And a subscription gets you our Current Listing of All OPEN bids, contracts, grants, loans, and RFPs that are still open for bid, so you don’t have to hunt through each back issue to find something.

Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-13 inclusive; issues #14-25 inclusive (issue #26 cumulative for issues #1-26); issues #27-38 inclusive (issue #39, cumulative for issues #1-39); issues #40-52 inclusive, with final index (#1-52, or 53 in some years). An annual subject matter index for rules was separately printed usually in August, but starting with Volume 19 now appears in the final issue of each volume. For copies or subscriptions to the State Register, contact Minnesota's Bookstore, 660 Olive Street (one block east of I-35E and one block north of University Ave), St. Paul, MN 55155, phone: (612) 297-3000, or toll-free 1-800-657-3757. Expedited Emergency Rules

Provisions exist for the Commissioners of some state agencies to adopt expedited emergency rules when conditions exist that do not allow the Commissioner to comply with the requirements for emergency rules. The Commissioner must submit the rule to the attorney general for review and must publish a notice of adoption that includes a copy of the rule and the emergency conditions. Expedited emergency rules are effective upon publication in the *State Register*, and may be effective up to seven days before publication under certain emergency conditions.

Expedited emergency rules are effective for the period stated or up to 18 months. Specific *Minnesota Statute* citations accompanying these expedited emergency rules detail the agency's rulemaking authority.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **Adopted Rules** - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

Department of Natural Resources

Adopted Expedited Emergency Game and Fish Rule: Prohibition on Feeding Deer

Notice is hereby given that the above entitled rules have been adopted through the process prescribed by *Minnesota Statutes*, section 84.027, subdivision 13 (b). The statutory authority for the content of the rules is *Minnesota Statutes*, section 97A.045.

The following conditions do not allow compliance with *Minnesota Statutes*, sections 97A.0451 to 97A.0459. Chronic Wasting Disease has been detected at multiple locations in the state. Infectious agents related to this disease are extremely resistant in the environment and transmission may be both direct and indirect. Concentrating deer by artificial means likely increases the risk of transmission between individuals.

To further reduce the transmission of Chronic Wasting Disease, the placement or distribution of deer feed is prohibited in Aitkin, Crow Wing, Kandiyohi, McLeod, Meeker, Morrison, Stearns, Wright and portions of Cass, Mille Lacs and Renville counties.

Dated: 14 June 2017

Tom Landwehr
Commissioner of Natural Resources

6232.4900 DEER FEEDING PROHIBITED IN CENTRAL MINNESOTA.

Subpart 1. **Definition.** For purposes of this part, "feed" means salt, minerals, grains, fruits, vegetables, nuts, hay, and other food that is capable of attracting or enticing deer.

Subp. 2. **Applicability; prohibition.**

A. This part applies in Aitkin, Crow Wing, Kandiyohi, McLeod, Meeker, Morrison, Stearns, and Wright Counties and in that portion of Cass County lying south of State Trunk Highways 34 and 200, that portion of Mille Lacs County lying north of Mille Lacs County Road 11, and that portion of Renville County lying north of U.S. Highway 212.

B. A person may not place or distribute feed on private or public lands or waters, or allow another person to place or distribute feed on property under the person's ownership or lease, except as provided in subparts 3 and 4.

Subp. 3. **Wildlife feeding.** Wildlife feeding is allowed if:

A. the feed is placed to exclude access by deer; or

B. the feed is placed at least six feet above the ground.

Expedited Emergency Rules

Subp. 4. **Exceptions.** The prohibition in subpart 2 does not include feed that is:

- A. present solely as a result of normal agricultural, forest management, or wildlife food-planting practices; or
- B. for agricultural or livestock purposes if:
 - (1) placed for domestic livestock that are present and actively consuming the feed on a daily basis;
 - (2) covered to deter deer from gaining access to the feed; or
 - (3) stored consistent with normal agricultural practices.

Subp. 5. **Cleanup.**

- A. In addition to any other penalties imposed, a person must immediately remove any feed that the person used, placed, or distributed in violation of this part.
- B. The landowner, land manager, or lessee of private or public lands or waters must immediately remove any feed not removed according to item A.
- C. Failure to comply with this subpart is a separate violation and is in addition to any violation under subpart 2.

