Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

The Omnibus Budget Reconciliation Act of 1989 (OBRA) requires that Housing Tax Credit Allocating Agencies develop a plan for allocating tax credits within their jurisdiction, setting forth criteria to determine priorities for selection of developments to receive tax credits. The OBRA also requires Tax Credit Agencies to hold a public hearing to receive

public comment on the Allocation Plan.

The above public hearing is for the 2026 and 2027 Qualified Allocation Plan developed by Minnesota Housing, in cooperation with local government representatives, for use within the Tax Credit Allocation jurisdiction of Minnesota Housing. Other Tax Credit Suballocating Agencies in Minnesota will be holding public hearings for their areas of jurisdiction. Currently, the following cities and counties are eligible to be Suballocating Agencies in Minnesota: Duluth, St. Cloud, Rochester, Minneapolis, St. Paul, Washington County and Dakota County. A suballocator may elect to enter into a Joint Powers Agreement with Minnesota Housing. Under a Joint Powers Agreement, Minnesota Housing will perform certain functions related to the HTC allocation or award and compliance monitoring. Currently, the following cities have entered in a Joint Powers agreement: Duluth, St. Cloud, and Rochester.

If a member of the public needs an accessibility accommodation, please contact Minnesota Housing by June 20, 2024, at ***HTC.MHFA@state.mn.us*** or 651-296-8149. Note that this public hearing is not a workshop or training session but is intended to solicit the comments of the public.

Written comments may also be submitted to Minnesota Housing and will be considered at the hearing; email comments to ***HTC.MHFA@state.mn.us***. The Minnesota Department of Agriculture (MDA) is requesting proposals for developing markets for continuous living cover. The State Legislature provided funding to the MDA for “grants to organizations in Minnesota to develop enterprises, supply chains, and markets for continuous-living cover crops and cropping systems in the early stages of commercial development. For the purposes of this paragraph, "continuous-living cover crops and cropping systems" refers to agroforestry, perennial biomass, perennial forage, perennial grains, and winter-annual cereal grains and oilseeds that have market value as harvested or grazed commodities.” This is a onetime appropriation.

The MDA will use a competitive review process to award grants. The minimum award is $10,000 and the maximum award is $45,000.

Eligible Projects

Projects must aim to develop and accelerate enterprises, supply chains, and markets for CLC crops and cropping systems in the early stage of commercial development in Minnesota. They may not start until the grant contract is signed by all parties and has reached its start date. The projects need to be completed by June 30, 2025 or June 30,

2026, depending on the funding source. Projects must also be conducted by an organization located in Minnesota and be authorized to conduct business in Minnesota. Projects are limited to one (1) grant per organization.
