Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Proposed Rules

Comments on Planned Rules or Rule Amendments. An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, and within 60 days of the effective date of any new statutory grant of required rulemaking.

Rules to be Adopted After a Hearing. After receiving comments and deciding to hold a public hearing on the rule, an agency drafts its rule. It then publishes its rules with a notice of hearing. All persons wishing to make a statement must register at the hearing. Anyone who wishes to submit written comments may do so at the hearing, or within five working days of the close of the hearing. Administrative law judges may, during the hearing, extend the period for receiving comments up to 20 calendar days. For five business days after the submission period the agency and interested persons may respond to any new information submitted during the written submission period and the record then is closed. The administrative law judge prepares a report within 30 days, stating findings of fact, conclusions and recommendations. After receiving the report, the agency decides whether to adopt, withdraw or modify the proposed rule based on consideration of the comments made during the rule hearing procedure and the report of the administrative law judge. The agency must wait five days after receiving the report before taking any action.

Rules to be Adopted Without a Hearing. Pursuant to *Minnesota Statutes* § 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing. An agency must first solicit **Comments on Planned Rules** or **Comments on Planned Rule Amendments** from the public. The agency then publishes a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.1414.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the *State Register*.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **Adopted Rules** - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

Minnesota Bureau of Mediation Services

DUAL NOTICE In the Matter of the Proposed Permanent Rules Relating to the Minnesota Labor Relations Act and the Public Employment Labor Relations Act; Notice of Intent to Adopt Rules Without a Public Hearing, and Notice of Hearing if 25 or More Persons Request a Hearing; Revisor's ID No. R-4677; OAH Docket No. 82-9047-37318

What is this notice?

1. **Proposed rules.** The Minnesota Bureau of Mediation Services (bureau) intends to adopt rules without a public hearing under Minnesota Rules, parts 1400.2300 and 1400.2310, and Minnesota Statutes, section 14.225. But if 25 or more persons submit a written request for a hearing by 4:30 p.m. on January 24, 2022, the bureau will hold a public hearing online via WebEx. The proposed rules amend the following rule chapters: 5500, 5505, 5510, 5530, and 7315.

2. **Rule hearing.** If there is a hearing, an administrative law judge from the Office of Administrative Hearings (OAH) will conduct the hearing starting at 9:00 a.m. on Tuesday, February 8, 2022. The hearing will last until everyone who wants to comment has had the chance to do so or until the administrative law judge adjourns it.

To find out whether the bureau will adopt the rules without a hearing or if it will hold a hearing, you should contact Ian Lewenstein after January 24, 2022, and before February 8, 2022. A hearing is governed according to Minnesota Rules, parts 1400.2200 to 1400.2240, and Minnesota Statutes, sections 14.131 to 14.20.

What are the rules about?

1. **New and amended rules.** The proposed rules affect the bureau's requirements implementing the Minnesota Labor Relations Act and the Public Employment Labor Relations Act, Minnesota Statutes, chapters 179 and 179A, respectively. To improve the rules, the bureau seeks to:

   - update obsolete, duplicative, and unnecessary language;
   - allow for more-diverse arbitration rosters;
   - make changes to reflect current bureau practice, including allowing for electronic filing and virtual hearings;
   - add basic training requirements for peace-officer discipline-grievance arbitrators as authorized under the Minnesota Police Accountability Act; and
   - make style-and-form and plain-language changes to make it easier for the public to read and comply with the bureau's rules.

2. **Repealed rules.** Part of the bureau's amendments including repealing Minnesota Rules, parts:

   - 5500.0400; 5500.0600; 5500.1100, subparts 2 to 8; 5500.1200; and 5500.1500;
   - 5510.0310, subparts 4 and 21; 5510.0510, subpart 5; 5510.1410; 5510.1510; 5510.1610; 5510.1710; 5510.2710, subparts 2 and 3; and 5510.5190;
   - 5530.0300, subparts 5, 8, 9, and 12; 5530.0600, subpart 3; 5530.0900, subpart 7; 5530.1000; and 5530.1200, subparts 4 and 6; and
   - 7315.1000; 7315.2100, subpart 3; 7315.2400; 7315.2500; 7315.2600; 7315.2700; 7315.2800; and 7315.2900.

