Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Exempt Rules

Exempt rules are excluded from the normal rulemaking procedures (*Minnesota Statutes* §§ 14.386 and 14.388). They are most often of two kinds. One kind is specifically exempted by the Legislature from rulemaking procedures, but approved for form by the Revisor of Statutes, reviewed for legality by the Office of Administrative Hearings, and then published in the State Register. These exempt rules are effective for two years only.

The second kind of exempt rule is one adopted where an agency for good cause finds that the rulemaking provisions of *Minnesota Statutes*, Chapter 14 are unnecessary, impracticable, or contrary to the public interest. This exemption can be used only where the rules:

- (1) address a serious and immediate threat to the public health, safety, or welfare, or
- (2) comply with a court order or a requirement in federal law in a manner that does not allow for compliance with *Minnesota Statutes* Sections 14.14-14.28, or
- (3) incorporate specific changes set forth in applicable statutes when no interpretation of law is required, or
- (4) make changes that do not alter the sense, meaning, or effect of the rules.

These exempt rules are also reviewed for form by the Revisor of Statutes, for legality by the Office of Administrative Hearings and then published in the *State Register*. In addition, the Office of Administrative Hearings must determine whether the agency has provided adequate justification for the use of this exemption. Rules adopted under clauses (1) or (2) above are effective for two years only. The Legislature may also exempt an agency from the normal rulemaking procedures and establish other procedural and substantive requirements unique to that exemption.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material."
Adopted Rules - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

PROPOSED ORDER ADOPTING AMENDMENT OF RULES

Adoption of Permanent Exempt Rule Governing Tax Definitions: Amending Minnesota Rules, parts 8001.0300, subpart 3.

WHEREAS:

1. The rulemaking provisions of Minnesota Statutes, Chapter 14, are unnecessary when, as in this case, amendments are made to a rule that: a) incorporate specific changes set forth in applicable statutes when no interpretation of law is required; or b) make changes that do not alter the sense, meaning or effect of a rule. Minnesota Statutes, section 14.388.
2. The attached Findings & Statement of Supporting Reasons justifies the good cause exemption from rulemaking provided by Minnesota Statutes, section 14.388, and is hereby incorporated by reference.
3. This rulemaking complies with all applicable law, including the procedural requirements in Minnesota Statutes, section 14.388 and Minnesota Rules, part 1400.2400.
4. The attached certified copy of the rule demonstrates that the Office of the Revisor has approved its form, as required by Minnesota Statutes, section 14.386, paragraph (a)(1), and Minnesota Rules, part 1400.2400.

IT IS ORDERED that the above-captioned rule, in the form certified as approved by the Office of the Revisor, is adopted pursuant to authority vested in me by Minnesota Statutes, section 270C.06, WHICH PROVIDES THAT the Commissioner of Revenue shall “make, publish, and distribute rules for the administration and enforcement of...state tax laws.” Under these statutes, the Commissioner of Revenue has authority to amend this rule.

Paul Marquart, Commissioner
Department of Revenue

FINDINGS & STATEMENT OF SUPPORTING REASONS

Adoption of Permanent Exempt Rule Governing Tax Definitions: Amending Minnesota Rules, part 8001.0300, subpart 3.

FINDINGS

Under the Minnesota Statutes, section 290.01, subdivision 7, paragraph (a), definition of resident, a resident generally is any individual domiciled in Minnesota. The Commissioner of the Department of Revenue promulgated Minnesota Rules, part 8001.0300, subpart 3, to provide factors for consideration in domicile determinations.

In Minnesota Rules, part 8001.0300, subpart 3, item Q, the “location of any bank accounts, especially the location of the most active checking account” will be considered in the determination of a person’s domicile. In 2017, Minnesota Statutes, section 290.01, subdivision 7, paragraph (c), was amended, in relevant part, as provided by Laws of Minnesota 2017, 1st Spec. Sess. chapter 1, article 1, section 5, to bar the commissioner and court from considering the “place of business of a financial institution at which the individual applies for any new type of credit or at which the individual opens or maintains any type of account” when determining a taxpayer’s domicile. Because the taxpayer’s bank account location is explicitly barred from consideration under subdivision 7, Minnesota Rules, part 8001.0300, subpart 3, item Q, no longer has any effect. This part of the rule is now inconsistent with statute and should be removed from Minnesota

Rules, part 8001.0300.

In Minnesota Rules, part 8001.0300, subpart 3, not under any item label, is the provision “[c]haritable contributions made by a person will not be considered in determining whether that person is domiciled in Minnesota.” Minnesota Statutes, section 290.01, subdivision 7, paragraph (c), clause (1), bars the consideration of charitable contributions, whether made in or out of the state, in the determination of a person’s domicile. This language has been included in Minnesota Rules, part 8001.0300, subpart 3, since 1989. Minnesota Statutes, section 290.01, subdivision 7, paragraph (c), clause (1), was enacted into law during the 1999 Regular Session (Laws of Minnesota 1999, chapter 243, article 2, section 2). As this part of the rule has been codified into statute, it is duplicative of the statute and no longer needs to be included in Minnesota Rules, part 8001.0300, subpart 3.

The proposed amendments to Minnesota Rules, part 8001.0300, subpart 3 incorporate specific changes set forth in Minnesota Statutes, section 290.01, subdivision 7. Additionally, these changes do not alter the sense, meaning, or effect of Minnesota Rules, part 8001.0300, subpart 3.

