Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Proposed Rules

Comments on Planned Rules or Rule Amendments. An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, and within 60 days of the effective date of any new statutory grant of required rulemaking.

Rules to be Adopted After a Hearing. After receiving comments and deciding to hold a public hearing on the rule, an agency drafts its rule. It then publishes its rules with a notice of hearing. All persons wishing to make a statement must register at the hearing. Anyone who wishes to submit written comments may do so at the hearing, or within five working days of the close of the hearing. Administrative law judges may, during the hearing, extend the period for receiving comments up to 20 calendar days. For five business days after the submission period the agency and interested persons may respond to any new information submitted during the written submission period and the record then is closed. The administrative law judge prepares a report within 30 days, stating findings of fact, conclusions and recommendations. After receiving the report, the agency decides whether to adopt, withdraw or modify the proposed rule based on consideration of the comments made during the rule hearing procedure and the report of the administrative law judge. The agency must wait five days after receiving the report before taking any action.

Rules to be Adopted Without a Hearing. Pursuant to *Minnesota Statutes* § 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing. An agency must first solicit **Comments on Planned Rules** or **Comments on Planned Rule Amendments** from the public. The agency then publishes a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register.* If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.1414.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the *State Register.*

Board of Peace Officer Standards and Training

Proposed Permanent Rules Relating to Peace Officer Standards; DUAL NOTICE: Notice of Intent to Adopt Rules Without a Public Hearing Unless 25 or More Persons Request a Hearing, and Notice of Hearing if 25 or More Requests for a Hearing Are Received; Revisor's ID Number 4850; OAH Docket 24-9007-39670

Introduction. The Board of Peace Officer Standards and Training (POST Board) intends to adopt rules without a public hearing following the procedures prescribed by the Office of Administrative Hearings, *Minnesota Rules*, parts 1400.2300 to 1400.2310, and the Administrative Procedure Act, *Minnesota Statutes*, sections 14.22 to 14.28. The proposed amendment will restore the prior rule and make violating any order issued by the Board a standards of conduct violation under Rule 6700.1600, item F. This provision existed in rule prior to the R4641 rulemaking process and was inadvertently omitted during the prior rulemaking process.

Subject of Rules and Statutory Authority. The proposed rule restores the prior rule that violating an order issued by the Board is a standards of conduct violation for licensed peace officers. This rule amendment is vital to the Board's oversight of peace officers working in the state. Reinstating this rule will, once again, make clear that the Board has authority to take disciplinary action if a licensee violates a Board order. As can be seen in the draft attached to this notice, the proposed clause will be added to Rule 6700.1600, item F, as subitem (4)- moving the previous subitem (4) to subitem

(5). Minnesota Statutes, section 626.843 authorizes the POST Board to adopt rules with respect to matters consistent with the board's regulatory authority identified in Minnesota Statutes, sections 626.84 to 626.863.

Agency Contact Person. Comments, questions, and written requests for a public hearing should be submitted to the agency contact person. The agency contact person is Alicia Popowski, Minnesota Board of Peace Officer Standards and Training (POST Board), 1600 University Avenue, Suite 200, St. Paul, MN 55104, 651-201-7782, or ***alicia.popowski@state.mn.us*.**

Comments. Written comments on the proposed rule are due by 4:30 p.m. on April 19, 2024. Written comments may be in support of or in opposition to the proposed rules and any part or subpart of the rule. Comments must be in writing and the agency contact person must receive it by the due date. Comments should identify the portion of the proposed rules you are commenting on and the reason for the comment. You are encouraged to propose any change desired. Any comments that you have about the legality of the proposed rules must also be made during this comment period.

Request for a Hearing. In addition to submitting comments, you may also request that the Board hold a hearing on the rule. Your request must be in writing and be submitted to the agency contact person by 4:30 p.m. on April 19, 2024. Written request for a public hearing must include the writer's name and address. You must identify the portion of the proposed rules that you object to or state that you oppose the entire rule. Any request that does not comply with these requirements is not valid and the agency cannot count it when determining whether it must hold a public hearing. You are also encouraged to state the reason for the request and any changes you want made to the proposed rules.

Withdrawal of Requests. If 25 or more persons submit a valid written request for a hearing, the Board will hold a public hearing unless a sufficient number of individuals withdraw their requests in writing. If enough requests for a hearing are withdrawn to reduce the number below 25, the agency must give written notice of this to all persons who requested a hearing, explain the actions the agency took to effect the withdrawal, and ask for written comments on this action. If a public hearing is required, the agency will follow the procedures in *Minnesota Statutes*, sections 14.131 to 14.20.

Hearing Date. If 25 or more hearing requests are received by the deadline mentioned above, an Administrative Law Judge will conduct a hearing starting at 9:30am on May 22, 2024, via WebEx until the hearing is complete. You may participate in the hearing, if one is held, via an internet connection with a computer, smart phone, or other internet capable device. You may also participate via phone with an audio connection only. The hearing details are as follows:

Modifications. The Board may modify the proposed rules because of public comment. The modifications must be supported by comments and information submitted to the agency. Additionally, the adopted rules may not be substantially different than the proposed rules, unless the agency follows the procedure under *Minnesota Rules*, Rule 1400.2110.