3. **Free rule copy.** A free copy of the rule is available upon request to Ian Lewenstein, on the bureau's ***website*** (***https://mn.gov/bms/***), or on the **OAH Rulemaking *eComments website*** (***https://minnesotaoah.granicusideas.com***).

What is the bureau's statutory authority?

The bureau has the statutory authority to amend and adopt rules under Minnesota Statutes, sections:

- 179.02, subdivisions 3 and 4;
- 179.82, subdivision 2;
- 179A.04, subdivision 3, paragraph (a), clauses (6) and (8);
- 179A.16, subdivision 7; and
- 626.892, subdivision 10, paragraph (a).

What is the Statement of Need and Reasonableness?

In the Statement of Need and Reasonableness (SONAR), the bureau justifies why the proposed rules are needed to update the bureau's procedures affecting its stakeholders—including public employers and employees—and how the bureau's proposed changes are reasonable. The bureau also describes who the rules will affect and estimates the rules' probable cost. The SONAR is now available upon request to Ian Lewenstein, on the bureau's ***website*** (***https://mn.gov/bms/***), or on the **OAH Rulemaking *eComments website*** (***https://minnesotaoah.granicusideas.com***). You may review the SONAR or get a copy by contacting Ian Lewenstein.

How can I comment on the rule?

1. **How and when to comment.** You have until 4:30 p.m. on January 24, 2022, to comment—supporting or opposing—on the proposed rules, including any specific rule part. **Comments on the rule or requests for a public hearing must be submitted via the OAH Rulemaking *eComments website*** (***https://minnesotaoah.granicusideas.com***). If you cannot use the eComments website, you may submit comments in person, via US mail, or by facsimile addressed to Judge Case at the Office of Administrative Hearings, 600 North Robert Street, PO Box 64620, St. Paul, Minnesota 55164-0620, or fax (651) 539-0310.
2. **Public comment is encouraged.** The bureau strongly encourages public comment—especially if the proposed rules affect you—and your comments should identify which rule part you are commenting on, the reason for the comment, and any proposed change. Any comments that you have about the legality of the proposed rules must also be made during the comment period.

How can I request a hearing?

1. **Requirements for requesting a hearing.** In addition to submitting comments, you may also request that the bureau hold a hearing on the rules. You must make your request for a public hearing by 4:30 p.m. on January 24, 2022. You must include your name and address in your request and identify the portion of the proposed rules that you object to or state that you oppose the entire rule. Any request that does not comply with these requirements is invalid and does not count as a request for hearing. You are also encouraged to state why you are requesting a hearing and any changes that you want made to the proposed rules.

2. **If the hearing is canceled.** The bureau will cancel the hearing if the bureau does not receive enough valid hearing requests. If you requested a hearing and the hearing is canceled, the bureau will notify you. You may also contact Ian Lewenstein or go to the bureau's ***website*** (***https://mn.gov/bms/***) after January 24, 2022, to find out if the hearing has been canceled.

3. **If hearing requests are withdrawn.** If enough requests for hearing are withdrawn to reduce the number of hearing requests below 25, the bureau must give written notice to all persons who requested a hearing and explain that enough persons have withdrawn their hearing requests. The bureau's notice on withdrawing requests must comply with additional requirements under Minnesota Statutes, section 14.25, subdivision 2.

Can the bureau modify the proposed rules after this notice is published?

The bureau may modify the proposed rules because of public comment, the hearing process, or as otherwise needed to comply with the Administrative Procedure Act. The bureau must support modifications with information or evidence, including public comments sent to the bureau or presented at the hearing. Unless the bureau follows the procedure under Minnesota Rules, part 1400.2110, the adopted rules may not be substantially different than the proposed rules.

What happens if there is a hearing?

If 25 or more persons submit valid written requests for a public hearing, the bureau will hold a hearing as specified in the introduction. If you requested a public hearing, the bureau will notify you before the scheduled hearing. You may also contact Ian Lewenstein or go to the bureau's ***website*** (***https://mn.gov/bms/***) after January 24, 2022, to find out if the hearing will be held.

Who conducts the hearing?

