Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Adopted Rules

A rule becomes effective after the requirements of *Minnesota Statutes* §§ 14.05-14.28 have been met and five working days after the rule is published in the *State Register*, unless a later date is required by statutes or specified in the rule. If an adopted rule is identical to its proposed form as previously published, a notice of adoption and a citation to its previous *State Register* publication will be printed. If an adopted rule differs from its proposed form, language which has been deleted will be printed with strikeouts and new language will be underlined. The rule's previous *State Register* publication will be cited.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated “all new material.”

Adopted Rules - Underlining indicates additions to proposed rule language. Strikeout indicates deletions from proposed rule language.

Adopted Permanent Rules Governing Examination Credit Requirements and Continuing Professional Education Late Processing Fees

The rules proposed and published at State Register, Volume 48, Number 43, pages 975-979, April 22, 2024 (48 SR 975), are adopted as proposed.

Executive Orders

The governor has the authority to issue written statements or orders, called Executive Orders, as well as Emergency Executive Orders. The governor's authority is specified in the Constitution of the State of Minnesota, Article V, and in *Minnesota Statutes* § 4.035. Emergency Executive Orders, for protection from an imminent threat to health and safety, become effective immediately, are filed with the secretary of state, and published in the *State Register* as soon as possible after they are issued. Other Executive Orders become effective 15 days after publication in the *State Register* and filing with the secretary of state. Unless otherwise specified, an executive order expires 90 days after the date the governor who issued the order vacates office.

Office of the Governor

Emergency Executive Order 24-09: Amending Executive Order 24-05 and Authorizing Financial Assistance to Veterans under the State Soldiers Disaster Relief Program

I, **Tim Walz, Governor of the State of Minnesota**, by the authority vested in me by the Constitution and applicable statutes, issue the following executive order:

On June 22, 2024, I signed Executive Order 24-05 and declared a peacetime emergency pursuant to Minnesota Statutes 2023, section 12.31, in response to the historically wet weather patterns Minnesota was experiencing and the resulting strain it put on local resources. The Executive Council extended this peacetime emergency at an emergency meeting on June 27, 2024.

Local governments and the Department of Public Safety's Division of Homeland Security and Emergency Management are fully utilizing their resources to help impacted communities recover swiftly. On July 1, 2024, President Biden approved a major disaster declaration for the State of Minnesota (Release Number HQ-24-113). The Federal Emergency Management Agency (“FEMA”) separately announced the availability of federal disaster assistance to the State of Minnesota to supplement recovery efforts in the areas affected by the severe storms and flooding (FEMA

Executive Orders

Declaration DR4797MN). Damage assessments are ongoing and additional counties and forms of assistance may be added once the assessments are completed.

While damage assessments are continuing, it is clear significant relief is needed to help impacted Minnesotans, including our veterans, recover. Per Minnesota Administrative Rules Chapter 9055.0340, the Governor may issue an emergency executive order authorizing the Minnesota Department of Veterans Affairs (“MDVA”) to provide benefits and assistance to veterans in the event of a declared emergency as defined in Minnesota Statutes, section 12.03, subdivision 1e.

For these reasons, I order as follows:

1. Executive Order 24-05 is amended to add paragraphs 6, 7, 8, and 9 (indicated by underlined text):
 6. MDVA will activate the State Soldiers Disaster Relief Program pursuant to Minn. R. 9055.0340, Subp. 2, to provide relief to veterans and their dependents in the counties identified herein.
 7. President Biden approved a major disaster declaration in the counties of Blue Earth, Carver, Cass, Cook, Cottonwood, Faribault, Fillmore, Freeborn, Goodhue, Jackson, Lake, Le Sueur, Murray, Nobles, Pipestone, Rice, Rock, St. Louis, Steele, Wabasha, Waseca, and Watonwan.
 8. Additional counties are currently under review by FEMA and may receive a federal disaster declaration in the future related to this incident. Upon receiving a federal declaration, veterans and their dependents in those additional counties will become eligible for assistance under the State Soldiers Disaster Relief Program.
 9. All other provisions of Executive Order 24-05 remain in full force and effect.

This Emergency Executive Order is effective immediately under Minnesota Statutes 2023, section 4.035, subdivision 2, and remains in effect until rescinded by proper authority or until it expires.

A determination that any provision of this Executive Order is invalid will not affect the enforceability of any other provision of this Executive Order. Rather, the invalid provision will be modified to the extent necessary so that it is enforceable.

Signed on July 25, 2024.

Tim Walz, GOVERNOR

Filed According to Law:

Steve Simon, SECRETARY OF STATE
