Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Withdrawn Rules

An agency may withdraw rules from review (*Minnesota Statutes* 1400.2240, Subp.8; 1400.2300, Subp 4; and 1400.2410, Subp.4) by submitting a notice of withdrawal to the chief judge signed by a person authorized to withdraw the rule. Withdrawing a rule is appropriate unless the withdrawal of the rule or a portion of the rules makes the remaining rules substantially different. The notice must explain the person's authority to withdraw the rule. The office must return the agency's filing promptly after receiving this notice.

NOTICE OF WITHDRAWN RULES Proposed Amendments to Rules Governing Minnesota Department of Veterans Affairs, Minnesota Veterans Homes, *Minnesota Rules*, Chapter 9050; Revisor's ID Number R-4384. OAH Docket Number 71-9054-37629

The Minnesota Department of Veterans Affairs is providing notice that it is withdrawing its proposed amendments to rules governing the Minnesota Department of Veterans Affairs, Minnesota Veterans Homes.

The Department published its Dual Notice of Intent to Adopt Rules in the State Register on October 18, 2021. On April 21, 2022, the Office of Administrative Hearing provided a Report by the Chief Administrative Law Judge concurring with the Administrative Law Judge Jessica A Palmer-Denig regarding the disapproval of the proposed amendments to Minnesota Rule, Chapter 9050. On August 5, 2022, the Department requested Reconsideration of the OAH Report. The Department's request for Reconsideration was granted in part, but OAH confirmed the decision in its original Report to disapprove the proposed amendments to Minnesota Rule, Chapter 9050.

The proposed amendments would have allowed the Department to update and clarify the definitions under Chapter 9050, clarify skilled nursing and board and care repayment options, update bed hold requirements for residents at the Minnesota Veterans Homes, update the involuntary discharge process, clarify the resident's cost of care calculation, and update requirements for income and property allowance for its residents. However, for decisions referenced above, the Minnesota Department of Veterans Affairs has decided to withdraw the proposed amendments to Minnesota Rule, Chapter 9050.

It is recommended that contracts and RFPs include the following: 1) name of contact person; 2) institution name, address, and telephone number; 3) brief description of commodity, project or tasks; 4) cost estimate; and 5) final submission date of completed contract proposal.