Expedited Rules

Provisions exist for the Commissioners of some state agencies to adopt expedited rules when conditions exist that do not allow the Commissioner to comply with the requirements for normal rules. The Commissioner must submit the rule to the attorney general for review and must publish a notice of adoption that includes a copy of the rule and the conditions. Expedited rules are effective upon publication in the State Register, and may be effective up to seven days before publication under certain conditions.

Expedited rules are effective for the period stated or up to 18 months. Specific *Minnesota Statute* citations accompanying these expedited rules detail the agency's rulemaking authority.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material."

Adopted Rules - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

Department of Natural Resources

Adopted Expedited Permanent Game and Fish Rule: Northern Pike Regulation

The rules proposed and published at State Register, Volume 41, Number 14, pages 417-424, October 03, 2016 (41 SR 417), are adopted with the following modifications:

EFFECTIVE DATE. The amendments to Minnesota Rules, parts 6262.0200 and 6262.0575, are effective March 1, 2018.

Adopted Rules

A rule becomes effective after the requirements of *Minnesota Statutes* §§ 14.05-14.28 have been met and five working days after the rule is published in the *State Register*, unless a later date is required by statutes or specified in the rule. If an adopted rule is identical to its proposed form as previously published, a notice of adoption and a citation to its previous *State Register* publication will be printed. If an adopted rule differs from its proposed form, language which has been deleted will be printed with strikeouts and new language will be underlined. The rule's previous *State Register* publication will be cited.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **Adopted Rules** - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

Department of Labor and Industry

Adopted Permanent Rules Relating to Attendance at High Pressure Boiler Plants and Remote Monitoring of High Pressure Boilers in Unoccupied Buildings

The rules proposed and published at State Register, Volume 41, Number 37, pages 1081-1086, March 13, 2017 (41 SR 1081), are adopted with the following modifications:

5225.1180 ATTENDANCE AT HIGH PRESSURE PLANT.

Subpart 1. **Attendance; plant of 0 to 50 horsepower.** At a minimum, a high pressure boiler plant of 0 to 50 horsepower, when in operation, must be visually observed at least once every 24 hours by an operating engineer. The operating engineer must document the findings and conditions in the boiler room logbook maintained pursuant to part 5225.1110.

Subp. 2. **Attendance; plant of 51 to 500 horsepower.**

A. A high pressure boiler plant of 51 to 500 horsepower may be left in operation unattended by an operating engineer for no more than two consecutive hours, except as permitted by item B or subpart 5. The operating engineer must visually observe the operating condition of the boiler and appurtenances at least every two hours and document the findings and conditions in the boiler room logbook maintained pursuant to part 5225.1110.

B. A high pressure boiler plant of 51 to 500 horsepower is exempt from the high pressure attendance requirements of item A if the plant is operated at low pressure. All boilers must either be shut down or shifted to low pressure. If a boiler is shifted to low pressure, it must have the following controls, safety devices, and conditions:

(6) ~~a properly licensed~~ an operating engineer must manually switch over the valves and controls between high and low pressure, enter the date and time of the switch in the boiler room logbook, and sign the logbook entry; and

(7) when the boiler is operating on low pressure, ~~a properly licensed~~ an operating engineer must visually observe the boiler operating conditions at least once every 24 hours and record the conditions in the boiler room logbook, pursuant to part 5225.1110.

Subp. 3. **Attendance; plant over 500 horsepower.**

B. The shift operating engineer in a high pressure boiler plant of over 500 horsepower may leave the boiler room for up to 30 minutes ~~per hour~~ if all boilers are equipped with dual pressure controls and dual low water fuel cutouts, one of which must be the manual reset type. The shift operating engineer must stay within 500 feet of the boiler room at all times during the shift.

Subp. 5. **Attendance; unoccupied plant.** This subpart applies to plants with individual boilers that are 51 to 500

Adopted Rules

horsepower located in an unoccupied plant. A high pressure boiler 51 to 500 horsepower may participate in the remote monitoring program if it complies with the requirements in items A to N.

