Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Executive Orders

The governor has the authority to issue written statements or orders, called Executive Orders, as well as Emergency Executive Orders. The governor's authority is specified in the Constitution of the State of Minnesota, Article V, and in *Minnesota Statutes* § 4.035. Emergency Executive Orders, for protection from an imminent threat to health and safety, become effective immediately, are filed with the secretary of state, and published in the *State Register* as soon as possible after they are issued. Other Executive Orders become effective 15 days after publication in the *State Register* and filing with the secretary of state. Unless otherwise specified, an executive order expires 90 days after the date the governor who issued the order vacates office.

Office of the Governor

Emergency Executive Order 21-30: Providing for Emergency Relief from Regulations to Motor Carriers and Drivers Transporting Livestock, Livestock Feed, and Water Supplies in Minnesota

I, Tim Walz, Governor of the State of Minnesota, by the authority vested in me by the Constitution and applicable statutes, issue the following Executive Order:

In mid-July, the Department of Natural Resources ("DNR") announced that Minnesota had reached the drought warning phase, with 56 percent of the state in severe drought (level D2), including four percent of the state in extreme drought (level D3). Over the past month, conditions have worsened, particularly in northern Minnesota, where three major watersheds have entered the drought restrictive phase.

DNR's current drought monitor data show that 49 percent of the state is in extreme drought (level D3) and eight percent of the state is in exceptional drought (level D4), the latter of which can lead to widespread crop and pasture losses, fire risk, and water shortages that may lead to water emergencies.

The agricultural community is profoundly impacted by the severe and ongoing drought conditions. The Minnesota Department of Agriculture recently reported that the hay supply in Minnesota is at its third-lowest level since 1950. Last week, the United States Department of Agriculture rated the pasture conditions in Minnesota as 46 percent very poor, 37 percent poor, 15 percent fair, and only two percent good. Without reliable access to good-quality hay or forage, farmers and livestock producers have had to adjust their feeding operations to include other commodities such as corn silage, distiller grain, and beet pulp.

State officials and I have visited affected areas over the past few months. We continue to hear requests from farmers and livestock producers for immediate help to support the safe and efficient movement of livestock, water supplies, and commodities used for or in livestock feed.

On July 28, 2021, I issued Executive Order 21-26, granting relief from certain hours of service requirements for drivers and vehicles transporting hay and other forage through today, August 27, 2021. The need for relief identified in Executive Order 21-26 still exists and must be extended and expanded to include the transportation of livestock, water supplies, and commodities used for or in livestock feed. The challenges created by the drought are compounded by the shortage of available drivers and trucks, increased fuel prices, and disruptions to the typical schedule for buying and selling livestock.

Minnesota Statutes 2020, section 221.0314, subdivision 9, adopts federal safety regulations, including hours of service requirements for drivers. Minnesota Statutes 2020, section 221.0269, provides: "The governor may declare an emergency and grant relief from any of the regulations incorporated in section 221.0314 to carriers and drivers operating motor vehicles in Minnesota to provide emergency relief during the emergency."

Strict enforcement of certain hours of service regulations would prevent or hinder the efficient transportation of livestock, as well as hay, forage, water supplies, and supplemental feed commodities, all of which are critical to maintaining healthy livestock. The continued movement of these commodities is vital to the economic security and viability of many farming and livestock operations in Minnesota.

For these reasons, I order as follows:

1. Pursuant to Minnesota Statutes 2020, section 221.0269, subdivision 1, a state of emergency exists in Minnesota that requires relief from regulations incorporated in Minnesota Statutes 2020, section 221.0314, subdivision 9, pertaining to hours of service for motor carriers and drivers of commercial motor vehicles providing direct assistance to emergency relief efforts by transporting livestock, hay, forage, water supplies, and supplemental feed commodities including but not limited to corn silage, distiller grain, and beet pulp.

