Guidelines

1. All persons must be at least 18 years old to enter adult facilities, and at least 21 years old to enter juvenile facilities.
2. All person(s) must submit a completed application, pass a background check, and receive orientation before beginning their duties. This process is repeated on an annual basis.
3. All persons must present valid photo identification for each admission to the correctional facility.
4. All person(s) are subject to metal detection to enter a facility. If you have an existing medical reason (with documentation), such as a metal implant, you will be hand-held detected, if you have a Pace Maker or Defibrillator (with documentation) you will be pat searched. If you do not have medical documentation you may not enter the facility.
5. No person can be on an offender's visiting list in the MN Dept. of Corrections unless approved by the warden or designee.
6. A successful application does not guarantee acceptance into a facility.

Prison Rape Elimination Act

A prior criminal conviction will not automatically remove you from consideration to enter a Facility, However, the MN Dept. of Corrections shall not enlist the services of any contractor who may have contact with inmates who has engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution; has been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or has been civilly or administratively adjudicated to have engaged in the activities described previously. (Per PREA 28 C.F.R Part 115.17)

Have you engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution; or been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or has been civilly or administratively adjudicated to have engaged in the activities described previously?

Yes _____ No _____ Initial _____

Tennessee Notice/Permission to Do Criminal History Check

During the process of applying to a facility, you will be asked to provide information that may be private under the Minnesota Government Data Practices law. This data will be used to verify and evaluate the information you provide and to ensure the security of the facility. Individuals who have access to this information include any staff who are assisting with applicant background investigations and Office of Special investigations staff. Providing this information is voluntary; however, refusal to provide, failure to disclose, or attempts to withhold this information will be grounds to disqualify you from further consideration for providing services.

An applicant being considered for participation in the Minnesota Department of Corrections will have their criminal history checked. We need your consent and certain private information in order to do a criminal history check.

By providing this information I hereby authorize and grant my informed consent to the Minnesota Bureau of Criminal Apprehension to release to the Minnesota Department of Corrections any information contained about me in the Minnesota Predatory Offender Registry, including, but not limited to, information related to offenses which may have occurred when I was a juvenile, and information in other BCA systems.

I hereby release the Minnesota Bureau of Criminal Apprehension and the Minnesota Department of Corrections from any and all actions and causes of action, of any kind and nature whatsoever, past, present, and future, arising out of the release of information obtained with this consent. This authorization shall be valid for a period of twelve (12) months from the date of signature.

RIGHT TO REPORT

If you, or someone you know, are experiencing sexual abuse or sexual harassment, the Department of Corrections wants to know.

We want you to report right away! Why?

- We want to keep YOU safe; it is our job! It is your right to be free from sexual abuse and sexual harassment.
- We want to investigate the reported incident.
- We want to hold the perpetrator accountable for his/her actions.
- We want to provide YOU with relevant information and support services.

How to Report

The Department of Corrections offers multiple ways to report sexual abuse and sexual harassment:

- Telephone: Rape, Abuse, and Incest National Network RAINN *77
- Report to any staff, volunteer, contractor, or medical or mental health staff.
- Submit a grievance or sick call slip.
- Report to the PREA Coordinator or the facility PREA Compliance Manager.
- Tell a family member, friend, legal counsel, or anyone else outside the facility. They can report on your behalf by calling the DOC Sexual Abuse Helpline at 651-603-6798.
- You also can submit a report on someone's behalf, or someone at the facility can report for you.

External Reporting Option

You also can make a report to Rape, Abuse, and Incest National Network at *77. This resource is located outside the Department of Corrections and you can remain anonymous upon request.

IF YOU ARE ABUSED

Support services are available from a Victim Advocate and can be reached at 651-361-7666.

What to Do If You Have Been Sexually Abused

- Tell a staff member as soon as possible.
- Seek medical attention BEFORE you shower, eat, drink, change clothing, brush your teeth, or use the bathroom.
- Share as much information as possible when answering questions to assist with the investigation.

NOTICE FOR FAILURE TO REPORT

Anyone who engages in, fails to report, or knowingly condones sexual harassment or sexual abuse of an Incarcerated Person/resident/detainee shall be subject to disciplinary action and may be subject to criminal prosecution.