C. ~~A properly licensed~~ An operating engineer must perform the remote monitoring. The boiler owner must develop a written policy for safe response time for each individual boiler. The ~~properly licensed operating~~ engineer must be able to respond to any of the safety concerns listed in item L within the safe response time specified in the policy.

D. The ~~properly licensed operating~~ engineer must visually observe the operating condition of the boiler and appurtenances in person and document the findings and conditions in the boiler room logbook, maintained pursuant to part 5225.1110, at least once every 24 hours.

E. When remotely monitoring high pressure boilers 51 to 500 horsepower, the ~~properly licensed operating~~ engineer must continuously monitor the following boiler conditions:

(11) a video camera providing a continuous live video feed of the burner, sight glass, and pressure gauge. The live video feed must be continuously available to the ~~properly licensed operating~~ engineer for remote viewing.

J. A diary must be maintained in the boiler room in a manner that prevents revisions, additions, or deletions. The diary must document, at a minimum, equipment start-up and shutdown times; equipment repairs; equipment inspections; equipment maintenance; equipment testing performed; and the name of the ~~properly licensed operating~~ engineer documenting these actions, inspections, and tests performed. The diary must be provided to a national board-commissioned inspector upon request.

K. The remote monitoring device and system must have a communication failure alarm. The ~~properly licensed operating~~ engineer must return to the boiler room immediately upon notification of a communication failure.

L. As recommended by the boiler manufacturer, the ~~licensed operating~~ engineer must establish a primary set point that triggers an alarm and a secondary set point that automatically shuts down the boiler. The primary set point must trigger an alarm if the boiler conditions fall outside of the boiler's normal operating conditions but are within an operating range in which the boiler is safe to operate temporarily. The secondary set point must trigger the boiler to automatically shut down when the boiler conditions are outside of safe operating conditions. The following items must have primary and secondary set points:

N. The water treatment specialist must establish a water treatment program that contains boiler water quality parameters. The specialist must monitor the program at least every 60 days by testing the boiler water and reviewing the operating engineer's test results. The ~~properly licensed operating~~ engineer must test and document the results of the boiler water at least every 24 hours. The test results must be provided to the specialist, the national board-commissioned inspector, or chief boiler inspector upon request. The boiler owner and ~~properly licensed operating~~ engineer are responsible for ensuring that the boiler meets all of the requirements of the remote monitoring program identified in subpart 5. If the boiler owner or operating engineer determines that the boiler fails to meet the requirements of the remote monitoring program at any time, the owner or engineer must immediately comply with the constant attendance requirements in subpart 3 until all deficiencies are corrected and restored to compliance with the remote monitoring program. All deficiencies and subsequent corrections must be documented by the operating engineer in the diary. If the chief boiler inspector or national board-commissioned inspector determines that the boiler fails to comply with the requirements of this subpart, the boiler is disapproved for the remote monitoring program and must begin immediate compliance with the constant attendance requirements identified in subpart 3. Reinstatement in the remote monitoring program is granted to the boiler owner by correcting the deficiency and obtaining verification of the correction from the national board-commissioned inspector. Evidence of the correction and verification must be submitted to the chief boiler inspector prior to reinstatement.

Official Notices

Pursuant to *Minnesota Statutes* §§ 14.101, an agency must first solicit comments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, and within 60 days of the effective date of any new statutory grant of required rulemaking.

The *State Register* also publishes other official notices of state agencies and non-state agencies, including notices of meetings and matters of public interest.

Department of Health

Division of Infectious Disease Epidemiology, Prevention and Control REQUEST FOR COMMENTS for Possible Amendments to Rules Governing Communicable Disease Reporting *Minnesota Rules*, Chapter 4605 Revisor's ID Number R4465

Subject of Rules. The Minnesota Department of Health (MDH) requests comments on its possible amendments to rules governing communicable disease reporting. This amendment will bring the requirements that govern clinical materials up to date to respond better to whatever the current environment is. It will eliminate unnecessary submissions and focus on only the submissions that the MDH needs when we need them. The Department is considering rule amendments that will do the following:

Add the term "submitter" to Minn. R. 4605.13, Definition. "Submitter" would mean a health care provider or laboratory that collects and submits clinical materials to the Minnesota Department of Health under this rule.