2. Motor carriers and drivers providing direct assistance to emergency relief efforts by transporting livestock, hay, forage, water supplies, and supplemental feed commodities including but not limited to corn silage, distiller grain, and beet pulp are exempted from paragraphs (b) and (c) under the Code of Federal Regulations, title 49, part 395.3, and which are incorporated in Minnesota Statutes 2020, section 221.0314, subdivision 9, pertaining to hours of service.

3. Nothing in this Executive Order may be construed to relieve motor carriers and drivers providing direct assistance to emergency relief efforts by transporting livestock, hay, forage, water supplies, and supplemental feed commodities including but not limited to corn silage, distiller grain, and beet pulp from the requirements under paragraph (a) of the Code of Federal Regulations, title 49, part 395.3, and incorporated in Minnesota Statutes 2020, section 221.0314, subdivision 9, which states, in part, that a driver may drive only 11 hours during a period of 14 consecutive hours after coming on duty following 10 consecutive hours off duty.

4. This Executive Order does not relieve motor carriers and drivers providing direct assistance to emergency relief efforts from regulations pertaining to driver qualifications; driving of commercial motor vehicles; commercial driver's licenses; drug and alcohol testing for drivers; or equipment, parts, and accessories necessary for the safe operation of vehicles.

5. A motor carrier operating under the terms of this Executive Order must not require or allow a fatigued or ill driver to operate a commercial motor vehicle. A driver who informs a carrier that he or she needs immediate rest must be given at least 10 consecutive hours off duty before the driver is required to return to service.

6. Upon the expiration of this Executive Order, or when a driver or motor carrier has been relieved of all duty and responsibility to provide direct assistance to the emergency relief efforts, a driver that has had at least 34 consecutive hours off-duty must be permitted to start his or her on-duty status and 60/70 clock at zero.

7. For purposes of this Executive Order, and as defined in Minnesota Statutes 2020, section 221.0269, subdivision 3, paragraph (c), direct assistance to an emergency relief effort terminates when a driver or commercial motor vehicle is used to transport cargo not destined for the emergency relief effort, or when the carrier dispatches that driver or vehicle to another location to begin operations in commerce. Additionally, for purposes of this Executive Order, direct assistance does not include transportation of mixed loads that include freight that is not being transported in support of emergency relief efforts.

This Executive Order is effective immediately under Minnesota Statutes 2020, section 4.035, subdivision 2, and remains in effect for 30 days.

A determination that any provision of this Executive Order is invalid will not affect the enforceability of any other provision of this Executive Order. Rather, the invalid provision will be modified to the extent necessary so that it is enforceable.

Signed on August 27, 2021.

Tim Walz
Governor

Official Notices

Pursuant to *Minnesota Statutes* §§ 14.101, an agency must first solicit comments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, and within 60 days of the effective date of any new statutory grant of required rulemaking.

The *State Register* also publishes other official notices of state agencies and non-state agencies, including notices of meetings and matters of public interest.

Department of Corrections

REQUEST FOR COMMENTS for Possible Amendments to Rules Relating to Construction Standards for Correctional Facilities; Minnesota Rules, Chapter 2900; Revisor's ID Number R-4172

Subject of Rules. The Minnesota Department of Corrections (department) requests comments on the department's possible amendments to its rules on construction standards for correctional facilities. The department anticipates that the rule amendments will increase the safety and security of correctional facilities and correctional staff, inmates, and visitors.

The department's possible changes seek to standardize correctional-facility construction and serve to promote efficiency and economy, allowing facilities to deliver high-quality correctional services. The main changes include:

- developing a comprehensive performance-based correctional construction standard that supplements the State Building Code and establishes uniform performance standards;
- adding definitions;
- removing obsolete language; and
- using plain language to adopt accurate and effective regulations and standards.

The new correctional construction standard will help the department's mission to transform lives for a safer Minnesota by caring for inmates and ensuring their security and that of the Minnesota community.