Administrative Law Judge Case will conduct the hearing. Judge Case can be reached at the Office of Administrative Hearings, 600 North Robert Street, PO Box 64620, St. Paul, Minnesota 55164-0620, (651) 361-7875, and fax (651) 539-0310. NOTICE OF PUBLIC HEARING DATE CHANGE for Proposed Rule Governing Sales and Use Tax Consolidated Returns and Recordkeeping; Repealing Minnesota Rules, part 8130.7500, Subparts 3, 6, and 8 and Replacing with Minnesota Rules, Part 8130.7501; Revisor's ID: R-04537; OAH docket number 60-9032-37244

Dual Notice. On September 27, 2021, the Department of Revenue (Department or Agency) published in the State Register a Dual Notice announcing the Department planned to adopt rules without a public hearing unless 25 or more persons submitted written requests for a hearing (see the Monday, September 27, 2021, Volume 46 Number 13 edition of the State Register at 46 SR 316). The deadline for submitting public comments and requests for a hearing, which was corrected by an Errata Notice published in the State Register on October 4, 2021 (see the Monday, October 4, 2021, Volume 46 Number 14 edition of the State Register at 46 SR 347), expired on November 5, 2021. Because 25 or more requests for hearing were received by the November 5, 2021 deadline, the Department is now required to hold a hearing unless a sufficient number of hearing request withdrawals are received. See paragraph below titled "Cancellation of Hearing if Hearing Requests Are Withdrawn" for more detail about possible cancellation of the hearing.

Public Hearing Date Change. The Department intends to adopt rules after a virtual public hearing following procedures in the rules of the Office of Administrative Hearings, *Minnesota Rules*, parts 1400.2200 to 1400.2240, and the Administrative Procedure Act, *Minnesota Statutes*, sections 14.131 to 14.20. The Department is using this notice to announce that the virtual hearing, which was previously scheduled for January 4, 2022, **will instead take place at 9:30 a.m. on Thursday, February 17 , 2022**. You can participate in the February 17, 2022 virtual hearing, which will be conducted by the administrative law judge, via WebEx by using this link: ***Webex Meeting Link***

Note that at least a week before the February 17, 2022 hearing, the same WebEx link will be available on the Department's website (***https://www.revenue.state.mn.us/minnesota-administrative-rules***). All interested or affected persons will have an opportunity to participate in the hearing process by submitting either oral or written data, statements, or arguments. Statements may be submitted without appearing at the hearing. See the "Public Comment" section of this Notice for more information about how to provide public comment in connection with the hearing.

Cancellation of Hearing if Hearing Requests Are Withdrawn. If enough hearing requests are withdrawn prior to the hearing to reduce the number below 25, the Department will cancel the hearing. If the Department cancels the hearing, it must provide a written cancellation notice to all persons who requested a hearing, explain the actions the Agency took or will take that affected or may have affected the decision of hearing requesters to withdraw their requests, and ask that any written comments on this action be submitted to the Department within five days. The Department will then submit the notice of cancellation and any written comments regarding the cancellation to the administrative law judge so the judge can determine whether cancellation of the hearing was appropriate. (Note that if the hearing is

cancelled, it must be cancelled at least three days prior to the February 17, 2022 hearing date.)

Administrative Law Judge. Administrative Law Judge James E. LaFave will conduct the hearing. The judge can be reached at the Office of Administrative Hearings, 600 North Robert Street, P.O. Box 64620, Saint Paul, Minnesota 55164-0620, telephone (651) 361-7875, and fax (651) 539-0310. The rule hearing procedure is governed by *Minnesota Statutes*, sections 14.131 to 14.20, and by the rules of the Office of Administrative Hearings, *Minnesota Rules*, parts 1400.2000 to 1400.2240. You should direct questions about rule hearing procedures to the administrative law judge.

Subject of Rules, Statutory Authority, and Agency Contact Person. The proposed rules address sales and use tax consolidated returns and recordkeeping, and would replace *Minnesota Rules*, part 8130.7500, subparts 3, 6, and 8 with a new rule at *Minnesota Rules*, part 8130.7501. The statutory authority to adopt the rules is *Minnesota Statutes*, sections 296 and 297A.77, subdivision 5. The proposed rules appear in the Monday, September 27, 2021, Volume 46 Number 13 edition of the State Register at 46 SR 316. The Agency contact person:

No one may submit additional evidence during the five-day rebuttal period. The Office of Administrative Hearings must receive all comments and responses submitted to the administrative law judge no later than 4:30 p.m. on the due date. All comments or responses received are public and will be available for review at the Office of Administrative Hearings.

