Subject: Designation of State Depositories

As required by Minnesota Statutes, Section 9.031, subdivision 1, Minnesota Management and Budget (MMB) requests that the Executive Council designate the following accounts at its June 26, 2025 special meeting.

The **Multiple Bank Community Depository** accounts included on the attached list are accounts that were recently rebid. The accounts are used by various state agencies located in communities having more than one bank.

The **Single Bank Community Depository** accounts included on the attached list were also recently awarded. These accounts are used by various state agencies in communities having only one bank.

These accounts are established to provide community bank accounts where state agencies, deputy registrars and court personnel deposit fees and payments to the State. These funds are then withdrawn by MMB – Banking Services and deposited in the State’s main bank account in St. Paul. The contracts will be effective July 1, 2025 through June 30, 2030.
