RE: National Register Nomination review and comment

At the Saint Paul Heritage Preservation Commission (HPC) meeting on September 14, 2026, the Commission reviewed and discussed the National Register of Historic Places nomination(s):

Saint Paul Hotel; 350 Market Street
Farwell, Ozmun, Kirk & Co. Warehouses; 75 Plato Blvd.
Calvary Cemetery; 753 Front Avenue

The Commission found the content to be accurate and appropriate. The Commission expressed its concurrence with the nominations as presented and had no additional comments, concerns, or recommended revisions to submit to the State Historic Preservation Office.

One person attended the public hearing and had questions about the Calvary Cemetery National Register nomination that the commission and staff were unable to answer. Particularly the citizen asked why someone nominated the cemetery.

Please feel free to contact staff if you have any questions.

Sincerely,

George Gause
