Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Executive Orders

The governor has the authority to issue written statements or orders, called Executive Orders, as well as Emergency Executive Orders. The governor's authority is specified in the Constitution of the State of Minnesota, Article V, and in *Minnesota Statutes* § 4.035. Emergency Executive Orders, for protection from an imminent threat to health and safety, become effective immediately, are filed with the secretary of state, and published in the *State Register* as soon as possible after they are issued. Other Executive Orders become effective 15 days after publication in the *State Register* and filing with the secretary of state. Unless otherwise specified, an executive order expires 90 days after the date the governor who issued the order vacates office.

Office of the Governor

Executive Order 23-07: Establishing the Governor's Committee on the Compensation, Wellbeing, and Fair Treatment of Transportation Network Company Drivers

I, Tim Walz, Governor of the State of Minnesota, by the authority vested in me by the Constitution and applicable statutes, issue the following Executive Order:

Transportation network companies ("TNCs") and transportation network company drivers provide a vital service to the citizens of Minnesota. Rideshare has dramatically changed the personal transportation industry, with a mix of both benefits and drawbacks for customers and drivers. The benefits of TNCs include convenience, increasing transportation access for low-income communities and individuals with disabilities, safety, and reliable quality. However, because drivers are typically classified as independent contractors, drivers are not afforded the same workplace protections as typical employees, including the protection of wage and hour laws.

Minnesota should advance laws that promote fairness and transparency for TNC drivers, and those policies should be informed by research, Minnesota-specific data, discussions, and stakeholder input. This Executive Order establishes a committee to engage on these important issues and assist in finding solutions that will benefit both TNC drivers and the Minnesotans who rely on them for their transportation needs.

For these reasons, I order as follows:

1. The Commissioner of Labor and Industry will commission and oversee a study to obtain and analyze data and information related to the working conditions of TNC drivers in Minnesota and how potential changes may impact access and cost for riders.
2. The Governor's Committee on the Compensation, Wellbeing and Fair Treatment of Transportation Network Company Drivers ("Committee") is established.
3. The Committee's objectives are to:
 - a. Provide a forum to engage, collect, and analyze data and information related to the working conditions of TNC drivers.
 - b. Draft recommendations related to compensation and fair treatment of TNC drivers that achieve the following goals:
 - i. Ensure that TNC drivers receive fair compensation
 - ii. Ensure that TNCs have established procedures for the deactivation of TNC drivers that provide due process
 - iii. Limit impact on fares for riders, especially riders in the disability community and low-income communities who rely on these services

Executive Orders

- iv. Ensure continued operation of TNCs in the state of Minnesota
 - c. By January 1, 2024, provide recommendations for state policy and legislative changes.
- 4. The members of the Committee are:
 - a. The Commissioners of the following agencies or their designees:
 - i. Department of Commerce
 - ii. Department of Labor and Industry
 - b. One member of the Minnesota House of Representatives, appointed by the Speaker of the House
 - c. One member of the Minnesota Senate, appointed by the Majority Leader of the Senate
 - d. The Attorney General or his designee
 - e. Ten additional members appointed by the Governor:
 - i. Three members representing TNC drivers
 - ii. Two members representing TNCs
 - iii. Two members of the general public
 - iv. One member representing Minnesota cities
 - v. One member representing a labor union
 - vi. One member from a group that provides services to or advocates on behalf of disabled individuals
- 5. The Commissioners of Labor and Industry and Commerce, or their designees, will serve as the Committee's Co-Chairs.
- 6. The duties of the Committee are as follows:
 - a. Meet at least once per month and more often as necessary.
 - b. Identify and engage stakeholders who can inform discussion of strategies and plans necessary to achieve the Committee's objectives.
 - c. Review the results of the study commissioned pursuant to paragraph 1.
 - d. By January 1, 2024, submit a written report to the Governor that sets forth the Committee's recommendations that relate to compensation and fair treatment of TNC drivers.
 - e. Communicate recommendations with interested stakeholders.
- 7. The following individuals will provide assistance and resources to the Committee as needed:
 - a. Chief Equity Officer

- b. Commissioner of Employment and Economic Development
- c. Commissioner of Transportation

This Executive Order is effective fifteen days after publication in the State Register and filing with the Secretary of State. It will remain in effect until rescinded by proper authority or through June 1, 2024, whichever occurs first.

A determination that any provision of this Executive Order is invalid will not affect the enforceability of any other provision of this Executive Order. Rather, the invalid provision will be modified to the extent necessary so that it is enforceable.

Signed on May 25, 2023.

Executive Order 23-08: Continuing the Governor’s Council on the Martin Luther King, Jr. Holiday – Rescinding Executive Order 22-19

I, Tim Walz, Governor of the State of Minnesota, by the authority vested in me by the Constitution and applicable statutes, issue the following Executive Order:

Dr. Martin Luther King, Jr. helped create major changes in American race relations through his work in the Civil Rights Movement and dedication to nonviolent protest. The legacy of his work reverberates to this day. As the global movement following the 2020 murder of George Floyd has brought to the forefront, systemic racism has long threatened the health, safety, and wellbeing of Minnesota’s Black communities, as well as Indigenous communities and other communities of color.

People across Minnesota and the country of every race, creed, and color are forever indebted to Dr. King for his tenacity and sacrifice. We carry forward Dr. King’s legacy in our continued efforts to dismantle systemic racism and discrimination.

The Governor’s Council on the Martin Luther King, Jr. Holiday ensures that Dr. King’s memory and his mission are kept alive in the minds and hearts of Minnesotans.

The Office of Equity, Opportunity, and Accessibility was created to connect external stakeholders with state government partners for the purpose of achieving equity and opportunity for everyone in the State of Minnesota. The Chief Equity Officer is charged with creating community events in diverse communities. The celebration of Dr. Martin Luther King, Jr. touches all Minnesotans.

For these reasons, I order as follows:

1. The Governor’s Council on the Martin Luther King, Jr. Holiday (“Council”) is continued.
2. The Council’s purpose is to ensure that the contributions of Dr. Martin Luther King, Jr. are recognized throughout the State of Minnesota.

Executive Orders

3. The Chief Equity Officer will serve as Chair of the Council.
4. The Governor will appoint up to fourteen additional members on a biennial basis.
5. The Office of Equity, Opportunity, and Accessibility will provide staffing and administrative support to the Council.
6. The Council will work closely with the Chief Inclusion Officer and the Public Engagement Department in the Office of the Governor and Lieutenant Governor.
7. Executive Order 22-19 is rescinded.

This Executive Order is effective fifteen days after publication in the State Register and filing with the Secretary of State. It will remain in effect until rescinded by proper authority or until it expires in accordance with Minnesota Statutes 2022, section 4.035, subdivision 3.

Signed on May 26, 2023.
