Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Expedited Rules

Provisions exist for the Commissioners of some state agencies to adopt expedited rules when conditions exist that do not allow the Commissioner to comply with the requirements for normal rules. The Commissioner must submit the rule to the attorney general for review and must publish a notice of adoption that includes a copy of the rule and the conditions. Expedited rules are effective upon publication in the State Register, and may be effective up to seven days before publication under certain conditions.

Expedited rules are effective for the period stated or up to 18 months. Specific *Minnesota Statute* citations accompanying these expedited rules detail the agency's rulemaking authority.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material."
Adopted Rules - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

Notice of Opportunity for Public Comment on Evaluation of Existing State-Required Health Benefit

In 2023, the Minnesota Legislature directed Commerce to conduct an evaluation of the economic cost and health benefits of one existing state-required health benefit mandate annually until 2028. The 2025 evaluation will focus on coverage for chiropractic services. As part of this evaluation process, Commerce is seeking feedback from the public and other interested parties. Responses to the RFI will inform reports submitted by Commerce to the Legislature.

Commerce intends to gather input from a wide range of stakeholders with experience related to the state-required health benefit. While responses to this request for information are welcome from any individual or organization, Commerce strongly encourage responses from the following types of stakeholders in Minnesota: health plans, payers, and purchasers; local and state government programs, departments, and agencies; health care providers and provider organizations of relevant specialties; non-clinical community-based and social service organizations; consumers and patient advocacy groups; vendors. Respondents are encouraged to include multiple perspectives from their organization and stakeholder groups.

The RFI and response instructions are available here: <https://mn.gov/commerce/insurance/industry/policy-data-reports/62j-reports/annual-evaluation.jsp>

Responses to the RFI must be submitted by 11:59 p.m. Thursday, January 23, 2025. Please contact Ashley Setala at ashley.setala@state.mn.us with questions or to obtain this information in a different format.

Notice of Certification of Commercial Prevailing Wage Rates

The Commissioner of the Department of Labor & Industry (DLI) will certify prevailing wage rates for commercial construction projects in all 87 counties on Monday, December 23, 2024. These rates were identified by annual survey of commercial construction projects in Minnesota collected by DLI.

Wage rate determinations are available online at:

<https://dli.mn.gov/business/employment-practices/prevailing-wage-commercial-rates>

Questions regarding determinations may be directed to the following:

State Grants & Loans

In addition to requests by state agencies for technical/professional services (published in the State Contracts Section), the *State Register* also publishes notices about grants and loans available through any agency or branch of state government. Although some grant and loan programs specifically require printing in a statewide publication such as the State Register, there is no requirement for publication in the *State Register* itself. Agencies are encouraged to publish grant and loan notices, and to provide financial estimates as well as sufficient time for interested parties to respond.

Notice of Changes to Grant Request for Proposal noticing in the State Register for the Department of Human Services

The Minnesota Department of Human Services (DHS) will no longer publish individual grant RFP notices to the State Register effective March 27, 2023. The RFPs and RFIs can be viewed by visiting the Minnesota Department of Human Services Grants, Requests for Proposals (RFP) and Requests for Information (RFI) website: <https://mn.gov/dhs/partners-and-providers/grants-rfps/open-rfps/>.

The RFPs and RFIs do not obligate the State to complete the work contemplated in the respective notices. The State reserves the right to cancel solicitations. All expenses incurred in responding to the RFPs and RFIs are solely the responsibility of the responder.

Department of Labor and Industry

Workplace Safety Consultation Unit

Notice of Ergonomic Safety Grants for Covered Health Care, Warehouse and Meatpacking Employers

The Department of Labor and Industry (DLI) announces continuation of its ergonomic hazard matching grant program under *Minnesota Statutes*, section 182.677, subdivision 12, and *Minnesota Rules*, parts 5203.0010 through 5203.0070. Designated employers covered by workers' compensation insurance, and those approved as self-insured employers, are eligible to apply for safety/health matching grants to abate ergonomic related hazards in their workplace.

State Grants & Loans

The safety/health hazards must have been identified in an on-site survey conducted by one of the following:

- 1) MNOSHA safety/health investigator,
- 2) DLI Workplace Safety Consultation safety/health consultant,
- 3) in-house employee safety/health committee,
- 4) workers' compensation underwriter,
- 5) private safety/health consultant or
- 6) a person under contract with the Assigned Risk Plan.

The on-site safety/health survey must have resulted in specifically recommended safety and/or health practices or equipment, training for purchased equipment, and/or tuition reimbursement designed to reduce the risk of musculoskeletal disorders to employees. Costs eligible for program participation are all or part of the cost of purchasing and installing recommended equipment intended to prevent musculoskeletal disorders, training required to operate recommended equipment, tuition reimbursement related to identify ergonomic-related issues, the cost of operating or maintaining the equipment, and/or the cost of purchasing or renting real property, if necessary, to meet criteria established by the on-site safety/health survey.

Whether we approve your grant application or not, does not diminish, delay, or absolve you of any obligation to abate hazards as required by law. No state funds will be distributed until all grant documents are signed by all parties and the safety grant project is completed, including payments for all items in the project. Costs incurred before all parties have signed the grant document must not rely on grant approval. Invoices dated prior to your fully executed grant agreement are not eligible for this program.

Grants are limited to a total maximum match of up to \$10,000 per project. The employer must provide at least \$1.00 (one dollar) in project costs for every dollar awarded. No grant will be awarded for more than half the amount of the approved project. Grant applications submitted by the application deadlines of February 15, 2025, April 15, 2025, June 15, 2025, August 15, 2025, October 15, 2025, and December 15, 2025, respectively, will be evaluated and processed so that grant contracts or denial letters will be issued within the two months following each application deadline.

Projects will be judged according to the criteria established by law. Grant funds are available to the following:

- Healthcare facilities, meaning hospitals having a North American Industrial Classification system code of 622110, 622210, or 622310; an outpatient surgical center with a North American Industrial Classification system code of 621493; and a nursing home with a North American Industrial Classification system code of 623110.
- Warehouse distribution centers, meaning a site in Minnesota with 100 or more employees and a North American Industrial Classification system code of 493110, 423110 to 423990, 424110 to 424990, 454110 and 492110.
- Meatpacking sites, meaning sites in Minnesota with 100 or more employees and a North American Industrial Classification system code of 311611 to 311615, except 311613.

An employer that has received a grant for a particular worksite will not be eligible to receive another grant for that worksite during the two years after the date of the award. All applicable information requested on the grant application form is required for grant approval. Missing information will result in your application being disqualified for consideration. Less than the requested amount may be awarded if program resources are insufficient to provide full assistance to all approved applicants and if the reduced grant could still achieve safety objectives.

Applicants can submit a safety grant application using the on-line application form that is accessed at: <https://secure.doli.state.mn.us/grants/>.

Additional information can be found on the Safety Grant Program web-page: <http://www.dli.mn.gov/business/workplace-safety-and-health/mnosha-wsc-safety-grant-program>, or contact the Safety Grants Administrator at: (651) 284-5229, 1-800-657-3776 or e-mail at dli.grants@state.mn.us.

Department of Labor and Industry Workplace Safety Consultation Unit Notice of Safety Grants for Employers

The Department of Labor and Industry (DLI) announces continuation of its safety hazard abatement matching grant program under *Minnesota Statutes*, section 79.253, and *Minnesota Rules*, parts 5203.0010 through 5203.0070. Employers covered by workers' compensation insurance, and those approved as self-insured employers, are eligible to apply for safety/health matching grants to abate safety hazards in their workplace. The safety/health hazards must have been identified in an on-site survey conducted by one of the following:

- 1) MNOSHA safety/health investigator,
- 2) DLI Workplace Safety Consultation safety/health consultant,
- 3) in-house employee safety/health committee,
- 4) workers' compensation underwriter,
- 5) private safety/health consultant or
- 6) a person under contract with the Assigned Risk Plan.

The on-site safety/health survey must have resulted in specifically recommended safety and/or health practices or equipment, training for purchased equipment, and/or tuition reimbursement designed to reduce the risk of injury to employees. Costs eligible for program participation are all or part of the cost of purchasing and installing recommended safety/health equipment, training for purchased equipment, tuition reimbursement, the cost of operating or maintaining safety/health equipment, and/or the cost of purchasing or renting real property, if necessary, to meet criteria established by the on-site safety/health survey. Automobiles, weapons, or personnel costs, such as salary and benefits, will not be covered by these grants.

Whether we approve your grant application or not, does not diminish, delay, or absolve you of any obligation to abate hazards as required by law. No state funds will be distributed until all grant documents are signed by all parties and the safety grant project is completed, including payments for all items in the project. Costs incurred before all parties have signed the grant document must not rely on grant approval. Invoices dated prior to your fully executed grant agreement are not eligible for this program.

Grants are limited to a total maximum match of up to \$10,000 per project. The employer must provide at least \$1.00 (one dollar) in project costs for every dollar awarded. No grant will be awarded for more than half the amount of the approved project. Grant applications submitted by the application deadlines of February 15, 2025, April 15, 2025, June 15, 2025, August 15, 2025, October 15, 2025, and December 15, 2025, respectively, will be evaluated and processed so that grant contracts or denial letters will be issued within the two months following each application deadline.

Projects will be judged according to the criteria established by law. Priority will also be given to projects in select areas that are a current focus of Minnesota OSHA. Go on-line at <https://www.dli.mn.gov/business/workplace-safety-and-health/mnosha-wsc-safety-grant-priority-industries> to view the current list of priority industries.

An employer that has received a grant for a particular worksite will not be eligible to receive another grant for that worksite during the two years after the date of the award. All applicable information requested on the grant application form is required for grant approval. Missing information will result in your application being disqualified for consideration. Less than the requested amount may be awarded if program resources are insufficient to provide full assistance to all approved applicants and if the reduced grant could still achieve safety objectives.

Applicants can submit a safety grant application using the on-line application form that is accessed at: <https://secure.doli.state.mn.us/grants/>.

Additional information can be found on the Safety Grant Program web-page: <http://www.dli.mn.gov/business/workplace-safety-and-health/mnosha-wsc-safety-grant-program>, or contact the Safety Grants Administrator at: (651) 284-5229, 1-800-657-3776 or e-mail at dli.grants@state.mn.us.

State Contracts

Informal Solicitations: Informal solicitations for professional/technical (consultant) contracts valued at over \$5,000 through \$50,000, may either be published in the *State Register* or posted on the Department of Administration, Office of State Procurement (OSP) Website. Interested vendors are encouraged to monitor the P/T Contract Section of the OSP Website at <https://mn.gov/admin/osp> for informal solicitation announcements.

Formal Solicitations: Department of Administration procedures require that formal solicitations (announcements for contracts with an estimated value over \$50,000) for professional/technical contracts must be published in the *State Register*. Certain quasi-state agency and Minnesota State College and University institutions are exempt from these requirements.

Requirements: There are no statutes or rules requiring contracts to be advertised for any specific length of time, but the Office of State Procurement strongly recommends meeting the following requirements: \$0 - \$5000 does not need to be advertised; \$5,000 - \$25,000 should be advertised in the *State Register* for a period of at least seven calendar days; \$25,000 - \$50,000 should be advertised in the *State Register* for a period of at least 14 calendar days; and anything above \$50,000 should be advertised in the *State Register* for a minimum of at least 21 calendar days.

Real Estate & Construction Services

Notice of Addendum No. 2 to Master Roster Request for Qualifications (RFQ) for Professional Services of Minnesota Registered Architects, Engineers, Land Surveyors, Landscape Architects, and Geoscientists

NOTICE IS HEREBY GIVEN that the Department of Administration, Real Estate and Construction Services ("State"), issued a request for qualifications for Minnesota Registered Architects, Engineers, Land Surveyors, Landscape Architects, appraisals and Geoscientists ("Consultant") to assist the State in providing studies, appraisals, predesigns, design through construction documents, construction administration, post construction services, interior design, land surveys, geoscience, and project-related professional services as needed for up to a five-year period. These projects will be varied in nature and scope and will involve new construction and remodeling, which includes but is not limited to buildings, commissioning, and bridges, parking structures, site and utility work, roadways, land and building dispositions, and land development.

The main purpose of Addendum No. 2 is:

1. to add a new category of consultant work to the Master Roster: **Relocation Assistance** services. The tasks and scope of services required of this category and additional changes to the RFQ are included in Addendum No. 2 of the Request for Qualifications (RFQ) located at <https://mn.gov/admin/government/construction-projects/master-roster/rfq/>. Firms that are currently on the Master Roster that wish to add this category of work to their list of qualifications should update their Vendor Management System account to include this category and project information. Firms not currently on the Master Roster are encouraged to apply. There are no application deadlines for submission of qualifications. The Master Roster is always open to additional firms and individuals.

Unless otherwise provided in Minnesota Statutes § 16B.33, the following guidelines apply when using the Master Roster. State agency construction projects requiring a primary designer will have an estimated cost of construction of no greater than \$2,000,000.00; or a study, report, or predesign for a state agency planning project will have a consultant estimated fee no greater than \$200,000.00. Higher education construction projects requiring a primary designer will have an estimated cost of construction of no greater than \$2,000,000.00; and a study, report or predesign for a planning project will have a consultant estimated fee no greater than \$200,000.00. Primary Designers for Projects to construct, erect, or remodel a building with an estimated cost in excess of \$400,000.00 will be selected by the State Designer Selection Board in accordance with *Minnesota Statutes* §16B.33.

The Request for Qualifications and Fee Schedule will remain open continually to enable individuals and firms not currently on the Roster to submit their qualifications and fee schedules.

The State reserves the right to cancel this solicitation if it is considered to be in its best interest. The RFQ is not a guarantee of work and it does not obligate the State to award any contracts. The State reserves the right to discontinue the use or cancel all or any part of this Master Roster program if it is determined to be in its best interest. All expenses incurred in responding to this notice are solely the responsibility of the responder.

Minnesota State Colleges and Universities (Minnesota State) Notice of Bid and Contracting Opportunities

Non-State Public Bids, Contracts & Grants

The State Register also serves as a central marketplace for contracts let out on bid by the public sector. The *State Register* meets state and federal guidelines for statewide circulation of public notices. Any tax-supported institution or government jurisdiction may advertise contracts and requests for proposals from the private sector. It is recommended that contracts and RFPs include the following: 1) name of contact person; 2) institution name, address, and telephone number; 3) brief description of commodity, project or tasks; 4) cost estimate; and 5) final submission date of completed contract proposal. Allow at least three weeks from publication date (four weeks from the date article is submitted for publication). Surveys show that subscribers are interested in hearing about contracts for estimates as low as \$1,000. Contact editor for further details.

Besides the following listing, readers are advised to check: <https://mn.gov/admin/osp> as well as the Office of Grants Management (OGM) at: <https://mn.gov/admin/citizen/grants/>.
