conducted on services, Minn. Rules pt. 7812.2210, subpts. 2 and 3 require that**

**tariff filings be made for promotions intended to draw new customers. The promotional language on Tariff page 67, section 5.1 must be revised to comply with the requirements of Minn. Rules pt. 7812.2210. Note that Minn. Rules pt. 7810.2100 can be found at the following web address: <http://www.leg.state.mn.us/leg/statutes.asp>.**

**This decision is issued by the Commission's consent calendar subcommittee, under a delegation of authority granted under Minn. Stat. § 216A.03, subd. 8 (a). Unless a party, a participant, or a Commissioner files an objection to this decision within ten days of receiving it, it will become the Order of the full Commission under Minn. Stat. § 216A.03, subd. 8 (b).**