Persons Affected. The rule amendments likely affect:

- class I, II, III, IV, V, and VI correctional facilities;
- municipal lockups;
- halfway houses licensed by the department;
- juvenile secure and nonsecure detention, including residential facilities, licensed by the department;
- private adult correctional facilities licensed by the department;
- construction management companies and correctional material manufacturers;
- architects, designers, and builders;
- facility staff, inmates, visitors, and volunteers;
- jail administrators;
- sheriffs, including the Minnesota Sheriff's Association; and
- county boards and the Association of Minnesota Counties.

Statutory Authority. The department has the statutory authority to amend and adopt rules on construction standards for correctional facilities under Minnesota Statutes, sections 241.021, subdivision 1; 401.03; 641.21; 641.22; and 641.261, subdivision 3.

Public Comment. Interested individuals or groups may email or mail comments or information on the possible rules until the department publishes a notice of intent to adopt the rules. The department will not publish a notice of intent to adopt the rules until more than 60 days have elapsed from this notice's publication date. The department does not plan to use an advisory committee.

Rules Drafts. The department has not yet drafted the possible rules but will post rule drafts on its ***website*** (***https://mn.gov/doc/staff-partners/doing-business-doc/rulemaking/***) as drafts become available.

Agency Contact Person. Written comments, questions, requests to receive rule drafts, and requests for more information on the possible rules should be directed to Ian Lewenstein, ***ian.lewenstein@state.mn.us***, 651-539-1414, or the Minnesota Department of Corrections, 1450 Energy Park Drive, St. Paul, MN 55108.

Alternative Format. Upon request, this information can be made available in an alternative format such as large print, braille, or audio. To make a request, please contact Ian Lewenstein.

NOTE: Comments received in response to this notice will not necessarily be included in the formal rulemaking record submitted to the administrative law judge. The department is required to submit to the judge only those written comments received in response to the rules after they are proposed in a notice of intent to adopt the rules published in the *State Register*; if you submit comments before the notice is published and you want to ensure that the judge reviews the comments, you should resubmit the comments after the rules are formally proposed.

REQUEST FOR COMMENTS for Possible Amendments to Rules Relating to Residential Treatment Programs for Adult and Juvenile Sex Offenders; Minnesota Rules, Chapters 2955 and 2965; Revisor's ID Number R-4447

Subject of Rules. The Minnesota Department of Corrections (department) requests comments on the department's possible amendments to its rules on residential treatment programs for adult and juvenile sex offenders. The department's rule amendments will incorporate updated researched-based practices to help program clients reduce their likelihood of reoffending. Updated requirements will help better protect the safety of Minnesotans when clients are reintegrated into the community.

The department also plans to streamline its regulatory requirements by combining both chapters on adult and juvenile clients into one cohesive chapter applicable to all regulated programs. One chapter will alleviate the regulatory burden of having to read two rule chapters, and department staff and other affected parties will benefit from one cohesive rule chapter. Other changes include:

- establishing well-defined, consistent standards to promote the most effective treatment for clients;
- updating definitions and ensuring that they are consistently used; and
- getting rid of jargon and legalese and conforming to plain-language standards for more-effective regulatory compliance.

Persons Affected. The rule amendments likely affect:

- treatment programs in state and local correctional facilities;
- state-operated treatment programs not operated in state or local correctional facilities, but excluding the Minnesota Sex Offender Program under Minnesota Rules, parts 9515.3000 to 9515.3110;
- program employees, adult and juvenile clients, and people providing services to treatment programs;
- families or guardians of juveniles and adults receiving treatment services;
- persons and entities that pay for or reimburse for program services; and
- persons involved in the justice, mental health, and social-service systems who have contact with clients in need of treatment.

Statutory Authority. The department has the statutory authority to amend and adopt rules on residential treatment programs under Minnesota Statutes, section 241.67, subdivision 2, paragraph (a).

Public Comment. Interested individuals or groups may email or mail comments or information on the possible rules until the department publishes a notice of intent to adopt the rules. The department will not publish a notice of intent to adopt the rules until more than 60 days have elapsed from this notice's publication date.

