To: Workers' Compensation Coordinators,
Safety Professionals & Human Resource Directors

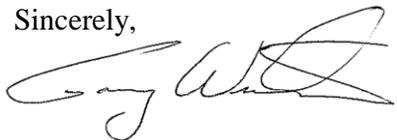

Subject: Work Comp Program Address Change

To improve efficiency and reduce operating costs, the Workers' Compensation Program will be discontinuing its Post Office Box mailing address. Starting October 1, 2010, please use the following address:

**Dept of Administration – Risk Mgmt Division
Workers' Compensation Program
310 Centennial Office Building
658 Cedar Street
St. Paul, MN 55155**

It is our plan to transition to our new mailing address in the most cost effective manner possible, so we will deplete our existing inventory of envelopes, letterhead before ordering new. We will continue to receive mail from the PO Box for a short period of time, but we are asking that you begin using our new address on October 1st.

Sincerely,

Gary Westman, Manager
Workers' Compensation Program
Risk Management Division
