Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact Minnesota's Bookstore, 660 Olive Street (one block east of I-35E and one block north of University Ave), St. Paul, MN 55155, phone: (612) 297-3000, or toll-free 1-800-657-3757. Proposed Rules

Comments on Planned Rules or Rule Amendments. An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, and within 60 days of the effective date of any new statutory grant of required rulemaking.

Rules to be Adopted After a Hearing. After receiving comments and deciding to hold a public hearing on the rule, an agency drafts its rule. It then publishes its rules with a notice of hearing. All persons wishing to make a statement must register at the hearing. Anyone who wishes to submit written comments may do so at the hearing, or within five working days of the close of the hearing. Administrative law judges may, during the hearing, extend the period for receiving comments up to 20 calendar days. For five business days after the submission period the agency and interested persons may respond to any new information submitted during the written submission period and the record then is closed. The administrative law judge prepares a report within 30 days, stating findings of fact, conclusions and recommendations. After receiving the report, the agency decides whether to adopt, withdraw or modify the proposed rule based on consideration of the comments made during the rule hearing procedure and the report of the administrative law judge. The agency must wait five days after receiving the report before taking any action.

Rules to be Adopted Without a Hearing. Pursuant to *Minnesota Statutes* § 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing. An agency must first solicit **Comments on Planned Rules** or **Comments on Planned Rule Amendments** from the public. The agency then publishes a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.1414.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the *State Register*.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **Adopted Rules** - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

Introduction. The Department of Education intends to adopt rules without a public hearing following the procedures in the rules of the Office of Administrative Hearings, *Minnesota Rules*, parts 1400.2300 to 1400.2310, and the Administrative Procedure Act, *Minnesota Statutes*, sections 14.22 to 14.28. To find out whether the Department will adopt the rules without a hearing or if it will hold the hearing, you should contact the agency contact person after February 12, 2020 and before March 2, 2020.

Agency Contact Person. Submit any comments or questions on the rules or written requests for a public hearing to the agency contact person. The agency contact person is: Kerstin Forsythe at the Minnesota Department of Education, 1500 Highway 36, Roseville MN 55113; (651) 582-8583; Kerstin.forsythe@state.mn.us.

Proposed Rules

You may also review the proposed rule and submit written comments via the **Office of Administrative Hearings Rulemaking eComments website** <https://minnesotaoah.granicusideas.com/discussions>.

Subject of Rules and Statutory Authority. The proposed rules are about the K-12 Standards in the Arts. The statutory authority to adopt the rules is *Minnesota Statutes*, section 120B.02, subd. 1. Other relevant statutes include *Minnesota Statutes*, sections 120B.021, subd. 1 and 3, and 120B.023. A copy of the proposed rules is published in the *State Register* and attached to this notice as mailed.

Comments. You have until 4:30 p.m. on Wednesday, February 12, 2020, to submit written comment in support of or in opposition to the proposed rules or any part or subpart of the rules. Your comment must be in writing and received by the agency contact person by the due date. Comment is encouraged. Your comments should identify the portion of the proposed rules addressed, the reason for the comment, and any change proposed. You are encouraged to propose any change that you desire. Any comments that you have about the legality of the proposed rules must also be made during this comment period.

Public Data. Note: Comments submitted during formal rulemaking proceedings are public government data. This means that any member of the public can request to see the information. It is a violation of the Minnesota Government Data Practices Act to share private data about a third party without their permission. Please only submit comments that include personal information about yourself or your minor child(ren) that you are comfortable being classified as public data.

Request for a Hearing. In addition to submitting comments, you may also request that the Department hold a hearing on the rules. You must make your request for a public hearing in writing, which the agency contact person must receive by 4:30 p.m. on Wednesday, February 12, 2020. You must include your name and address in your written request. In addition, you must identify the portion of the proposed rules that you object to or state that you oppose the entire set of rules. Any request that does not comply with these requirements is not valid and the agency cannot count it when determining whether it must hold a public hearing. You are also encouraged to state the reason for the request and any changes you want made to the proposed rules.

