Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Exempt Rules

Exempt rules are excluded from the normal rulemaking procedures (*Minnesota Statutes* §§ 14.386 and 14.388). They are most often of two kinds. One kind is specifically exempted by the Legislature from rulemaking procedures, but approved for form by the Revisor of Statutes, reviewed for legality by the Office of Administrative Hearings, and then published in the State Register. These exempt rules are effective for two years only.

The second kind of exempt rule is one adopted where an agency for good cause finds that the rulemaking provisions of *Minnesota Statutes*, Chapter 14 are unnecessary, impracticable, or contrary to the public interest. This exemption can be used only where the rules:

- (1) address a serious and immediate threat to the public health, safety, or welfare, or
- (2) comply with a court order or a requirement in federal law in a manner that does not allow for compliance with *Minnesota Statutes* Sections 14.14-14.28, or
- (3) incorporate specific changes set forth in applicable statutes when no interpretation of law is required, or
- (4) make changes that do not alter the sense, meaning, or effect of the rules.

These exempt rules are also reviewed for form by the Revisor of Statutes, for legality by the Office of Administrative Hearings and then published in the *State Register*. In addition, the Office of Administrative Hearings must determine whether the agency has provided adequate justification for the use of this exemption. Rules adopted under clauses (1) or (2) above are effective for two years only. The Legislature may also exempt an agency from the normal rulemaking procedures and establish other procedural and substantive requirements unique to that exemption.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material."
Adopted Rules - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

Official Notices

The *State Register* also publishes other official notices of state agencies and non-state agencies, including notices of meetings and matters of public interest.

Minnesota Department of Veterans Affairs

REQUEST FOR COMMENTS for possible amendment to the Rules Governing the Minnesota Veterans Homes, Minnesota Rules, Chapter 9050; Revisor's ID Number R-04780

Subject of Rules. The Minnesota Department of Veterans Affairs (MDVA) requests and invites comments on its possible amendments to rules governing the Minnesota Veterans Homes (MVH) administration and operation, Chapter 9050. Specifically, MDVA is considering rule amendments that update the following:

1. Existing terms and definitions,
2. Cross-references to reflect changes in governing state and federal statutes, rules and regulations,
3. Procedures governing the admission requirements, waiting list placement, transfers, absences, bed holds, involuntary discharges, appeals, resident assessments, resident financial responsibilities, and care planning.
4. Language that covers the MVH adult day operations and pharmaceutical operations, and
5. Rules governing resident rights and responsibilities.

Persons Affected. The proposed amendments to Chapter 9050 may affect current and potential residents of the MVH, resident representatives, resident families, other individuals involved in a resident's care, veteran service organizations, and individuals and groups advising and advocating for veterans and veterans' families.

Statutory Authority. The MDVA's statutory authority to adopt these rule amendments is set forth in Minnesota Statutes as follows:

Minnesota Statutes, section 14.06

(a) Each agency shall adopt rules, in the form prescribed by the revisor of statutes, setting forth the nature and requirements of all formal and informal procedures related to the administration of official agency duties to the extent that those procedures directly affect the rights of or procedures available to the public.

Minnesota Statutes, section 196.04, subdivision 1

Promulgation. The commissioner shall adopt reasonable and proper rules to govern the procedure of the divisions of the department and to regulate and provide for the nature and extent of the proofs and evidence and the method of taking and furnishing the same, in order to establish the right to benefits provided for by the law.

Minnesota Statutes, section 198.003, subdivision 1

Policy; rules. The commissioner shall determine policy and, subject to chapter 14, adopt, amend, and repeal rules for the governance of the homes.

Public Comment. Since developing updates to Chapter 9050 is a considerably large undertaking, the MDVA will hold space for public comment during the development phase of the proposed amendments to Chapter 9050 rules. MDVA invites interested persons or groups to submit comments or information concerning the rules within Chapter 9050. Starting at the time of this publication and extending for at least 60 days, interested persons or groups may submit

Official Notices

comments, concerns or information to be considered by the MDVA as it develops the necessary updates to this chapter. The MDVA particularly welcomes comments and information pertaining to the “cumulative effect of the rules with other federal and state regulations,” as required by Minnesota Statutes, section 14.131(8). Comments must be in writing. MDVA will not publish a notice of intent to adopt any proposed rule amendment until more than 60 days have elapsed from the date of this request for comments. MDVA does not plan to appoint an advisory committee to comment on the possible rules. MDVA has suggested comments from both the Elder Law Section of the Minnesota State Bar Association as well as from the Minnesota Office of Ombudsman for Long-Term Care.

Rules Drafts. As the MDVA is holding space for public comment and concern about Chapter 9050, the Department has not yet determined the final draft of the possible rule amendments. MDVA does not anticipate that a full draft of the amendments to Chapter 9050 rules will be available before the publication of the proposed changes. Upon publication, the proposed rules amendments will be made available to the public on the Department website at <https://mn.gov/mdva/about/reports.jsp>

Agency Contact Person. Written comments, questions, requests to receive a draft of the rules when it has been prepared, and requests for more information on these possible rule amendments should be directed to: Simone Hogan at Minnesota Department of Veterans Affairs, 5101 Minnehaha Ave. Minneapolis, MN 55417, Phone: 612-548-5955; Email: simone.hogan@state.mn.us. Or you may submit written comments via the Office of Administrative Hearings Rulemaking eComments website at <https://minnesotaoah.granicusideas.com/discussions>.

Alternative Format. Upon request, this information can be made available in an alternative format, such as large print, braille, or audio. To make such a request, please contact the agency contact person at the address or telephone number listed above.

NOTE: Comments received in response to this notice will not necessarily be included in the formal rulemaking record submitted to the administrative law judge, if and when, a proceeding to adopt rules is started. The agency is required to submit to the judge only those written comments received in response to the rules after they are proposed. If you submitted comments during the development of the amendments and you want to ensure that the Administrative Law Judge reviews the comments, please resubmit the comments after the rules amendments are formally proposed.

In addition to requests by state agencies for technical/professional services (published in the State Contracts Section), the *State Register* also publishes notices about grants and loans available through any agency or branch of state government. Although some grant and loan programs specifically require printing in a statewide publication such as the State Register, there is no requirement for publication in the *State Register* itself. Agencies are encouraged to publish grant and loan notices, and to provide financial estimates as well as sufficient time for interested parties to respond.