Add a new part that will allow the commissioner to modify clinical submission requirements if certain circumstances exist and the public's health is not at risk. The department is looking at the possible following circumstances:

- Laboratory testing methods or capabilities are not sufficient or adequate to determine the presence of a certain pathogen
- Surveillance needs change
- Evolving pathogen knowledge indicates that either the pathogen is no longer a concern or is of lesser concern than previously understood.

Persons Affected. The amendments to the rules would likely affect the following persons: health care providers, medical laboratories, medical examiners, hospitals, and the Minnesota general public.

Statutory Authority. *Minnesota Statutes*, section 144.12 subd. 1 authorizes the Commissioner of Health to adopt reasonable rules pursuant to chapter 14 for the preservation of the public health.

Public Comment. Interested persons or groups may submit comments or information on these possible rules in writing [or orally] until **4:30 p.m. on Monday, October 30, 2017**. The Department will not publish a notice of intent to adopt the rules until more than 60 days have elapsed from the date of this request for comments.

Rules Drafts. The Department has not yet prepared a draft of the possible rules amendments.

Agency Contact Person. Direct your written or oral comments or questions, and requests for more information on these possible rule changes to: Patricia Segal Freeman, P.O. Box 64975, St. Paul, MN 55164-00975, phone: (651) 201-5414, 1 (877) 676-5414; fax: (651) 201-5501; and email: commdisrule@state.mn.us; MDH will also post information on the Department's website at <http://www.health.state.mn.us/divs/idepc/dtopics/reportable/rule/process/>

Alternative Format. Upon request, this information can be made available in an alternative format, such as large print, braille, or audio. To make such a request, please contact the agency contact person at the address or telephone number listed above.

Official Notices

NOTE: Comments received in response to this notice will not necessarily be included in the formal rulemaking record submitted to the administrative law judge if and when a proceeding to adopt rules is started. The agency is required to submit to the judge only those written comments received in response to the rules after they are proposed. If you submitted comments during the development of the rules and you want to ensure that the Administrative Law Judge reviews the comments, you should resubmit the comments after the rules are formally proposed.

Department of Human Services (DHS) Economic Assistance and Employment Supports Division MFIP Transitional Standard with Supplemental Nutrition Assistance Program (SNAP) Cost of Living (COLA) Adjustment for October 1, 2017

Minnesota Statute 256J.24, Subd. 5a requires the Commissioner of Human Services to adjust the food portion of the Minnesota Family Investment Program (MFIP) Transitional Standard on October 1 of each year to reflect the COLA to the Supplemental Nutrition Assistance Program (SNAP). The statute also requires the Commissioner to annually publish the adjusted Transitional Standard for assistance unit sizes one to ten. The Transitional Standard consists of a cash and food portion. The MFIP Transitional Standard and cash and food portions effective October 1, 2017 are listed below.

Family Size	1	2	3	4	5	6	7	8	9	10	Over 10
Transitional Standard	\$420	\$750	\$984	\$1,198	\$1,384	\$1,594	\$1,736	\$1,917	\$2,096	\$2,270	\$172

Department of Human Services (DHS) Health Care Administration Public Notice Regarding Changes to Payment Rates and Methodologies, and Services Under the Medical Assistance (MA) Program

This notice is published pursuant to Code of Federal Regulations, title 42, part 447, section 205 (42 C.F.R. § 447.205), which requires publication of a notice when there is any significant proposed change in the methods and standards for setting payment rates for Medicaid services.

This notice corrects an error in the June 26, 2017, edition of the State Register describing payment rates for inpatient hospital services. The June 26 notice incorrectly described the policy adjustment factor for “obstetrics-other.” The notice said, “A policy adjustment factor of 1.35 will be applied for services received in a hospital located outside the seven-county metro area; a policy adjustment factor of 1.15 will be applied for services received in a hospital located within the seven-county metro area.”

Effective July 1, 2017, the policy adjustment factor for obstetrics-other is equal to 1.15 for all providers, regardless of geographic location.