STATEMENT OF SUPPORTING REASONS

An amendment must meet one of the criteria of Minnesota Statutes, section 14.388, to be adopted under good cause exemption procedures. The third clause, “to incorporate specific changes set forth in applicable statutes when no interpretation of law is required,” applies in this instance. The fourth clause – “make[s] changes that do not alter the sense, meaning, or effect of a rule” – also applies.

8001.0300 RESIDENT AND DOMICILE DEFINED; CONSIDERATIONS.

~~R.~~ ~~Q.~~ location of other transactions with financial institutions;

Exempt Rules

Any one of the items listed above will not, by itself, determine domicile.

~~Charitable contributions made by a person will not be considered in determining whether that person is domiciled in Minnesota.~~

Executive Orders

The governor has the authority to issue written statements or orders, called Executive Orders, as well as Emergency Executive Orders. The governor's authority is specified in the Constitution of the State of Minnesota, Article V, and in *Minnesota Statutes* § 4.035. Emergency Executive Orders, for protection from an imminent threat to health and safety, become effective immediately, are filed with the secretary of state, and published in the *State Register* as soon as possible after they are issued. Other Executive Orders become effective 15 days after publication in the *State Register* and filing with the secretary of state. Unless otherwise specified, an executive order expires 90 days after the date the governor who issued the order vacates office.

Office of the Governor

Emergency Executive Order 23-01: Declaring a Peacetime Emergency and Providing National Guard Assistance to Stranded Motorists

I, Tim Walz, Governor of the State of Minnesota, by the authority vested in me by the Constitution and applicable statutes, issue the following Executive Order.

Starting late on February 14, 2023, a powerful winter storm with heavy snowfall and strong winds created blizzard conditions in Minnesota, closing roads and threatening public safety.

These dangerous driving conditions have resulted in many stranded vehicles, placing lives and property at risk. The resources of affected local and county governments are inadequate to meet the demands caused by these severe winter weather conditions.

Last night, the Clay County Sheriff's Office requested assistance from the Minnesota National Guard. Based on my verbal order, the Minnesota National Guard activated to provide assistance and rescue stranded motorists.

For these reasons, I declare a peacetime emergency pursuant to Minnesota Statutes 2022, section 12.31, and order as follows:

1. The Adjutant General is authorized to order to state active duty on February 14, 2023 the personnel, equipment, facilities, and resources needed to provide assistance throughout Minnesota.
2. The Adjutant General is authorized to procure the goods and services needed to accomplish the mission.
3. The costs of this assistance will be paid from the general fund as allowed by Minnesota Statutes 2022, section 192.52.

This Executive Order and declaration of peacetime emergency are effective immediately under Minnesota Statutes 2022, section 4.035, subdivision 2. The peacetime emergency declared in this Executive Order expires in accordance with Minnesota Statutes 2022, section 12.31, subdivision 2. The remainder of this Executive Order, including the

Executive Orders

activation of the Minnesota National Guard, remains in effect until the emergency conditions caused by the winter storm subside or February 22, 2023, whichever occurs first.

A determination that any provision of this Executive Order is invalid will not affect the enforceability of any other provision of this Executive Order. Rather, the invalid provision will be modified to the extent necessary so that it is enforceable.

Signed on February 15, 2023.

Tim Walz
Governor

This is the reissuance of an existing general permit, which expired at midnight on October 31, 2016. This general permit covers facilities within the boundary of the state of Minnesota as described in the following section:

The MPCA administers four National Pollutant Discharge Elimination System (NPDES) / State Disposal System (SDS) pesticide general permits that regulate the use of pesticides in and around lakes, rivers, streams, and wetlands.

Entities that exceed a discharge threshold and certain entities with the responsibility to control organisms as described in each permit are required to submit an application for permit coverage — known as a notice of intent (NOI) — and pay an application fee. Those that do not exceed the thresholds described in each permit are not required to submit an NOI or an application fee, but are automatically covered by the permit and must comply with basic permit requirements, except as described in the permit.

The four permits cover the following use patterns as noted:

- Mosquito and Other Flying Insect Pest Control Pesticide General Permit (MNG87A000)
- Forest Canopy Insect Pest Control Pesticide General Permit (MNG87B000)
- Aquatic Nuisance Animal Pest Control Pesticide General Permit (MNG87C000)
- Vegetative Pests and Algae Control Pesticide General Permit (MNG87D000)

The preliminary determination to reissue this Wastewater permit is tentative.

The Commissioner's determination that the general permit should be reissued is tentative. Interested persons are invited to submit written comments upon the proposed permit action. The public comment period commences February 21, 2023, and terminates at 4:30 p.m. on March 23rd, 2023. Any comments received no later than 4:30 p.m. on the last day of the comment period will be considered in the formulation of final determination.

Comments should be submitted through Smart Comment, or if technology resources are limited written comments may be sent to Steven Theisen, Staff Permit Writer, Industrial Division, Minnesota Pollution Control Agency, 520 Lafayette Road North, St. Paul, Minnesota 55155-4194. Comments can be made and a copy of the draft general permits, fact sheet, and public notice are available on the MPCA's website at: <https://mpca.commentinput.com/comment/search>

If you have questions on this draft permit, the public notice, the Commissioner's preliminary determination, or need assistance submitting comments for this permit please contact Steven Theisen via telephone at 651-757-2602 or via e-mail at steven.theisen@state.mn.us.
