Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact Minnesota's Bookstore, 660 Olive Street (one block east of I-35E and one block north of University Ave), St. Paul, MN 55155, phone: (612) 297-3000, or toll-free 1-800-657-3757. Executive Orders

The governor has the authority to issue written statements or orders, called Executive Orders. as well as Emergency Executive Orders. The governor's authority is specified in the Constitution of the State of Minnesota, Article V, and in *Minnesota Statutes* § 4.035. Emergency Executive Orders, for protection from an imminent threat to health and safety, become effective immediately, are filed with the secretary of state, and published in the *State Register* as soon as possible after they are issued. Other Executive Orders become effective 15 days after publication in the *State Register* and filing with the secretary of state. Unless otherwise specified, an executive order expires 90 days after the date the governor who issued the order vacates office.

Office of the Governor

Emergency Executive Order 20-90: Providing Public Safety Assistance during Vice Presidential Visit

I, Tim Walz, Governor of the State of Minnesota, by the authority vested in me by the Constitution and applicable statutes, issue the following Executive Order:

The Vice President of the United States has indicated his intention to visit the City of Minneapolis today, September 24, 2020. Yesterday, protests related to the killing of Breonna Taylor took place in cities across the country, including in the City of Minneapolis and in nearby communities. The Vice President's visit and continued concern related to the Breonna Taylor matter are likely to prompt public demonstrations and civil unrest.

The Mayor of Minneapolis has requested assistance from the State, including the Minnesota National Guard, to assist with public safety and security and to help respond to potential civil unrest. The National Guard can supplement local law enforcement efforts to keep the peace, ensure public safety, and allow for peaceful demonstrations. Based upon my earlier verbal orders, the National Guard has already begun preparations, but deployment of the necessary units requires activation to state service.

The State Emergency Operations Center ("SEOC") is currently activated for the COVID-19 response and has implemented the Minnesota Emergency Operations Plan. State agencies are providing assistance to local governments. The SEOC will concurrently support both the COVID-19 response and assistance needed by the City of Minneapolis and nearby communities.

For these reasons, I order as follows:

1. The Adjutant General will order to state active duty on September 24, 2020 the personnel, equipment, and facilities needed to provide public safety services and security assistance in the City of Minneapolis and nearby communities.

2. The Adjutant General is authorized to procure the goods and services needed to accomplish the mission.

3. The Department of Public Safety's Division of Homeland Security and Emergency Management will continue to coordinate the provision of on-site support and assistance to affected local units of government and assess the need for supplementary emergency assistance.

4. State agencies, in cooperation with appropriate federal agencies, will provide assistance to local units of government.

5. The costs of this assistance will be paid from the general fund as allowed by Minnesota Statutes 2019, section 192.52.

This Executive Order is effective immediately under Minnesota Statutes 2019, section 4.035, subdivision 2. It

remains in effect until such date as National Guard resources are no longer required.

A determination that any provision of this Executive Order is invalid will not affect the enforceability of any other provision of this Executive Order. Rather, the invalid provision will be modified to the extent necessary so that it is enforceable.

Signed on September 24, 2020.

Tim Walz
Governor

PROJECT NAME: Targeted Housing Services for High Risk Individuals Transitioning from Prison to Hennepin & Ramsey Counties

DETAILS: The Minnesota Department of Corrections (DOC) is seeking proposals to provide transitional and/or emergency housing, coordination of rental assistance and/or subsidies, and to create and sustain long-term lease/rental agreements and partnerships with landlords for higher risk individuals releasing from targeted Minnesota Department of Correction's ("DOC") correctional facilities, including all levels of predatory offenders, who are returning to Hennepin and Ramsey counties.
