6. How do we define Art? What is the purpose of art in the Capitol? Should art in the Capitol tell visitors a story or stories about Minnesota and its history and government? What are the current themes/stories told by the art of the Capitol? What do we like and not like about those themes and stories? We are hoping to create a base for considering what is missing or could be added to convey a broader understanding to visitors. Discussion and brainstorming by subcommittee members. (Led by Rep. Loeffler)
