Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Official Notices

Pursuant to *Minnesota Statutes* §§ 14.101, an agency must first solicit comments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, and within 60 days of the effective date of any new statutory grant of required rulemaking.

The *State Register* also publishes other official notices of state agencies and non-state agencies, including notices of meetings and matters of public interest.

Department of Human Services

Health Care Administration

Request for Comments on the Minnesota Substance Use Disorder System Reform Section 1115 Medicaid Demonstration Waiver Extension Request

DHS is announcing a second 30-day comment period on the proposed extension of the Minnesota Substance Use Disorder (SUD) System Reform Section 1115 Medicaid demonstration waiver. The first comment period was from September 26, 2023 through October 27, 2023. Comments received during that period were submitted to the Centers for Medicare & Medicaid Services (CMS) in December 2023 with the SUD waiver extension request. CMS subsequently directed the state to make a summary of the extension request available and offer a second comment period. The summary is on the Department of Human Services' ***federal waiver web page***. There were no substantive revisions to the SUD waiver extension content posted on September 26, 2023. Comments received during the first period are on record with DHS and CMS and do not need to be submitted again. Comments for the second 30-day comment period must be received by February 16, 2024.

The SUD waiver was first approved by the Centers for Medicare & Medicaid Services in August 2019. The SUD waiver provides federal Medicaid funds for enrollees receiving SUD treatment in facilities that meet the federal definition of an Institution for Mental Diseases (IMDs). This federal funding supports continued access to intensive residential SUD treatment services for Minnesotans struggling with addiction. The state proposes a five-year demonstration waiver extension under section 1115(a) of the Social Security Act to test the impact of evidence-based provider referral arrangements and practices on improving health outcomes for Medicaid enrollees with substance use conditions.

The current waiver ends June 30, 2024. DHS invites public comment on the SUD waiver extension request. Comments received will be posted on the DHS website. The waiver extension request, summary, and other information about the SUD waiver can be found at ***Federal health care waivers with public hearings and comments / Minnesota Department of Human Services (mn.gov),*** including information about how to obtain a paper copy of the waiver extension request and summary.

Comments may be submitted to the following email mailbox: ***Section1115WaiverComments@state.mn.us***. To support making comments available to people who use screen readers, DHS requests comments be submitted in Microsoft Word format or incorporated within the email text. If you would also like to provide a signed copy of a comment letter, you may submit a second copy in

Adobe PDF format. Comments must be received by February 16, 2024. Comments are also accepted if mailed to:

State Grants & Loans

In addition to requests by state agencies for technical/professional services (published in the State Contracts Section), the *State Register* also publishes notices about grants and loans available through any agency or branch of state government. Although some grant and loan programs specifically require printing in a statewide publication such as the State Register, there is no requirement for publication in the *State Register* itself. Agencies are encouraged to publish grant and loan notices, and to provide financial estimates as well as sufficient time for interested parties to respond.
