# Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-13 inclusive; issues #14-25 inclusive (issue #26 cumulative for issues #1-26); issues #27-38 inclusive (issue #39, cumulative for issues #1-39); issues #40-52 inclusive, with final index (#1-52, or 53 in some years). An annual subject matter index for rules was separately printed usually in August, but starting with Volume 19 now appears in the final issue of each volume. For copies or subscriptions to the State Register, contact Minnesota's Bookstore, 660 Olive Street (one block east of I-35E and one block north of University Ave), St. Paul, MN 55155, phone: (612) 297-3000, or toll-free 1-800-657-3757. # Proposed Rules

**Comments on Planned Rules or Rule Amendments.** An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, and within 60 days of the effective date of any new statutory grant of required rulemaking.

**Rules to be Adopted After a Hearing.** After receiving comments and deciding to hold a public hearing on the rule, an agency drafts its rule. It then publishes its rules with a notice of hearing. All persons wishing to make a statement must register at the hearing. Anyone who wishes to submit written comments may do so at the hearing, or within five working days of the close of the hearing. Administrative law judges may, during the hearing, extend the period for receiving comments up to 20 calendar days. For five business days after the submission period the agency and interested persons may respond to any new information submitted during the written submission period and the record then is closed. The administrative law judge prepares a report within 30 days, stating findings of fact, conclusions and recommendations. After receiving the report, the agency decides whether to adopt, withdraw or modify the proposed rule based on consideration of the comments made during the rule hearing procedure and the report of the administrative law judge. The agency must wait five days after receiving the report before taking any action.

**Rules to be Adopted Without a Hearing.** Pursuant to *Minnesota Statutes* § 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing. An agency must first solicit **Comments on Planned Rules or Comments on Planned Rule Amendments** from the public. The agency then publishes a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.1414.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the *State Register*.

**KEY: Proposed Rules** - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **Adopted Rules** - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

---

You may also review the proposed rules and submit written comments via the Office of Administrative Hearings Rulemaking e-comments website at <https://minnesotaoah.granicusideas.com/>

**Subject of Rules and Statutory Authority.** The proposed rules govern matters relating to the creation, annexation, detachment or dissolution of sanitary districts. The statutory authority to adopt the rules is *Minnesota Statutes*, section 442A.02, subd. 5. A copy of the proposed rules is published in the *State Register* and attached to this notice as mailed. A free copy of the rules is also available upon request from the agency contact person listed above.

**Comments.** You have until **4:30 p.m. on Wednesday, June 7, 2017**, to submit written comments in support of or in opposition to the proposed rules and any part or subpart of the rules. Your comment must be in writing and the agency contact person must receive it by the due date. The Agency encourages comment. Your comment should identify the portion of the proposed rules addressed and the reason for the comment. You are encouraged to propose any change desired. Any comments that you have about the legality of the proposed rules must also be made during this comment period.

**Request for a Hearing.** In addition to submitting comments, you may also request that the Agency hold a hearing on the rules. Your request must be in writing and the agency contact person must receive it by 4:30 p.m. on Wednesday, June 7, 2017. Your written request for a public hearing must include your name and address. You must identify the portion of the proposed rules that you object to or state that you oppose the entire set of rules. Any request that does not comply with these requirements is not valid and the agency cannot count it when determining whether it must hold a public hearing. You are also encouraged to state the reason for the request and any changes you want made to the proposed rules.

**Withdrawal of Requests.** If 25 or more persons submit a valid written request for a hearing, the Agency will hold a public hearing unless a sufficient number withdraw their requests in writing. If enough requests for hearing are withdrawn to reduce the number below 25, the agency must give written notice of this to all persons who requested a hearing, explain the actions the agency took to effect the withdrawal, and ask for written comments on this action. If a public hearing is required, the agency will follow the procedures in *Minnesota Statutes*, sections 14.131 to 14.20.

**Alternative Format.** Upon request, this information can be made available in an alternative format, such as large print, braille, or audio. To make such a request, please contact the agency contact person at the address or telephone number listed above.

**Modifications.** The Agency may modify the proposed rules as a result of public comment. The modifications must be supported by comments and information submitted to the agency, and the adopted rules may not be substantially different than these proposed rules, unless the agency follows the procedure under *Minnesota Rules*, part 1400.2110. If the proposed rules affect you in any way, the Agency encourages you to participate in the rulemaking process.