The Agency requests that any person submitting written views or data to the administrative law judge before the hearing or during the comment or rebuttal period also submit a copy of the written views or data to the Agency contact person at the address stated above.

Modifications. The Department may modify the proposed rules as a result of the rule hearing process. It

must support modifications by data and views presented during the hearing process. The adopted rules may not be substantially different than these proposed rules, unless the Agency follows the procedure under *Minnesota Rules*, part 1400.2110. If the proposed rules affect you in any way, the Agency encourages you to participate.

Adoption Procedure after the Hearing. After the close of the hearing record, the administrative law judge will issue a report on the proposed rules. You may make these requests at the hearing or in writing to the Agency contact person stated above.

If no hearing is required, the Department may adopt the rules after the comment period and after the Department submits the rules and supporting documents to the Office of Administrative Hearings for a legal review. To receive notice of when the rules are submitted to the Office of Administrative Hearings for review, to receive a copy of the adopted rules, or to register with the Department to receive notice of future rule proceedings, submit your request to the Agency contact person (see above).

Minnesota Department of Health

Notice of Completion of Annual Health Care Quality Measures Rule Review

NOTICE: The Commissioner of Health announces that the Department of Health has completed its annual review required under Minnesota Rules, Chapter 4654. The Department affirms that its existing quality measures will continue as the 2022 set of quality measures with no added measures.

Subject of the Rules and Statutory Authority. The Minnesota Department of Health adopted Minnesota Rules, Chapter 4654, in December 2009 to implement part of the comprehensive 2008 state health reform law. Consistent with Minnesota Statutes, section 62U.02, these rules established a standardized set of quality measures that the Department uses to assess the quality of services offered by health care providers. These measures include the specific details for the data that physician clinics and hospitals must submit annually to the Minnesota Department of Health or to the Commissioner's designee for public reporting. The rules also specify:

- requirements that physician clinics and hospitals submit quality data to the Minnesota Department of Health or its designee;
- obligations for physician clinics and hospitals to cooperate with data validation procedures;
- a restriction on health plans prohibiting them from requiring providers to use and report data on quality measures not included in the standardized set; and
- annual review by the Minnesota Department of Health of existing quality measures and evaluation and adoption of new measures into the standardized set.

The Commissioner is required to review the adopted quality measures annually.

Results. From 2009 until 2018, the Minnesota Department of Health updated and adopted rules governing the standardized set of quality measures through expedited rulemaking. From 2018 through early 2020, the Department developed a quality measurement framework as directed by the legislature. To do this, comments were gathered from a broad range of stakeholders about measurement priorities, essentially the same review the Department has customarily performed for its annual reviews. That work informed the Department's decision not to add new measures for the 2019, 2020, or 2021 report years, making adopting expedited rules unnecessary. Instead, the Department issued technical guidance about the changes.

To ease administrative burdens during the statewide response to the COVID-19 pandemic, the Department did not undertake expedited rulemaking during 2021 and determined that we need only minor modifications to existing measures to maintain alignment with local and federal measurement initiatives. Instead, the Department is issuing technical guidance for the 2022 report year. The 2022 reporting requirements are consistent with those for 2021. The Department has posted updated technical guidance for the 2022 report year on its website at ***https://www.health.state.mn.us/data/hcquality/measures***.

Department of Labor and Industry

Workplace Safety Consultation Unit

Notice of Safety Grants for Employers

The Department of Labor and Industry (DLI) announces continuation of its safety hazard abatement matching grant program under *Minnesota Statutes*, section 79.253, and *Minnesota Rules*, parts 5203.0010 through 5203.0070. Employers covered by workers' compensation insurance, and those approved as self-insured employers, are eligible to apply for safety/health matching grants to abate safety hazards in their workplace. The safety/health hazards must have been identified in an on-site survey conducted by one of the following:

1) MNOSHA safety/health investigator,
2) DLI Workplace Safety Consultation safety/health consultant,
3) in-house employee safety/health committee,
4) workers' compensation underwriter,
5) private safety/health consultant or
6) a person under contract with the Assigned Risk Plan.