For more information, or questions about submitting or reviewing comments, please contact Sean Barrett at 651-431-2298 or sean.barrett@state.mn.us. Comments may also be mailed to Sean Barrett at P.O. Box 64983, St Paul, MN 55164. Copies of this notice, and any comments received, may be reviewed by appointment at the Elmer L. Anderson Human Services building located at 540 Cedar St, St Paul, MN 55101.

Executive Council, State Board of Investment and the Land Exchange Board Meeting Notice

The Executive Council, State Board of Investment and the Land Exchange Board will meet on **Friday, September 8, 2017 at 10:00 A.M.** in G23 Senate Committee Room, State Capitol, 75 Rev. Dr. Martin Luther King Jr. Boulevard, St. Paul, MN.

Some members of the Executive Council, State Board of Investment and Land Exchange Boards may participate in the meeting electronically. If a Board Member calls in, in accordance with Minnesota Statutes, section 13D.015, subd. 4, the Executive Council, State Board of Investment and Land Exchange Board shall, to the extent practical, allow a person to monitor the meeting electronically from a remote location. The person making a connection may be required to pay for documented marginal costs that the entity incurs as a result of the additional connection.

Minnesota Board of Optometry

REQUEST FOR COMMENTS for Possible Amendments to and Repeals of Rules Relating to the Practice of Optometry, Chapter 6500; Making Technical Changes; Revisor's ID Number RD4441

Subject of Rules. The Minnesota Board of Optometry requests comments on its possible amendments to and repeal of rules governing the practice of optometry. The Board is considering rule amendments and repealing its rules to update the rules with current terminology and to reflect more accurately current statutes and Board; to clarify and provide more guidance as to minimum standards for recordkeeping; to increase the jurisprudence examination passing score; and to create a comprehensive continuing education rule with all relevant subparts under one rule.

Persons Affected. The amendments to and repeal of the rules would likely affect optometrists licensed by the Board, future applicants to the Board, providers of optometric continuing education, and the general public.

Statutory Authority. *Minnesota Statutes*, sections 148.53 and 214.06 authorize the Board to adopt rules necessary to administer and enforce sections 148.52 through 148.62. *Minnesota Statutes*, section 145.714, authorizes the Board to enforce the Minnesota Contact Lens Prescription Act, *Minnesota Statutes*, sections 145.711 to 145.714.

Public Comment. Interested persons or groups may submit comments or information on these possible rules in writing until 4:30 p.m. on October 27, 2017. The Board will not publish a notice of intent to adopt the rules until more than 60 days have elapsed from the date of this request for comments. The Board does not plan to appoint an advisory committee to comment on the possible rules.

Rules Drafts. The Board has drafted the possible rules amendments and repeals.

Agency Contact Person. Written comments, questions, requests to receive a draft of the rules, and requests for more information on these possible rules should be directed to: Randy Snyder, Executive Director, Minnesota Board of Optometry, 2829 University Avenue SE, Suite 403, Minneapolis, MN 55414, (651) 201-2762, randy.snyder@state.mn.us. A copy of the current draft is available on the board website at <http://mn.gov/health-licensing-boards/optometry/>

Alternative Format. Upon request, this information can be made available in an alternative format, such as large print, Braille, or audio. To make such a request, please contact the agency contact person at the address or telephone number listed above.

NOTE: Comments received in response to this notice will not necessarily be included in the formal rulemaking record submitted to the administrative law judge if and when a proceeding to adopt rules is started. The agency is required to submit to the judge only those written comments received in response to the rules after they are proposed. If you submitted comments during the development of the rules and you want to ensure that the Administrative Law Judge reviews the comments, you should resubmit the comments after the rules are formally proposed.

Dated: August 22, 2017

Randy Snyder, Executive Director
Minnesota Board of Optometry

State Grants & Loans

In addition to requests by state agencies for technical/professional services (published in the State Contracts Section), the *State Register* also publishes notices about grants and loans available through any agency or branch of state government. Although some grant and loan programs specifically require printing in a statewide publication such as the State Register, there is no requirement for publication in the *State Register* itself. Agencies are encouraged to publish grant and loan notices, and to provide financial estimates as well as sufficient time for interested parties to respond.