Statement of Need and Reasonableness. The Statement of Need and Reasonableness (SONAR) contains a summary of the justification for the proposed rule, including a description of who will be affected by the proposed rule and an estimate of the probable cost of the proposed rule. The SONAR has been posted to the Board's website under "current rulemaking activity" at ***https://mn.gov/post/boardscommittees/rules/currentrulemakingactivity/***. The SONAR is also available upon request. You may obtain paper copies of the SOANR for the cost of reproduction by contacting the agency contact person.

Lobbyist Registration. *Minnesota Statutes*, chapter 10A, requires each lobbyist to register with the State Campaign Finance and Public Disclosure Board. You should direct questions about this requirement to the Campaign Finance and Public Disclosure Board at: Suite 190, Centennial Building, 658 Cedar Street, St. Paul, Minnesota 55155, telephone (651) 539-1180 or 1-800-657-3889.

Adoption and Review of Rules. If no hearing is required, the agency may adopt the rule after the end of the comment period. The agency will then submit the rule and supporting documents to the Office of Administrative Hearings for review of legality. You may ask to be notified when the agency submits the rule to the Office of Administrative Hearings for review. If you want to be so notified or want to receive a copy of the adopted rules or want to register with the agency to receive notice of future rule proceedings, submit your request to the agency contact person listed above or subscribe to the agency newsletter on the Board's website.

Expedited Emergency Rules

Provisions exist for the Commissioners of some state agencies to adopt expedited emergency rules when conditions exist that do not allow the Commissioner to comply with the requirements for emergency rules. The Commissioner must submit the rule to the attorney general for review and must publish a notice of adoption that includes a copy of the rule and the emergency conditions. Expedited emergency rules are effective upon publication in the *State Register*, and may be effective up to seven days before publication under certain emergency conditions.

Expedited emergency rules are effective for the period stated or up to 18 months. Specific *Minnesota Statute* citations accompanying these expedited emergency rules detail the agency's rulemaking authority.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. Department of Natural Resources

Adopted Expedited Emergency Game and Fish Rules: Spring Turkey Hunt, State Game Refuges, and Wildlife Management Areas

Notice is hereby given that the above entitled rules have been adopted through the process prescribed by *Minnesota Statutes*, section 84.027, subdivision 13(b). The statutory authority for the contents of these rules is Minnesota Statutes, section 84.027, subdivision 13(a)-(b); section 86A.06; 97A.091, subdivision 2; section 97A.045, subdivisions 3, 5, 6 and 9; section 97A.137, subdivision 1 and 2; section 97A.435, subdivision 1 and 2; section 97B.l I l; section 97B.605; section 97B.721; section 97B.723 and section 97B.731 subdivision 3.

The conditions that do not allow compliance with *Minnesota Statutes*, sections 97A.0451 to 97A.0459, are as follows: i) distribution of permits for access to major wildlife management units is subject to modification on an annual basis as the Department of Natural Resources refines the manner by which the season is conducted to provide high-quality hunting opportunities and assure equitable distribution of harvest, ii) turkey population and harvest data is gathered annually and analyzed in late summer, and iii) adjustments to permit area boundaries are based on annual and long term population data as well as input from the public.

The St. Michaels Meadows Wildlife Management Area is an integral part of a wetland restoration project but cannot sustain firearms hunting due to its smaller size and proximity to a residential housing development.

Changes to the Becklin-Homestead Park Wildlife Management Area and the Carlos Avery Wildlife Management Area Sanctuary improve opportunities for youth or disabled hunters who are participating in special hunts.

Changes to Cross Lake and Camp Ripley Game Refuges in Crow Wing and Morrison counties, respectively, provide additional hunting opportunity on refuges where there is a harvestable surplus of wild turkey.

The crow season is being amended to continue to meet the maximum federal crow season specified in Minnesota Statutes, section 97B.73 l, subdivision 3.

Exempt Rules

Exempt rules are excluded from the normal rulemaking procedures (*Minnesota Statutes* §§ 14.386 and 14.388). They are most often of two kinds. One kind is specifically exempted by the Legislature from rulemaking procedures, but approved for form by the Revisor of Statutes, reviewed for legality by the Office of Administrative Hearings, and then published in the State Register. These exempt rules are effective for two years only.

The second kind of exempt rule is one adopted where an agency for good cause finds that the rulemaking provisions of *Minnesota Statutes*, Chapter 14 are unnecessary, impracticable, or contrary to the public interest. This exemption can be used only where the rules:

(1) address a serious and immediate threat to the public health, safety, or welfare, or

(2) comply with a court order or a requirement in federal law in a manner that does not allow for compliance with *Minnesota Statutes* Sections 14.14-14.28, or

(3) incorporate specific changes set forth in applicable statutes when no interpretation of law is required, or

(4) make changes that do not alter the sense, meaning, or effect of the rules.

These exempt rules are also reviewed for form by the Revisor of Statutes, for legality by the Office of Administrative Hearings and then published in the *State Register*. In addition, the Office of Administrative Hearings must determine whether the agency has provided adequate justification for the use of this exemption. Rules adopted under clauses (1) or (2) above are effective for two years only. The Legislature may also exempt an agency from the normal rulemaking procedures and establish other procedural and substantive requirements unique to that exemption.