Advisory Committee. The department plans to form an informal advisory committee to help the department on its possible amendments. Please contact Alan Listiak at the Minnesota Department of Corrections, ***alan.listiak@state.mn.us*** or 651-361-7148 if you want to join the advisory committee.

Rules Drafts. The department has not yet drafted the possible rules but will post rule drafts on its ***website*** (***https://mn.gov/doc/staff-partners/doing-business-doc/rulemaking/***) as drafts become available.

Agency Contact Person. MFIP Transitional Standard with Supplemental Nutrition Assistance Program (SNAP) and MFIP Cost of Living (COLA) Adjustments for October 1, 2021

Minnesota Statute 256J.24, Subd. 5a requires the Commissioner of Human Services to adjust the food portion of the Minnesota Family Investment Program (MFIP) Transitional Standard in order to incorporate the annual cost of living adjustment as directed by Food and Nutrition Services at the U.S. Department of Agriculture in compliance with the federal waiver for MFIP from the United States Department of Agriculture. The statute also requires the Commissioner publish the adjusted Transitional Standard for assistance unit sizes one to ten. The Transitional Standard consists of a cash and food portion. 2021 Minnesota statute 256J.24, Subd. 5c requires an annual adjustment to the cash portion for inflation based on the Consumer Price Index for the prior calendar year. The MFIP Transitional Standard and cash and food portions effective October 1, 2021 are listed below.

Minnesota Pollution Control Agency (MPCA)

Environmental Analysis and Outcomes Division

Public Notice on State Implementation Plan Revision

NOTICE IS HEREBY GIVEN that the Commissioner of the Minnesota Pollution Control Agency (MPCA) has determined that a State Implementation Plan (SIP) update must be submitted to meet Minnesota's requirements under section 110(a) of the Clean Air Act (CAA). The draft SIP update is now available for public comment.

Background. Section 110(a) of the CAA requires that each state prepare and submit to the U.S. Environmental Protection Agency (EPA) SIPs to demonstrate the state's air quality management program has the structural components in place to meet the state's responsibilities under the CAA to attain and maintain the National Ambient Air Quality Standards. Minnesota first submitted state rules and statutes to the EPA after the original promulgation of the CAA. Those rules were codified in the Code of Federal Regulations (CFR) at Title 40 Section 52.1220, which makes them federally enforceable as required by federal law. When state rules and statutes are updated by MPCA, the agency is expected to provide EPA with the edited rules and statutes for review and approval into the SIP, and subsequent re-codification into the federal code at § 52.1220.

Purpose of the SIP revision. The purpose of this SIP revision is to fulfill Minnesota's responsibility under the CAA to demonstrate our ability to implement, maintain, and enforce our air quality management program. This includes information about Minnesota's air quality programs such as monitoring, permitting, and modeling.

When states update the rules and statutes that are part of their SIP, they must submit those updates to EPA for review and approval into the SIP. Minnesota first submitted state rules and statutes to the EPA after the original promulgation of the CAA, and has since periodically submitted new and updated rules and statutes to EPA to ensure the state rules and statutes codified in the CFR align with current state rules and statutes and to demonstrate Minnesota's continued compliance with the requirements of Section 110(a) of the CAA. In 2019, Minnesota adopted state-level rule revisions for exempt and conditionally insignificant sources of air pollution to our air quality management program. This proposed SIP revision is being submitted to align the CFR with state rules and statutes and to ensure consistent enforceability at the state and federal level.

The MPCA will consider changing the contents of the proposed SIP revision based on comments received during the comment period. Following the end of the comment period, the Commissioner will decide whether to submit the proposed SIP revision to the EPA.

MPCA contact person. The MPCA contact person is Maggie Wenger. Written comments, requests, and petitions should be mailed to: Maggie Wenger, Minnesota Pollution Control Agency, Environmental Analysis and Outcomes Division, 520 Lafayette Road North, St. Paul, Minnesota 55155-4194; telephone: 651-757-2007 or toll free 1-800-657-3864; fax: 651-297-8324; and email: ***Maggie.Wenger@state.mn.us***. TTY users may call the MPCA at TTY 651-252-5332 or 1-800-657-3864.