**Statement of Need and Reasonableness.** The statement of need and reasonableness statement contains a summary of the justification for the proposed rules, including a description of who will be affected by the proposed rules and an estimate of the probable cost of the proposed rules. It is now available from the agency contact person. You may review it or obtain copies for the cost of reproduction by contacting the agency contact person.

**Lobbyist Registration.** *Minnesota Statutes*, chapter 10A, requires each lobbyist to register with the State Campaign Finance and Public Disclosure Board. You should direct questions about this requirement to the Campaign Finance and Public Disclosure Board at: Suite 190, Centennial Building, 658 Cedar Street, St. Paul, Minnesota 55155, telephone (651) 539-1180 or 1-800-657-3889.

**Adoption and Review of Rules.** If no hearing is required, the agency may adopt the rules after the end of the comment period. The agency will then submit the rules and supporting documents to the Office of Administrative Hearings for review for legality. You may ask to be notified of the date the Agency submits the rules to the office. If you want to be so notified, or want to receive a copy of the adopted rules, or want to register with the agency to receive notice of future rule proceedings, submit your request to the agency contact person listed above.

Subp. 4. **Computation of time.** The provisions of part 1400.6100 apply to computation of time.

## **1408.0030 COST OF PUBLICATIONS AND MAILINGS.**

## **1408.0040 INTERVENTION.**

Subpart 1. **Petition.** A person who desires to intervene as a party in a contested case proceeding relating to the creation, annexation, detachment, or dissolution of a sanitary district shall submit to the judge a timely written petition to intervene. Subp. 2. **Objection.** A party may object to the petition for intervention by filing a written notice of objection with the judge within seven days of service of the petition or, upon good cause shown, orally at the hearing. The notice must state the party's reasons for objection and must be served upon all parties and the person petitioning to intervene.

Subp. 3. **Hearing on petition.** If necessary to develop a full record on the question of intervention, the judge shall conduct a hearing on the petition to determine specific standards that apply to each category of intervenor, and to define the scope of intervention.

An order allowing intervention must specify the extent of participation permitted the petitioner and must state the judge's reasons. A petitioner may be allowed to:

- A. file a written brief without acquiring the status of a party;
- B. intervene as a party with all the rights of a party; or

Persons offering testimony or exhibits may be questioned by parties to the proceedings.

# Expedited Emergency Rules

Provisions exist for the Commissioners of some state agencies to adopt expedited emergency rules when conditions exist that do not allow the Commissioner to comply with the requirements for emergency rules. The Commissioner must submit the rule to the attorney general for review and must publish a notice of adoption that includes a copy of the rule and the emergency conditions. Expedited emergency rules are effective upon publication in the *State Register*, and may be effective up to seven days before publication under certain emergency conditions.

Expedited emergency rules are effective for the period stated or up to 18 months. Specific *Minnesota Statute* citations accompanying these expedited emergency rules detail the agency's rulemaking authority.

### **Adopted Expedited Emergency Game and Fish Rules: Mille Lacs Lake Regulations**

Notice is hereby given that the above entitled rules have been adopted through the process prescribed by Minnesota Statutes, sections 97A.045, subd. 2; 97C.005; and 97C.401.

The conditions that do not allow compliance with Minnesota Statutes, sections 97A.0451 to 97A.0459, are as follows:

1. Each year a harvestable surplus is set for walleye in Mille Lacs Lake pursuant to the procedures set forth in the 1996 Stipulated Settlement and Federal Consent Decree adopted by the Minnesota Federal District Court in 1997 and affirmed by the U.S. Supreme Court in 1999. The harvest surplus is the volume of fish that can safely be harvested from Mille Lacs Lake while ensuring sufficient remaining walleye in the lake for a healthy fishery. The harvest surplus is then divided between the state of Minnesota and the eight Chippewa Tribal Bands. The Mille Lacs Band, Fond Du Lac Band, and six Wisconsin Bands of Chippewa are not required to declare their harvest intentions on inland waters until mid-March.

2. The proposed fishing regulations for Mille Lacs Lake are based on a safe harvest level determined for 2017. Final harvest threshold levels to be included in the proposed rules were not available until March. These new threshold levels and regulations need to be put in place as soon as possible to ensure that angler harvest does not exceed state angler harvest thresholds for the 2017 open water fishing season.

