In making its selection of designers the Board considers the criteria stated in Section I, Project Description and the following, which are derived in part from Minnesota Statutes 16B.33 Subd. 4(a) and Minnesota Rules Chapter 3200.0700. The order of the criteria does not imply priority, nor are they necessarily weighted equally.

Agency shall indicate if each of the selection criteria is of primary or secondary importance (with the exception of F).

- A. **(Primary): Qualifications and technical competence** in the required field of design and **prior performance** of the Team on projects for the state and others. This is demonstrated by experience of the proposed Team on similar projects and by the proposed Team's discussion in the proposal and in the interview. [Note: Unsatisfactory performance must be documented in writing from the

Commissioner of Administration, the University of Minnesota or Minnesota State Colleges and Universities based on criteria set forth in Minnesota Statutes 16B.33 Subd 4(f).]

- B. **(Primary): Leadership, integration and cohesiveness of the proposed Team, compatibility** between the proposed Team and the project stakeholders, and **availability** of appropriate personnel and capacity to accomplish the work within the required constraints. This is demonstrated by:
1. The organization of the project Team and commitment to assign and support the team members proposed.
  2. The team dynamics, previous experience of the team working together, and leadership style shown in the interview.
  3. The stakeholders' perception of the style demonstrated at the interview as well as previous positive working relationships.
- C. **(Secondary): Ability to deal with aesthetic factors**, including the level of design your firm brings into the spaces both interior and exterior. This is demonstrated by experience of proposed team on similar projects.
- D. **(Primary): The proposed team's project understanding, the approach/methodology** as it applies to this project, and the constraints and issues affecting this proposed project. This is demonstrated by the team's proposal and discussion in the interview.
- E. The following 'fairness' factors are also considered:
1. If certified as a Targeted Group/ Economically Disadvantaged/Veteran-Owned firm. For information regarding certification, contact the Office of Equity in Procurement at 651.201.2402, or [Procurement.equity@state.mn.us](mailto:Procurement.equity@state.mn.us). For TTY/TDD communications, contact the Helpline through the Minnesota Relay Services at 1.800.627.3529.

  3. Geographic relationship of the Prime Firm's base to the project site. This is demonstrated by the location of the Prime Firm and/or its consultants with respect to the project site.
  4. Awards previously made to the Prime Firm by the state. This is in the interest of equitable distribution of commissions. Consideration is given to all state work awarded (by executed contract) to the Prime Firm during the past four years prorated based on the number of employees in the Minnesota office(s) of the Prime Firm.

An organizational conflict of interest exists when, because of existing or planned activities or because of relationships with other persons, the Respondent is unable or potentially unable to render impartial assistance or advice to the State, or the Respondent's objectivity in performing the contract work is or might be otherwise impaired, or the Respondent has an unfair competitive advantage. The Respondent agrees that, if after award, an organizational conflict of interest is discovered, an immediate and full disclosure in writing must be made to the Assistant Director of the Department of Administration's Office of State Procurement ("OSP"), 112 Administration Building, 50 Sherburne Avenue, St. Paul, MN 55155, which must include a description of the action which the Consultant has taken or proposes to take to avoid or mitigate such conflicts. This indemnification survives the State's award of a contract. In submitting a response to this RFP, the Respondent agrees that this indemnification survives as long as the trade secret materials are in possession of the State.

The State will not consider prices submitted by the Respondent to be proprietary or trade secret materials.

Notwithstanding the above, if the State contracting party is a part of the judicial branch, the release of data shall be in accordance with the Rules of Public Access to Records of the Judicial Branch promulgated by the Minnesota Supreme Court as the same may be amended from time to time.

**I. VETERAN-OWNED PREFERENCE**

In accordance with Minnesota Statute §16C.16, subd. 6a, veteran-owned businesses with their principal place of business in Minnesota and verified as eligible by U.S. Small Business Administration (prior to the solicitation opening date and time) will receive a preference in the evaluation of its proposal (consistent with RFP Section IV., Selection Criteria). Eligible veteran-owned small businesses include VetCert, certified small businesses that are majority-owned and operated by veterans (pursuant to Minnesota Statute §16C.16, subd. 6a). **J. DEPARTMENT OF ADMINISTRATION 10% TARGETED GROUP/ECONOMICALLY DISADVANTAGED/ VETERAN OWNED SUBCONTRACTING GOAL:**

The Department of Administration has set a ten percent (10%) subcontracting goal for this contract. Prime contractors are required to subcontract at least ten percent (10%) of their contract to certified Targeted Group/ Economically Disadvantaged/Veteran-Owned (TG/ED/VO) businesses or individuals. This provision does not apply to prime contractors which are certified TG/ED/VO businesses or prime contractors which are Veteran-Owned Small Business, as defined in MN Statute 16C.19 (d) as a business with their principal place of business in Minnesota, and verified by the US Small Business Administration (at <https://veterans.certify.sba.gov/>) as being either a veteran-owned small business or a service-disabled veteran-owned small business.