Withdrawal of Requests. If 25 or more persons submit a valid written request for a hearing, the Department will hold a public hearing unless a sufficient number of persons withdraw their requests in writing. If enough requests for hearing are withdrawn to reduce the number below 25, the agency must give written notice of this to all persons who requested a hearing, explain the actions the agency took to effect the withdrawal, and ask for written comments on this action. If a public hearing is required, the agency will follow the procedures in *Minnesota Statutes*, sections 14.131 to 14.20.

Alternative Format/Accommodation. Upon request, this information can be made available in an alternative format, such as large print, braille, or audio. To make such a request or if you need an accommodation to make this hearing accessible, please contact the agency contact person at the address or telephone number listed above.

Modifications. The Department might modify the proposed rules, either as a result of public comment or as a result of the rule hearing process. It must support modifications by data and views submitted to the agency or presented at the hearing. The adopted rules may not be substantially different than these proposed rules unless the Department follows the procedure under *Minnesota Rules*, part 1400.2110. If the proposed rules affect you in any way, the Department encourages you to participate in the rulemaking process.

Cancellation of Hearing. The Department will cancel the hearing scheduled for March 2, 2020, if the agency does not receive requests for a hearing from 25 or more persons. If you requested a public hearing, the agency will notify you before the scheduled hearing whether the hearing will be held. You may also call the agency contact person at (651) 582-8583 after February 12, 2020, to find out whether the hearing will be held.

Notice of Hearing. If 25 or more persons submit valid written requests for a public hearing on the rules, the Department will hold a hearing following the procedures in *Minnesota Statutes*, sections 14.131 to 14.20. The Department

Proposed Rules

will hold the hearing on the date and at the time and place listed above. The hearing will continue until all interested persons have been heard. Administrative Law Judge Jim Mortenson is assigned to conduct the hearing. Judge Mortenson's Legal Assistant Lisa Armstrong can be reached at the Office of Administrative Hearings, 600 North Robert Street, P.O. Box 64620, Saint Paul, Minnesota 55164-0620, telephone (651) 361-7888, and fax (651) 539-0310 or lisa.armstrong@state.mn.us.

Hearing Procedure. If the Department holds a hearing, you and all interested or affected persons, including representatives of associations or other interested groups, will have an opportunity to participate. You may present your views either orally at the hearing or in writing at any time before the hearing record closes. All evidence presented should relate to the proposed rules. You may also submit written material to the Administrative Law Judge to be recorded in the hearing record for five working days after the public hearing ends. At the hearing the Administrative Law Judge may order that this five-day comment period is extended for a longer period but not more than 20 calendar days. Following the comment period, there is a five-working-day rebuttal period when the agency and any interested person may respond in writing to any new information submitted. No one may submit new evidence during the five-day rebuttal period.

All post-hearing comments and responses must be submitted to the Administrative Law Judge no later than 4:30 p.m. on the due date. The Office of Administrative Hearings strongly encourages all persons submitting comments and responses to do so using the Administrative Hearings' Rulemaking eComments website <https://minnesotaoah.granicusideas.com/discussions>. If using the eComments website is not possible, you may submit post-hearing comments in person, via United States mail, or by facsimile addressed to Judge Mortenson at the address or facsimile number listed in the Notice of Hearing section above.

All comments or responses received will be available for review at the Minnesota Department of Education or on the agency's arts standards rulemaking website at <https://education.mn.gov/MDE/about/rule/rule/arts/>. This rule hearing procedure is governed by *Minnesota Rules*, parts 1400.2000 to 1400.2240, and *Minnesota Statutes*, sections 14.131 to 14.20. You may direct questions about the procedure to the Administrative Law Judge.

Statement of Need and Reasonableness. The statement of need and reasonableness summarizes the justification for the proposed rules, including a description of who will be affected by the proposed rules and an estimate of the probable cost of the proposed rules. It is now available from the agency contact person. You may review or obtain copies for the cost of reproduction by contacting the agency contact person. The SONAR is also available on the agency's rulemaking website here: <https://education.mn.gov/MDE/about/rule/rule/arts/>.