E. While a person is on or fishing in Mille Lacs Lake or its associated tributaries to the posted boundaries;

(1) the possession and daily limit for Northern cisco (tullibee) is ten fish; and

(2) taking and possessing walleye is prohibited except according to units (a) to (d):

F. Fish that are taken by angling and not immediately released into the water after capture are considered to be in possession and part of the bag limit. Once a fish has been reduced to possession, culling or live-well sorting (the act of exchanging one fish for another) is not allowed, except that culling or live-well sorting, before meeting a bag limit of fish reduced to possession, is allowed for largemouth and smallmouth bass.

G. The bait restrictions under subitems (1) to (3) apply while a person is on or fishing in Mille Lacs Lake or its associated tributaries to the posted boundaries.

(1) There are no bait restrictions for angling between 12:01 a.m. on May 13, 2017, through 9:59 p.m. on May 15, 2017, and after November 30, 2017.

### Adopted Expedited Emergency Game and Fish Rules: Upper Red Lake Fishing Restrictions

NOTICE IS HEREBY GIVEN that the above entitled rules have been adopted through the process prescribed by Minn. Stat. § 84.027, subdivision 13 (b). The statutory authority for the content of the rule is set forth in Minn. Stat. §§ 97C.005, subd. 3 and 97C.401.

The walleye harvest plan for Upper Red Lake and its tributaries is developed pursuant to the terms of the 2015 Memorandum of Understanding (Red Lake MOU) between the Minnesota Department of Natural Resources (DNR), the Red Lake Band of Chippewa (Band) and the U.S. Bureau of Indian Affairs (BIA). The Red Lake MOU provides that walleye target harvest zone or (harvest level) for both the Band and Minnesota will be based on the on the annual spawning stock biomass (SSB). The SSB is based on annual walleye population estimates and angler surveys conducted by the DNR and the Band. This process permits the DNR to adjust state harvest levels annually based on current SSB data and requires that the DNR set state harvest levels be set using the expedited rulemaking authority to adjust season to reflect the most current walleye population data for Upper Red Lake.

## Minnesota Board of High Pressure Piping Systems

### Request for Comments for Possible Amendments to Rules Governing High Pressure Piping Systems, *Minnesota Rules*, Chapter 5230; Revisor's ID Number R-04472

**Subject of Rules.** The Minnesota Board of High Pressure Piping Systems ("Board") requests comments on its possible amendments to rules governing Minnesota's High Pressure Piping Code, *Minnesota Rules*, Chapter 5230. The Board of High Pressure Piping Systems is considering rule amendments that will incorporate by reference updated national codes and engineering standards regarding high pressure steam and other heating media piping, ammonia refrigeration piping, bioprocess piping, and the welding requirements for these high pressure piping systems. The national codes and standards currently incorporated by reference into Chapter 5230 are not subject to frequent change, but from time to time are updated and republished by the American Society of Mechanical Engineers ("ASME") and the American National Standards Institute ("ANSI"). This proposed rulemaking intends to amend those rule parts in Chapter 5230 which incorporate by reference these national codes and standards by updating the rule parts to reflect the most current versions and editions of those national codes and standards.

**Persons Affected.** Persons affected by the rule amendments will likely include high pressure pipefitters; high pressure pipefitting contractors and businesses; persons and entities owning, operating, improving or constructing high pressure piping systems; mechanical and biotechnical design professionals; manufacturers of integrated high pressure piping systems; unlicensed individuals who wish to assist in the practical construction and installation of high pressure piping and appurtenances while in the employ

**Statutory Authority.** Minnesota Statutes, section 326B.925, subdivision 2 (a)(3) (2016), authorizes the Board to adopt rules for establishing a High Pressure Piping Code, and any amendments thereto, that must be followed in the State of Minnesota.

