

PM-100: High Level Overview of QHP Certification Process Flow for non-HMOs

— Interdependent
 Start of Process Flow
End of Process Flow
New QHP Requirement
QHP and Current Ind/Sm Grp Requirement

NUMBERING INDICATES SEPARATE PROCESS FLOWS THAT OUTLINE THE QHP CERTIFICATION COMPONENT PARTS AT A MORE GRANULAR LEVEL. [The numbers directly after the initials "PM" indicate which more granular process flow to review for additional details (e.g. PM-01, PM-02, etc).]