Availability of SIP. A copy of the proposed SIP revision is available on the MPCA's web site at ***http://www.pca.state.mn.us/public-notices***. A copy of the proposed SIP revision is also available upon request by contacting Maggie Wenger at 651-757-2007 or ***Maggie.wenger@state.mn.us***, or can be mailed to any interested person upon the MPCA's receipt of a written request. Additional materials relating to the SIP revision are available for inspection by appointment at the MPCA, 520 Lafayette Road North, St. Paul, Minnesota 55155-4194, between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday. To examine these materials, or for more information, please contact Maggie Wenger. All MPCA offices may be reached by calling 1-800-657-3864.

Public comment period and potential public meeting. The public comment period begins August 30, 2021 and ends on September 30, 2021. Your comments must be in writing and received by Maggie Wenger by 4:30 p.m. on Septemer 30, 2021. Written comments may be submitted to them at the mailing address, facsimile (fax) number, or email address listed above.

As this SIP revision does not include any substantive changes to the Minnesota's SIP at 40 CFR § 52.1220, a public information meeting will only be held if one is requested by 4:30 p.m. on September 30, 2021. If such a meeting is requested, it will be held on October 7, 2021 from 2:30 p.m. to 4:30 p.m. via WebEx and phone. To find out if a public information meeting will be held (and to obtain WebEx login information if so), please contact Maggie Wenger at 651-757-2007 or ***Maggie.wenger@state.mn.us*** after September 30, 2021 at 4:30 p.m. The public information meeting, if one is requested, will provide information, receive public input, and answer questions about the proposed SIP revision. If the public information meeting is held, additional written comments on the proposed documents will be accepted until 4:30pm on October 21, 2021, following the same guidelines described above.

State Grants & Loans

In addition to requests by state agencies for technical/professional services (published in the State Contracts Section), the *State Register* also publishes notices about grants and loans available through any agency or branch of state government. Although some grant and loan programs specifically require printing in a statewide publication such as the State Register, there is no requirement for publication in the *State Register* itself. Agencies are encouraged to publish grant and loan notices, and to provide financial estimates as well as sufficient time for interested parties to respond.

Department of Public Safety

Office of Justice Programs

Request for Proposals: American Rescue Plan Act (ARPA) Violence Intervention Grants

This program is intended to provide support in responding to the economic and public health impacts of COVID-19 and efforts to contain impacts on communities, residents, and businesses and to reduce and respond to increased violence due to the pandemic. This grant fits into ARPA category of services to disproportionately impacted communities, category 3.16 Social Determinants of Health: Community Violence Interventions. These funds require use of evidence based interventions and must have disadvantaged communities as the focus of grant activity.

$2.5 million is available for two-year grant awards. There is no minimum grant amount. Maximum grant amount is $250,000. These are cost reimbursement grants; federal requirements prohibit advancing grant funds up front. Nonprofit agencies; local units of government including cities, counties, townships; and tribal governments are eligible to apply.

All applications must be submitted via e-grants, the Office of Justice Programs (OJP) online grants management

system, at ***e-grants*** . Applications must be submitted by 4:00 p.m. on October 1, 2021.

Non-State Public Bids, Contracts & Grants

The State Register also serves as a central marketplace for contracts let out on bid by the public sector. The *State Register* meets state and federal guidelines for statewide circulation of public notices. Any tax-supported institution or government jurisdiction may advertise contracts and requests for proposals from the private sector. It is recommended that contracts and RFPs include the following: 1) name of contact person; 2) institution name, address, and telephone number; 3) brief description of commodity, project or tasks; 4) cost estimate; and 5) final submission date of completed contract proposal. Allow at least three weeks from publication date (four weeks from the date article is submitted for publication). Surveys show that subscribers are interested in hearing about contracts for estimates as low as $1,000. Contact editor for further details.