**Public Comment.** Interested persons or groups may submit comments or information on these possible rules in writing until further notice is published in the *State Register* that the Board intends to adopt or to withdraw the rules. ## Department of Natural Resources Lands and Minerals Division Notice of State Metallic Minerals Lease Sale

**NOTICE IS HEREBY GIVEN** that a sale of leases to explore for, mine and remove metallic minerals in trust fund lands, lands and minerals forfeited for non-payment of taxes, lands and minerals otherwise acquired, and other state-owned land under the jurisdiction of the Commissioner of Natural Resources, and located in portions of Beltrami, Itasca, Koochiching, Lake of the Woods, and Saint Louis Counties, is scheduled to be held on **Friday, June 9, 2017, at 8:30 a.m.** The sale will take place in the Lobby of the Department of Natural Resources, 500 Lafayette Road, Saint Paul, Minnesota.

The Commissioner will receive sealed bids and applications for leases covering minerals in state lands, in accordance with Minnesota Rules, parts 6125.0100 through 6125.0700 – the metallic mineral rules issued under the authority of Minnesota Statutes, Chapter 93. Each bid must be submitted on a form obtained from the Commissioner. Each bid form must be accompanied by a certified check, cashier's check, or bank money order, payable to the Department of Natural Resources in the sum of the following amounts: a) an application fee of \$100.00 for each mining unit bid upon; and b) rental for one full calendar year for each mining unit bid upon. All bids must be received by the Commissioner at the office of the Division of Lands and Minerals, Fourth Floor, Department of Natural Resources, 500 Lafayette Road, Saint Paul, Minnesota 55155-4045, before 4:30 p.m. on Thursday, June 8, 2017.

On Friday, June 9, 2017, at the time specified, the Commissioner or his representative will publicly open the bids and announce the amount of each bid separately. At a subsequent time, leases will be awarded by the Commissioner, subject to the approval of the State Executive Council, to the highest bidder for the respective mining units, but no bids will be accepted that do not equal or exceed the base royalty rates set forth in the Rules or that do not comply with all provisions of the Rules. The State reserves the right, through the State Executive Council, to reject any or all bids.

The purpose of Minnesota's metallic minerals rules is to promote and regulate the prospecting for, mining and removal of metallic minerals on state-owned and state-administered lands. These Rules, and the leases issued under the Rules, authorize exploration and development of these minerals and impose certain requirements on the lessee. The requirements include: the payment of minimum rentals that increase over the term of the lease; the payment of royalty for all ore mined and removed; the submission of data and other reports; and the submission of exploration plans. In addition, the lessee must comply with all applicable laws.

After the conclusion of the sale, each high bidder will be required to provide evidence demonstrating that the bidder is qualified to hold a state mineral lease pursuant to Minnesota Rules, part 6125.0410. The Rules state that a lease will only be issued to an applicant qualified to do business in Minnesota and qualified to conduct exploratory borings in Minnesota. In addition, the Commissioner may request evidence that the lease applicant is technically and financially capable of performing under the terms of a state mineral lease. The requested evidence must be provided within 45 days of the request from the Commissioner or the bids from that high bidder will be rejected.

Upon the award of a lease, the application fee submitted with the bid will be deposited as a fee for the lease. All bids not accepted will become void, and the application fee and rental payment accompanying such bids will be returned to each respective bidder; provided however, the application fee and rental payment accompanying a bid shall not be returned if the bidder was the high bidder and subsequently withdrew the bid prior to the award of a lease.

Bid forms, instructions on how bids are to be submitted, copies of the rules (Minnesota Rules, parts 6125.0100 through 6125.0700) and copies of the Mining Unit Book listing the land areas designated by the Commissioner as mining units may be obtained from the Land Acquisition and Legal Services Section, Division of Lands and Minerals, DNR Building, 500 Lafayette Road, Saint Paul, Minnesota 55155-4045. E-mail inquiries may be sent to [MMLeaseSale.dnr@state.mn.us](mailto:MMLeaseSale.dnr@state.mn.us).

The Mining Unit Book will be available at least 30 days prior to June 9, 2017. Application for each copy of the Mining Unit Book must be accompanied by a check or money order payable to the Department of Natural Resources in the sum of \$25.00 as a fee for such Mining Unit Book plus shipping and applicable State of Minnesota sales tax. Mining Unit Books will also be available for inspection at the Hibbing and Saint Paul offices of the Division of Lands and Minerals, and on the internet through the DNR website at: [http://www.dnr.state.mn.us/lands\\_minerals/leasesale/index.html](http://www.dnr.state.mn.us/lands_minerals/leasesale/index.html).
