Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Expedited Rules

Provisions exist for the Commissioners of some state agencies to adopt expedited rules when conditions exist that do not allow the Commissioner to comply with the requirements for normal rules. The Commissioner must submit the rule to the attorney general for review and must publish a notice of adoption that includes a copy of the rule and the conditions. Expedited rules are effective upon publication in the State Register, and may be effective up to seven days before publication under certain conditions.

Expedited rules are effective for the period stated or up to 18 months. Specific *Minnesota Statute* citations accompanying these expedited rules detail the agency's rulemaking authority.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material."

Adopted Rules - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

Proposed Expedited Permanent Game and Fish Rule: Netting Whitefish and Ciscoes; Notice of Intent to Adopt Expedited Rules without a Public Hearing

**Proposed Amendment to Rules Relating to Netting Whitefish and Ciscoes, Minnesota Rules, chapter 6262;
Revisor's ID Number R-04747**

Introduction. The Minnesota Department of Natural Resources (DNR) intends to adopt rules under the expedited rulemaking process following the rules of the Office of Administrative Hearings, *Minnesota Rules*, part 1400.2410, and the Administrative Procedure Act, Minnesota Statutes, section 14.389. You may submit written comments on the proposed expedited rules until May 26, 2023.

Agency Contact Person. Submit comments, questions, or a request for hearing on the rules to Shannon Fisher, Populations and Regulations Manager at Minnesota Department of Natural Resources, 500 Lafayette Road, St. Paul, Minnesota 55155-4025, telephone 651-259-5260, or email shannon.fisher@state.mn.us.

Subject of the Expedited Rules. The proposed expedited rules modify the seasons and lakes associated with whitefish and cisco netting as follows:

1. Changing the name of the chapter from "Open Seasons for ~~Taking~~ Whitefish and Ciscoes" to "Open Seasons for Netting Whitefish and Ciscoes."
2. Removing Ely, Green, and Mille Lacs from Schedule I and removing Big Bass and Jack from Schedule II.
3. Moving Big Balsam, Greenwood, Ida, Nashwauk, Rachel, Side, and South Sturgeon lakes to Schedule II.
4. Changing the open dates denoted for Season "A" from the "~~Second~~ Friday of October through the ~~first~~ Sunday of December" to the "Third Friday of October through the second Sunday of December."
5. Combining Wilson Bay and Gull Lake Gull Lake.
6. Adding Welch Lake to Schedule II.
7. Correcting the spelling of Lake Vermilion in Schedule I.

Statutory Authority. The statutory authority to adopt the rules is Laws 2021, 1st Special Session, chapter 6, article 2, section 77, and Minnesota Statutes, section 97C.805, subdivision 2. The statutory authority to use the expedited rulemaking process under Minnesota Statutes, section 14.389, is Minnesota Statutes, sections 84.027, subd. 13a (b). A copy of the proposed rules is published in the State Register and attached to this notice as mailed. The proposed expedited rules may be viewed on the *DNR rulemaking webpage* at www.dnr.state.mn.us/input/rules/rulemaking.html.

Comments. You have until 4:30 p.m. on Friday, May 26, 2023, to submit written comments in support of or in

Expedited Rules

opposition to the proposed expedited rules and any part or subpart of the rules. Your comments must be in writing and received by the agency contact person by the due date. The Department encourages comment. Your comments should identify the portion of the proposed expedited rules addressed and the reason for the comment. In addition, you are encouraged to propose any change desired. You must also make any comments that you have on the legality of the proposed rules during this comment period. If the proposed expedited rules affect you in any way, the agency encourages you to participate in the rulemaking process.

Public Data. All information you submit in a public comment during formal rulemaking proceedings is public data, including your name and contact information.

Requests for Hearing. In addition to submitting comments, you may also request that a hearing be held on the rules. You must make your request in writing and the agency contact person must receive it by 4:30 p.m. on Friday, May 26, 2023. Your written request must include your name and address. You must identify the portion of the proposed rules to which you object or state that you oppose the entire set of rules. Any request that does not comply with these requirements is not valid and the agency cannot count it for determining whether it must hold a public hearing. You are also encouraged to state the reason for the request and any changes you want made to the proposed rules.

Withdrawal of Requests. If 50 or more persons submit valid written requests for a hearing, a public hearing will be held unless a sufficient number withdraw their requests in writing. If enough requests for hearing are withdrawn to reduce the number below 50, the agency must give written notice of this to all persons who requested a hearing, explain the actions the agency took to effect achieve the withdrawal, and ask for written comments on this action. If the agency is required to hold a public hearing, it will follow the procedures in Minnesota Statutes, section 14.131 to 14.20.

Modifications. The agency may modify the proposed expedited rules using either of two avenues: The agency may modify the rules directly so long as the modifications do not make them substantially different as defined in Minnesota Statutes, section 14.05, subdivision 2, paragraphs (b) and (c). Or the agency may adopt substantially different rules if it follows the procedure under *Minnesota Rules*, part 1400.2110. If the final rules are identical to the rules originally published in the State Register, the agency will publish a notice of adoption in the State Register. If the final rules are different from the rules originally published in the State Register, the agency must publish a copy of the changes in the State Register.

Alternative Format. Upon request, this information can be made available in an alternative format, such as large print, braille, or audio. To make such a request, please contact the agency contact person at the address or telephone number listed above.

Lobbyist Registration. Minnesota Statutes, chapter 10A, requires each lobbyist to register with the State Campaign Finance and Public Disclosure Board. You may direct questions regarding this requirement to the Campaign Finance and Public Disclosure Board at: Suite #190, Centennial Building, 658 Cedar Street, St. Paul, Minnesota 55155, telephone 651-539-1180, or 18006573889.

Adoption and Review of Expedited Rules. The agency may adopt the rules at the end of the comment period. The agency will then submit rules and supporting documents to the Office of Administrative Hearings for review for legality. You may ask to be notified of the date that the agency submits the rules. If you want to be so notified or want to receive a copy of the adopted rules or want to register with the agency to receive notice of future rule proceedings, submit your request to the agency contact person listed above.