Office of Rural Health and Primary Care

Notice of Grant Opportunity to Improve Minnesota's Clinic-based Safety Net Providers

The Minnesota Department of Health, Office of Rural Health and Primary Care (ORHPC) is seeking applications from eligible community clinics through the Community Clinic Grant Program. The purpose of these grants is to improve the ongoing viability of Minnesota's clinic-based safety net providers. Grants help support the capacity of eligible organizations to plan, establish or operate clinical services for populations with low income

The level of funding for the community clinic grant program is approximately \$561,000 for fiscal year 2018. An eligible community clinic means a nonprofit clinic, government entity, Indian tribal government or Indian health service unit; or a consortium of these entities. Applicants must provide or plan to provide clinical services and use a sliding fee scale or other procedure to determine eligibility for charity care or to ensure that no person will be denied services because of inability to pay. The Office of Rural Health and Primary Care expects that successful applicants will be able to begin their grant projects by April 2018.

Because of limited funding, applicants will be required to submit pre-applications and only the strongest of these will be invited to submit a final application. Prospective applicants who have questions may contact Debra Jahnke at 651-201-3845 or 800-366-5424 or at debra.jahnke@state.mn.us.

Copies of the complete Pre-Application Guidance and the Final Application Guidance, including required forms, are available to download from the ORHPC website at <http://www.health.state.mn.us/divs/orhpc/funding/index.html#community>. Pre-Applications must be received by ORHPC by 3:00 PM on October 30, 2017. Final Applications must be received by ORHPC by **3:00 PM on January 18, 2018**. Applications postmarked prior to these dates but not received by ORHPC by the stated deadline will be considered late. Late applications will not be considered for review.

State Contracts

Informal Solicitations: Informal solicitations for professional/technical (consultant) contracts valued at over \$5,000 through \$50,000, may either be published in the *State Register* or posted on the Department of Administration, Materials Management Division's (MMD) Web site. Interested vendors are encouraged to monitor the P/T Contract Section of the MMD Website at www.mmd.admin.state.mn.us for informal solicitation announcements.

Formal Solicitations: Department of Administration procedures require that formal solicitations (announcements for contracts with an estimated value over \$50,000) for professional/technical contracts must be published in the *State Register*. Certain quasi-state agency and Minnesota State College and University institutions are exempt from these requirements.

Requirements: There are no statutes or rules requiring contracts to be advertised for any specific length of time, but the Materials Management Division strongly recommends meeting the following requirements: \$0 - \$5000 does not need to be advertised. Contact the Materials Management Division: (651) 296-2600 \$5,000 - \$25,000 should be advertised in the *State Register* for a period of at least seven calendar days; \$25,000 - \$50,000 should be advertised in the *State Register* for a period of at least 14 calendar days; and anything above \$50,000 should be advertised in the *State Register* for a minimum of at least 21 calendar days.

Minnesota State Colleges and Universities (Minnesota State) Request for Proposal (RFP) for Consulting Services for ERP Solution Selection

Background

Minnesota State Colleges and Universities (Minnesota State) is the fifth-largest system of higher education in the United States. It is comprised of 37 two-year and four-year state colleges and universities with 54 campuses located in 47 Minnesota communities. Minnesota State serves approximately 430,000 students and over 16,000 employees each year. Minnesota State is a state entity that is governed by a 15 member Board of Trustees. The law creating the system was passed by the Minnesota Legislature in 1991 and went into effect July 1, 1995. The law merged the state's community colleges, technical colleges and state universities into one system, excluding the University of Minnesota campuses. For

more information about Minnesota State Colleges and Universities, please view its website at www.minnstate.edu.

Minnesota State currently uses an internally developed Enterprise Resource Planning (ERP) system created by Minnesota State's Information Technology Services division and its constituent partners. This ERP system is herein referred to as Integrated Statewide Record System (ISRS). ISRS was developed more than 20 years ago with upgrades made over time. ISRS provides support for students as well as finance and human resource functions for the colleges and universities in the Minnesota State system. ISRS has been highly customized to accommodate various business practices across all colleges, universities, and System Office, and interfaces with other state of Minnesota systems.