The on-site safety/health survey must have resulted in specifically recommended safety and/or health practices or equipment, training for purchased equipment, and/or tuition reimbursement designed to reduce the risk of injury to employees. Costs eligible for program participation are all or part of the cost of purchasing and installing recommended safety/health equipment, training for purchased equipment, tuition reimbursement, the cost of operating or maintaining safety/health equipment, and/or the cost of purchasing or renting real property, if necessary, to meet criteria established by the on-site safety/health survey. Automobiles, weapons, or personnel costs, such as salary and benefits, will not be covered by these grants.

Whether we approve your grant application or not, does not diminish, delay, or absolve you of any obligation to abate hazards as required by law. No state funds will be distributed until all grant documents are signed by all parties and the safety grant project is completed, including payments for all items in the project. Costs incurred before all parties have signed the grant document must not rely on grant approval. Invoices dated prior to your fully executed grant agreement are not eligible for this program.

Grants are limited to a total maximum match of up to $10,000 per project. The employer must provide at least $1.00 (one dollar) in project costs for every dollar awarded. No grant will be awarded for more than half the amount of the approved project. Grant applications submitted by the application deadlines of February 15, 2022, April 15, 2022, June 15, 2022, August 15, 2022, October 15, 2022, and December 15, 2022, respectively, will be evaluated and processed so that grant contracts or denial letters will be issued within the two months following each application deadline.

Projects will be judged according to the criteria established by law. Priority will also be given to projects in select areas that are a current focus of Minnesota OSHA. Go on-line at ***https://www.dli.mn.gov/business/workplace-safety-and-health/mnosha-wsc-safety-grant-priority-industries*** to view the current list of priority industries.

An employer that has received a grant for a particular worksite will not be eligible to receive another grant for that worksite during the two years after the date of the award. All applicable information requested on the grant application form is required for grant approval. Missing information will result in your application being disqualified

for consideration. Less than the requested amount may be awarded if program resources are insufficient to provide full assistance to all approved applicants and if the reduced grant could still achieve safety objectives.

Applicants can submit a safety grant application using the on-line application form that is accessed at: ***https://secure.doli.state.mn.us/grants/***.

Additional information can be found on the Safety Grant Program web-page: ***http://www.dli.mn.gov/business/workplace-safety-and-health/mnosha-wsc-safety-grant-program***, or contact the Safety Grants Administrator at: (651) 284-5338, 1-800-731-7232 or e-mail at ***dli.grants@state.mn.us***.

State Contracts

Informal Solicitations: Informal solicitations for professional/technical (consultant) contracts valued at over $5,000 through $50,000, may either be published in the *State Register* or posted on the Department of Administration, Materials Management Division's (MMD) Web site. Interested vendors are encouraged to monitor the P/T Contract Section of the MMD Website at *www.mmd.admin.state.mn.us* for informal solicitation announcements.

Formal Solicitations: Department of Administration procedures require that formal solicitations (announcements for contracts with an estimated value over $50,000) for professional/technical contracts must be published in the *State Register.* Certain quasi-state agency and Minnesota State College and University institutions are exempt from these requirements.

Requirements: There are no statutes or rules requiring contracts to be advertised for any specific length of time, but the Materials Management Division strongly recommends meeting the following requirements: $0 - $5000 does not need to be advertised. Non-State Public Bids, Contracts & Grants

The State Register also serves as a central marketplace for contracts let out on bid by the public sector. The *State Register* meets state and federal guidelines for statewide circulation of public notices. Any tax-supported institution or government jurisdiction may advertise contracts and requests for proposals from the private sector. It is recommended that contracts and RFPs include the following: 1) name of contact person; 2) institution name, address, and telephone number; 3) brief description of commodity, project or tasks; 4) cost estimate; and 5) final submission date of completed contract proposal. Allow at least three weeks from publication date (four weeks from the date article is submitted for publication). Surveys show that subscribers are interested in hearing about contracts for estimates as low as $1,000. Contact editor for further details.