Lobbyist Registration. *Minnesota Statutes*, chapter 10A, requires each lobbyist to register with the State Campaign Finance and Public Disclosure Board. Ask any questions about this requirement of the Campaign Finance and Public Disclosure Board at: Suite #190, Centennial Building, 658 Cedar Street, St. Paul, Minnesota 55155, telephone (651) 539-1180 or 1-800-657-3889.

Adoption Procedure if No Hearing. If no hearing is required, the agency may adopt the rules after the end of the comment period. The Department will submit the rules and supporting documents to the Office of Administrative Hearings for a legal review. You may ask to be notified of the date the rules are submitted to the office. If you want to receive notice of this, to receive a copy of the adopted rules, or to register with the agency to receive notice of future rule proceedings, submit your request to the agency contact person listed above.

Adoption Procedure after a Hearing. If a hearing is held, after the close of the hearing record, the Administrative Law Judge will issue a report on the proposed rules. You may ask to be notified of the date that the Administrative Law Judge's report will become available, and can make this request at the hearing or in writing to the Administrative Law Judge. You may also ask to be notified of the date that the agency adopts the rules and the rules are filed with the Secretary of State by requesting this at the hearing or by writing to the agency contact person stated above.

Order. I order that the rulemaking hearing be held at the date, time, and location listed above.

Date: 1/2/2020

Minnesota Department of Health

Proposed Expedited Amendments to Permanent Rules Relating to Health Care Quality Measures; Notice of Intent to Adopt Expedited Rules without a Public Hearing

Proposed Expedited Amendments to Permanent Rules Relating to Health Care Quality Measures, *Minnesota Rules*, Chapter 4654; Revisor's ID Number 4627

Introduction. The Department of Health intends to adopt rules under the expedited rulemaking process following the rules of the Office of Administrative Hearings, *Minnesota Rules*, 1400.2410, and the Administrative Procedure Act, *Minnesota Statutes*, section 14.389. You may submit written comments on the proposed expedited rules until February 12, 2020.

Agency Contact Person. Interested persons or groups must submit comments or questions on the rules to: Denise McCabe at Minnesota Department of Health, P.O. Box 64882, St. Paul, MN 55164-0882, phone (651) 201-3550, fax (651) 201-5179, and health.sqrms@state.mn.us.

Subject of the Expedited Rules and Statutory Authority. The Minnesota Department of Health adopted *Minnesota Rules*, Chapter 4654, in December 2009 to implement part of the comprehensive 2008 state health reform law. The Department has amended the chapter annually, except for 2018. That year, it did not make significant changes to reporting requirements for physician clinics and hospitals for the 2019 reporting year and issued technical guidance instead. Consistent with *Minnesota Statutes*, section 62U.02, these rules established a standardized set of quality measures that the Department uses to assess the quality of services offered by health care providers. These measures include the specific details for the data that physician clinics and hospitals must submit annually to the Minnesota Department of Health or to the Commissioner's designee for public reporting. The rules also specify:

- requirements for physician clinics and hospitals to submit quality data to the Minnesota Department of Health or its designee;
- obligations for physician clinics and hospitals to cooperate with data validation procedures;
- a restriction on health plans prohibiting them from requiring providers to use and report data on quality measures not included in the standardized set; and
- annual review by the Minnesota Department of Health of existing quality measures and evaluation and adoption of new measures into the standardized set.

The Commissioner is required to review the adopted quality measures annually and propose any additions, deletions, or modifications annually through expedited rulemaking. Consequently, the Commissioner is proposing several amendments to the existing rules, including its appendices:

- an updated reference to the appendices incorporated into the rule by reference in Part 4654.0800;
- the removal of the Total Knee Replacement, Lumbar Fusion, and Lumbar Discectomy/Laminotomy outcome

Expedited Rules

- measures for physician clinics;
- the removal of Admit Decision Time to Emergency Departure Time for Admitted Patients Overall Rate, and Head CT or MRI Scan Results for Acute Ischemic Stroke or Hemorrhagic Stroke Patients who Received Head CT or MRI Scan Interpretation Within 45 Minutes of Arrival measures for critical access hospitals;