END THE SILENCE

Zero Tolerance for Sexual Abuse and Sexual Harassment:
Prison Rape Elimination Act

DEPARTMENT OF CORRECTIONS

ZERO TOLERANCE

The Department of Corrections has a zero-tolerance for sexual abuse and sexual harassment. What does this really mean? It means that YOU have the right to be free from sexual abuse and sexual harassment by anyone at the facility, including an Incarcerated Person, staff, volunteer, or contractor. No one has the right to sexually abuse or sexually harass you. No one.

What Is Sexual Harassment?

- Repeated and unwelcome comments or gestures of a sexual nature, including demeaning references to gender, sexually suggestive or derogatory comments about body or clothing, or obscene language or gestures.
- Repeated and unwelcome sexual advances; requests for sexual favors; or verbal comments, gestures, or actions of a derogatory or offensive sexual nature.

What Is Sexual Abuse?

- Forced or coerced sexual intercourse or sexual contact when the victim does not consent or is unable to consent or refuse. This may include the use of fear or threat of physical violence, psychological intimidation, bullying, and physical force.

What is staff voyeurism?

An invasion of privacy of Incarcerated Person by a staff, contractor, or volunteer for reasons unrelated to official duties.

Your complaint will be handled respectfully and confidentially.

Examples of Staff Voyeurism

- Watching an Incarcerated Person use the toilet, shower, or change clothes.
- Requiring an Incarcerated Person to show his/her buttocks, genitals, or breasts.
- Taking pictures of an Incarcerated Person's naked body or toilet use.

Tips for Avoiding Sexual Abuse and Sexual Harassment

A victim is never to blame for being attacked, but these tips may help you lower your risk of sexual abuse or sexual harassment.

- Pay attention to your surroundings.
- Always carry yourself in a confident manner.
- Do not accept gifts or favors from others. They usually come with "strings attached" or future paybacks, including sexual favors.
- Do not accept an offer from another resident to be your protector or "friend."
- Find a staff with whom you feel comfortable discussing your fears and concerns. Confide in him/her if you feel threatened; or call the DOC Sexual Abuse Helpline 651-603-6798.
- Be alert! Do not use contraband such as drugs or alcohol, as they will weaken your ability to be alert and make good choices.
- Be direct and firm when others ask you to do things that you do not want to do.
- Do not give mixed messages to others regarding your wishes for sexual activity.
- Choose your acquaintances wisely.

**NO
MEANS
NO**

The Challenge Incarceration Program does not tolerate any form of sexual abuse or sexual harassment. The goal of this facility is the safety of the Incarcerated Person. The facility will hold accountable any persons found to have committed any form of sexual abuse or sexual harassment against another person.

If any of the information presented here is confusing, or you have questions about something that may be happening to you, ask a staff person you trust.

Call the MN DOC
Sexual Abuse Helpline
651-603-6798.

Select Collect Call option. It is a FREE call from any DOC pay phone.

**Sexual Misconduct with Residents
Prison Rape Elimination Act [PREA] Information**

I acknowledge that I have received training, policy and specific written details outlining sexual misconduct with Residents and the Prison Rape Elimination Act federal laws. I will fully review the policy, materials provided and ask questions, if needed, for understanding of the information provided.

I understand that Minnesota Department of Corrections [DOC] policy specifically forbids any activity associated with or that promotes acts of sexual conduct, sexual abuse, including sexual harassment, between residents and DOC staff. In this definition, “staff” includes DOC employees, contractors, representatives, interns, or volunteers of the DOC as well as staff from other federal, state, or local jurisdictions. “Resident” is someone confined in a correctional facility, contracted detention facility, halfway house or under supervision in the community.

I further understand that sexual misconduct is against the law under
M.S. 609.344 and 609.345.

Photo and Visual Images Notice and Consent

Photographs are considered private data under the Minnesota Governmental Data Practices Act (MGDPA), Minnesota Statutes Chapter 13. The DOC is providing you with the following notice regarding photographs and visual images collected by DOC representatives.

Identification Card/Photos: The purpose of your photograph on your identification card and/or its retention within an access control system is so, contractors, volunteers, interns, and visitors may be visually identified in order to enhance facility safety and security. Your photo is electronically stored and is accessible by those who have a business need to access it. While you may refuse to be photographed for your identification card and/or the access control system, facility security requires the use of photo ID's and the access system and the consequences of refusal may result in denied access to DOC facilities and/or Central Office.

Informed Consent to Release Private and Confidential Data

I _____, (print name), a (please check appropriate box) contractor, volunteer, intern, or visitor, have read and understand the above Tennessee Warning Notice. I hereby authorize and release representatives of the DOC to use my photograph consistent with the information above. This photograph is related to my access and security while on DOC or State premises. This release has no expiration date.

Signature: _____ Date: _____
Requested – Not Required

Security Briefing: Workers/Contractors

- Truck gate Hours: 8:00 AM until 4:00 PM. Closed (no exit) from 7:15 AM to approximately 8:15 AM and from 12:15 PM to approximately 1:00 PM.
- All persons on facility grounds are required to possess a current, valid photo identification. Acceptable examples include drivers license, Minnesota Photo I.D., or passport. You will be required to exchange your ID for a security pass issued at the point of entry. This pass must be returned when you leave facility grounds at the same point of entry from which you came in from. Contractors will be escorted by a security staff. Security staff will monitor the site, the contractors, tool inventories, construction equipment, vehicles, and general site security. The contractor will be restricted to the area of the project under contract. They will not be allowed to leave that area without prior arrangement and escort.
- All vehicles entering and exiting the facility will be searched. All parcels, toolboxes and lunch boxes will be searched. All persons enter the facility are subject to a search. Vehicles must be locked with the keys removed and windows rolled up when left unattended. No tools or materials are to be left in an open box or trailer on grounds or in the secure perimeter unless they are secured. Vehicles cannot remain inside the facility overnight unless special prior approval has been granted from the Captain and unless the vehicle has been rendered inoperative.
- Heavy equipment, such as bulldozers, front-end loaders, boom trucks, cranes, etc., can be left within the construction limits overnight, but must be parked at least 50 feet from the perimeter fence, and must be secured and disabled by removing the battery or rotor. These provisions apply to boom trucks, cranes, or high equipment left unattended or overnight. Please only bring tools necessary for the performance of the job.
- Introducing contraband such as drugs, tobacco, explosives, alcoholic beverages, and weapons on the grounds of this facility is in violation of Minnesota Statute and is subject to criminal prosecution. No cell phones or tobacco products are allowed in the facility. These items must be secured in your car or checked in at the point of entry. If there is any question as to whether an item is contraband, please ask.
- Any interaction with incarcerated persons is prohibited. Do not bring anything to an incarcerated person or from the Facility on behalf of an incarcerated person. Report any interaction with an incarcerated person to security staff immediately.
- All construction/contract work must be scheduled and done during the hours the Truck Gate is normally in operation. Exceptions must have prior approval from the Captain.
- The use of cell phones will be allowed within the work area on a limited basis. Cell phones must be authorized in advance through your facility contact by the Warden.

TOOLS

- All contractors entering MCF-Faribault for the purpose of performing construction are required to present a written tool inventory to security staff listing all tools within their vehicle and on their persons. All Class A tools must exit the facility or be secured within a lockable gang box overnight. The entry point staff will inform you of what is considered Class A tools from your inventory. Equipment such as ropes, chains and ladders require close supervision. Each construction worker must maintain control over their tools. All tools are to be locked up when not in use.
- Construction items more than six feet long, such as ladders, scaffolding, poles, boards, extension cords, etc. inside the secure perimeter shall be stored inside secure trailers and or storage room. When such items are not in use outside of the secure perimeter they may be secured inside a secure trailer or chained and padlocked to a secure object away from the secure perimeter.
- Security staff will inventory tools and materials entering the work area. Each contractor will be allowed to maintain a locked gang box on site to decrease the amount of time spent inventorying tools. Security staff will check tool inventory at the end of each workday. Tools taken from the work area will be checked off the inventory list by security staff.
- Tools requiring explosive cartridges to operate need special clearance from the security staff prior to entering the work area. Cartridges will be counted prior to entry and the total number of unused cartridges must match prior to leaving.
- Any tools, equipment, or materials that are discovered to be missing are to be reported to the security staff immediately. The contractor is responsible for maintaining an accurate tool count.
- Give any tool that is worn or broken (including drill bits, saw blades, etc.) to the security staff for proper disposal and tool inventory update.

Please include a
