

A woman and two children are dressed as superheroes. The woman is in the background, wearing a denim shirt and a cape. In the foreground, a young girl with curly hair is wearing a white mask and a light-colored cape, and a young boy is wearing a dark mask and a dark cape. They are all smiling and looking towards the camera.

you are heroes

Kids + Parents—thank you for being strong, adaptive and hopeful during this challenging time. We're all in this together.
YOU make Minnesota great.

Together we can make sure our schools get the resources they need for the next 10 years. Complete the 2020 Census today—visit my2020census.gov or call **844-330-2020**.

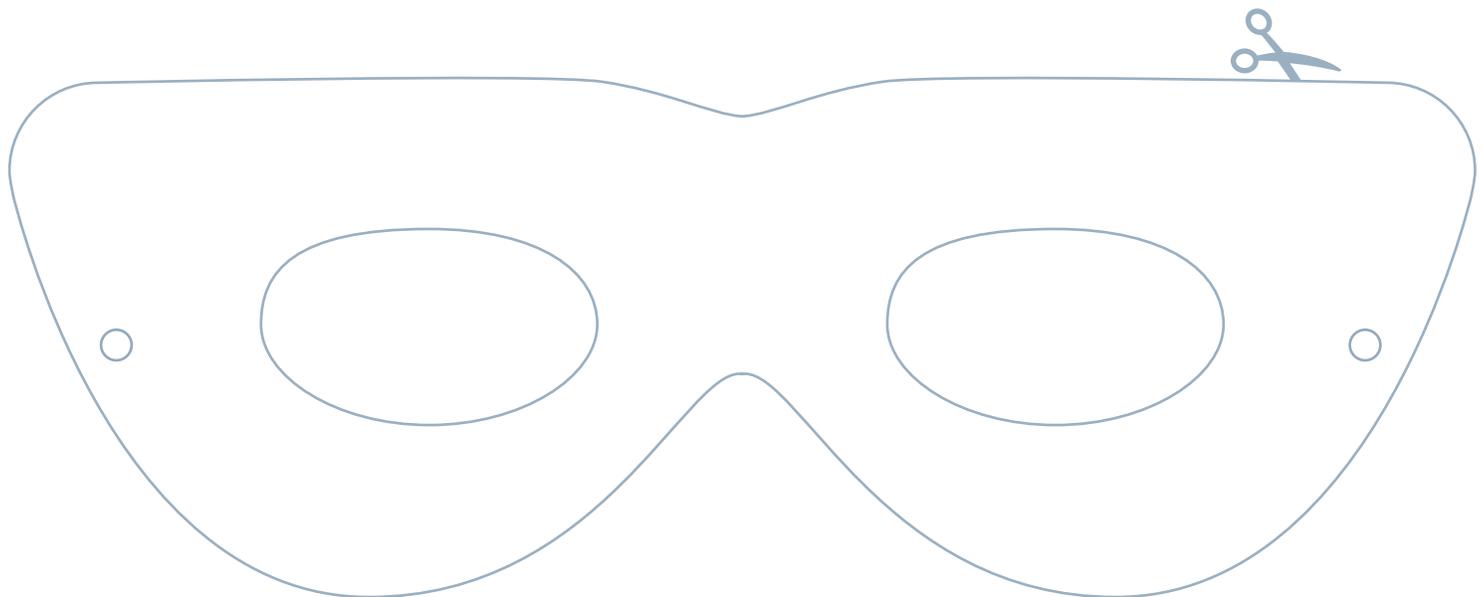

As we get through this crisis, one easy but important thing you can do for our community is to fill out the 2020 Census. The Census directs more than \$15 billion in federal funds to Minnesota communities each year—through programs like Head Start, School Lunch, Child Care and Development Fund, and Special Education. Visit mn.gov/2020census for more information about the 2020 Census in Minnesota.

Follow these steps to make your own hero mask:

1. Color your mask
2. Cut out the mask + eyeholes
3. Punch holes on each side
4. Tie a string, ribbon, shoelace or long rubber band through each little hole
5. Go out and save the day as a Census Hero!