If Responder is the selected consultant, Responder's commitment will be assessed at the time of cost proposal. At the time of cost proposal, if the selected consultant's cost proposal does not result in meeting the 10% TG/ED/VO subcontracting goal, contract negotiations shall not continue and the contracting agency shall contact the State Designer Selection Board's alternate selection for contract award and negotiation.

This provision does not apply to prime contractors which are certified % TG/ED/VO businesses. A complete listing of certified % TG/ED/VO businesses is available on the Office of State Procurement Website at <https://mn.gov/admin/osp/government/procuregoodsandgeneralservices/tgedvo-directory/>. This is the only acceptable list. Other agencies may have their own similar lists, however, these other similar lists do not apply to this RFP. **[PRINT AND ATTACH PROOF OF TARGETED GROUP/ ECONOMICALLY DISADVANTAGED/ VETERAN OWNED CERTIFICATION available at <https://mn.gov/admin/osp/government/procuregoodsandgeneralservices/tgedvo-directory/>.** Do this for EVERY % TG/ED/VO subcontractor your firm lists (or for prime firm if prime firm is TG/ED/VO certified) on the TG/ED/VO Subcontracting Form included with your proposal response.

A form has been provided for this purpose and is available at <https://mn.gov/admin/government/construction-projects/sdsb/forms/>. [The total percent to be subcontracted must be equal to or in excess of the stated goal.]

Prime contractors may request a waiver from the TG/ED/VO subcontracting goal requirement as set out in Minn. Rules 1230.1820. subp. 3 if the Responder has demonstrated good faith efforts to meet the goal by submitting documented unsuccessful efforts to obtain certified subcontractors via e-mail to Tammy Gaglioti, Office of Equity in Procurement, at [tammy.gaglioti@state.mn.us](mailto:tammy.gaglioti@state.mn.us) (copying Heather A. Nelson, Real Estate and Construction Services, at [heather.a.nelson@state.mn.us](mailto:heather.a.nelson@state.mn.us)). If requesting a waiver from this subcontracting goal, **it must be received via email no later than June 4, 2026 at 4:30 p.m. C.T.**

Whether or not to grant a waiver will be determined on a case-by-case basis by the Office of Equity in Procurement of the Minnesota Department of Administration, who shall review all the documentation submitted by the Responder and all relevant documentation in the Office's possession to determine if good faith steps were taken. The Office of Equity in Procurement must consider whether the documentation demonstrates good faith efforts to achieve the TG/ED/VO subcontracting goal based on the following general types of activities conducted by the Responder. This list is not intended to be an exhaustive list of activities that may be considered good faith steps:

1. Retrieving a list of certified TG/ED/VO Businesses that provide the services included in Responder's proposal (Contact info, not just company names)
2. Contact log (who, how when – particularly important for phone contacts that are not as easily documented as email/fax)
3. Confirmation of contact (emails, faxes, etc)
4. Responses from TG/ED/VO businesses (no response, no thanks, etc.)
5. Notes on evaluation of TG/ED/VO responses (if eliminated from consideration, why)
6. Any other efforts responder made to increase (or attempt to increase) the utilization of TG/ED/VO businesses.
7. Information on any obstacles responder encountered

The submission of the Targeted Group/ Economically Disadvantaged/Veteran-Owned Subcontracting form confirming that you have met one of the four requirements listed below is a **PASS/FAIL requirement**; failure to complete and submit this form will result in your proposal not being considered for this project.

1. The Prime Firm is Certified as a TG/ED/VO business
2. The Prime Firm is a Veteran-Owned Small Business as described above
3. The Prime Firm has requested a waiver\*
4. The Prime Firm has met the 10% Targeted Subcontracting Goal

**\*Note about requesting a waiver:** You must submit the Targeted Group/ Economically Disadvantaged/Veteran-Owned Subcontracting Form in order to *qualify* for a "PASS" score; however, if you have checked the box indicating that you have requested a waiver you will only receive a "PASS" score if the request is approved by the Office of Equity in Procurement and the waiver is granted. If your request for a waiver is denied, you will receive a score of "FAIL".

\*A Targeted Group/ Economically Disadvantaged/Veteran-Owned Subcontracting Check List is attached for your use.