Minnesota State's vision is to acquire an ERP system that supports all aspects of serving students, including HR and Finance, to improve student experiences with Minnesota State. In addition, Minnesota State must have common practices in finance, human resources, and academic and student affairs for all colleges and universities that will accommodate each campus' continued functioning while allowing for seamless consolidation for audits, required reporting, analytics, and other management needs.

Minnesota State desires to hire consulting services to assess and analyze the business processes currently used throughout Minnesota State with ISRS; to develop an RFP for a modern higher education ERP; to assist staff in the selection of a vendor for a higher education ERP system, and to be the strategic partner throughout the implementation of a new ERP system that will ultimately better serve student engagement, student experience, and student success.

Nature of RFP

Minnesota State requests proposals for professional services to lead Minnesota State in the planning and requirements gathering phases for the ERP replacement project. These services are summarized in four projects that include:

- Project A: Business Process Review for Finance/Human Resources
- Project B: Business Process Review for Academic Student Affairs
- Project C: RFP creation and evaluation services for an ERP solution
- Project D: Strategic Implementation Leader Services that will manage the implementation of the chosen ERP system.

Interested vendors may respond to one, multiple, or all projects. Minnesota State will individually evaluate responses for each project. Vendor responses may call out milestones, deliverables and / or requirements that are not mentioned / missing or excluded within the scope of deliverables which the vendor deems critical to the success of the project.

General Selection Criteria for All Projects A, B, C and D

General criteria upon which proposals will be evaluated include, but are not limited to, the following:

- Ability to lead business process review and redesign of higher education operating practices, procedures, forms, and process flows by applying continuous improvement strategies and efficiencies, or other similarly accepted industry standard management efficiency theory.
 - Ability to develop business requirements documents, flow charts, diagrams, statistical models and graphical representations of business processes, and business operations
 - Ability to interpret process interfaces with other state agencies and all other external stakeholder partners during definition, design, development, testing, documentation, quality assurance, and implementation of business processes.
 - Ability to define functional and technical system requirements related to ERP implementation
 - Ability to attain compromise and consensus from groups with differing opinions and objectives.
 - Knowledge of modern electronic concepts in information technology such as web applications, cloud computing, reporting and knowledge of application interfaces and data exchange concepts.
 - Ability to provide qualified professional services to assist in the RFP process for an ERP solution
 - Ability to attain compromise and consensus from groups with differing opinions and objectives.

Minnesota IT Services (MNIT) and Department of Employment and Economic Development (DEED) Notice of Request for Proposal (RFP) for Minnesota Workforce Innovation

Purpose

The purpose of this Request for Proposal ("RFP") is to solicit proposals from organizations to provide a web-based collaborative platform for the Department of Employment and Economic Development ("DEED"), using the awarded Workforce Innovation Fund ("WIF") grant. Minnesota IT Services ("MNIT") in their partnership with DEED is requesting that respondents provide the solution as well as the necessary resources to perform the work requested.

Description of Work to Be Performed

Our web-based collaborative platform, created using a "no wrong door" approach, will be a virtual convener of partnerships, programs, services, and training resources.

As an integrator of technology solutions, the web-based collaborative platform will unify branding and simplify how DEED delivers digital services for Job Seekers, Employers, Workforce System Staff, and Community Partners.

Our web-based collaborative platform will enable outcomes including, but not limited to:

- Secure, accessible, responsive and mobile-friendly platform that improves the digital experience for users with access anytime, anywhere, on any device

- Easy to use and innovative platform that centralizes how program, service, and/or training resources are accessed in a virtual environment
- Integration with DEED's applications, systems, and tools, i.e. Minnesota's online state labor exchange, Labor Market Information ("LMI") data tools and data sources, DEED's Communication related tools and technologies, etc.
- Integration with social media channels and strategies to improve information distribution, and resource sharing
- Business Intelligence (BI) and Analytic capabilities (to support various types of data, provide the ability to analyze usage, to enable searching and reporting, dashboard or scoreboard functionality, etc.)
- Content management and content marketing capabilities
- Innovation is the driving force for all components of the web-based collaborative platform (innovative technologies, innovative applications, usage, etc.)

The entire Request for Proposals can be viewed in SWIFT – please see direction below:
