# Minnesota Rules: Amendments and Additions

## NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at [sean.plemmons@state.mn.us](mailto:sean.plemmons@state.mn.us)

# Exempt Rules

Exempt rules are excluded from the normal rulemaking procedures (*Minnesota Statutes* §§ 14.386 and 14.388). They are most often of two kinds. One kind is specifically exempted by the Legislature from rulemaking procedures, but approved for form by the Revisor of Statutes, reviewed for legality by the Office of Administrative Hearings, and then published in the State Register. These exempt rules are effective for two years only.

The second kind of exempt rule is one adopted where an agency for good cause finds that the rulemaking provisions of *Minnesota Statutes*, Chapter 14 are unnecessary, impracticable, or contrary to the public interest. This exemption can be used only where the rules:

- (1) address a serious and immediate threat to the public health, safety, or welfare, or
- (2) comply with a court order or a requirement in federal law in a manner that does not allow for compliance with *Minnesota Statutes* Sections 14.14-14.28, or
- (3) incorporate specific changes set forth in applicable statutes when no interpretation of law is required, or
- (4) make changes that do not alter the sense, meaning, or effect of the rules.

These exempt rules are also reviewed for form by the Revisor of Statutes, for legality by the Office of Administrative Hearings and then published in the *State Register*. In addition, the Office of Administrative Hearings must determine whether the agency has provided adequate justification for the use of this exemption. Rules adopted under clauses (1) or (2) above are effective for two years only. The Legislature may also exempt an agency from the normal rulemaking procedures and establish other procedural and substantive requirements unique to that exemption.

**KEY: Proposed Rules** - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material."

**Adopted Rules** - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

In addition to requests by state agencies for technical/professional services (published in the State Contracts Section), the *State Register* also publishes notices about grants and loans available through any agency or branch of state government. Although some grant and loan programs specifically require printing in a statewide publication such as the *State Register*, there is no requirement for publication in the *State Register* itself. Agencies are encouraged to publish grant and loan notices, and to provide financial estimates as well as sufficient time for interested parties to respond.

## Office of the Minnesota Attorney General

### Request For Qualifications For Outside Counsel Services Relating To: Representing The Minnesota Attorney General On A Contingency Fee Basis In Investigation And Litigation Regarding Consumer Deception And Unfairness Related To Businesses Facilitation Of Sex Trafficking

**SUBMITTALS DUE BY 4:00 P.M. (Central time) on April 4, 2025**

Please email submittals to [RFQ.response@ag.state.mn.us](mailto:RFQ.response@ag.state.mn.us)

#### I. INTRODUCTION

This Request for Qualification (RFQ) has been prepared and released by the State of Minnesota Office of the Attorney General for the purpose of creating a list of qualified counsel to provide legal services under the strict supervision of the Minnesota Attorney General's Office (AGO) in the conduct of the matters for which the Attorney General has the authority to bring affirmative claims on behalf of the public interest. Specifically, the AGO is considering hiring outside counsel to investigate and evaluate potential litigation surrounding consumer deception and unfairness by businesses related to their aiding, abetting, facilitating, or acquiescing to sex trafficking, and to represent the State in any such litigation ("identified matter").

The AGO seeks to review responses from law firms and qualify counsel for engagement. All services contemplated in this RFQ would be provided on a contingency fee basis.

The AGO has full-time lawyers who handle the overwhelming majority of legal work, including litigation matters, for the State. Occasionally, the AGO seeks to engage attorneys with expertise in particular types of legal matters to supplement AGO resources and assist in prosecuting certain claims on behalf of the State. In order to ensure that the State is getting the highest quality legal service at the most reasonable rates, and that all law firms who wish to perform this work are able to compete for it, the AGO is issuing this RFQ as an open solicitation.

The review of qualifications and the possible engagement resulting from this RFQ may not be exclusive and the AGO reserves the right to assign litigation of the identified matter work to more than one firm. In responding to this solicitation, it is understood by all proposers that the AGO reserves the right to select none, any, or all proposers whom the AGO deems to be in the State's best interest. The AGO is not required to submit this work to a competitive bidding process. Any possible engagement letter following this RFQ will depend on the proposals received in response to this RFQ.

# State Contracts

---

The anticipated engagement letter will be for the length of any investigation, litigation, and all related appeals.

## II. AGO CONTACT INFORMATION

This RFQ is being released by the AGO, which is also the sole point of contact during the review process. Any Special Attorney appointment[s] resulting from this RFQ will be administered by the AGO. The contract administrators are Marianne Ellis, Manager of Outside Counsel at the AGO, and Liz Kramer, Solicitor General. If additional information is necessary to interpret the requirements of this RFQ, please direct questions to [RFQ.response@ag.state.mn.us](mailto:RFQ.response@ag.state.mn.us).

## III. CONDITIONS OF SUBMITTING RESPONSES

Proposers responding to this RFQ understand that the following conditions apply to any proposal:

A. **RESPONSE PREPARATION.** The minimum qualifications stated in Section IV and the submission content stated in section V of this RFQ are mandatory. Failure by a respondent to respond to a specific requirement can be the basis for elimination from consideration during the comparative evaluation.

B. **RESPONSE SUBMISSION/ DEADLINE.** Response(s) should be provided in Adobe (pdf) format and submitted by email to the address on the cover of this RFQ by no later than 4:00PM (Central Time) on **April 4, 2025**. No responses submitted after this deadline will be accepted.

C. **INCURRING COSTS.** The AGO is not liable for any cost incurred by respondents in replying to this RFQ.

D. **ORAL INTERVIEWS AND FURTHER INFORMATION.** While not planned at this time, the AGO reserves a right to schedule and conduct an oral interview with any or all the respondents to this RFQ. The AGO also reserves the right to request additional data or a presentation in support of any or all proposals at any time.

E. **PROPRIETARY INFORMATION.** Any restrictions on the use of data contained within a response must be clearly stated in the response itself. Information deemed proprietary submitted in response to this RFQ will be handled in accordance with applicable State data practices law.

F. **ACCEPTANCE OF TERMS.** The proposer has reviewed and understands the RFQ process and requirements as stated in this RFQ.

G. **CONTROL BY ATTORNEY GENERAL.** The identified matter shall be strictly controlled by the Attorney General. The Attorney General shall retain control of all aspects of the representation.

H. **NO ENDORSEMENT.** Selection as outside counsel does not constitute an endorsement by the State of Minnesota or the AGO. A chosen firm may not promote or advertise its designation without permission of the AGO.

I. **RESERVED RIGHTS.** The AGO reserves the right to reject any and all proposals received in response to this RFQ when determined to be in the State's best interest, and to waive minor noncompliance in a proposal. The AGO further reserves the right to make such investigations as deemed necessary as to the qualifications of any and all firms submitting proposals in response to this RFQ. If all proposals are rejected, the AGO reserves the right to re-solicit proposals. Nothing in this RFQ is intended to limit or constrain the discretion of the AGO in exercising any authority, duty, prerogative, or power established or recognized by the Constitution, statutes, executive orders, regulations, case law, or other applicable law.

J. **FEES.** It is anticipated that fees for the identified matter will be based on a contingency fee percentage of the dollars recovered in the matter. The AGO will accept bid proposals as to the percentage rate of fee recovered that will constitute payment for services rendered, as described in section V. If the Attorney General decides to retain a firm, retainer fee agreements will be negotiated by the Attorney General and the firm consistent with applicable law, but in no event will the percentage rate or fee recovered by the firm be greater than the percentage provided in the firm's response to this RFQ. In no event will the fee for specific retainer be determined by the firm making a fee application to the court.

Although fees will be based on a contingency fee, monthly invoices will still be required as well as the tracking of time spent on the identified matter.

K. **COSTS.** Firms shall have resources sufficient to advance all costs, including the costs of preparatory work, the costs of any consulting or testifying experts, and all other costs expected to be incurred in the conduct of litigation of the identified matter. Firms are expected to take measures to control and reduce costs. Allowable costs will be determined by a retainer fee agreement and/or special attorney appointment.
