Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Minnesota Racing Commission

REQUEST FOR COMMENTS for Possible Amendments to Rules Governing Horse Racing; Minnesota Rules Chapters 7869-7897

Revisor's ID Number: R-04965

Subject of Rules.

The Minnesota Racing Commission (MRC) requests comments on possible amendments to the rules governing Horse Racing, Minnesota Rules Chapters 7869-7897. Each year the MRC reviews its rules in cooperation with interested industry participants in order to modify, update, and clarify the rules. We may also seek to repeal obsolete rules. The public is welcomed and encouraged to comment and make proposals for this year's amendments.

Persons Affected.

Any amendments to the rules would likely affect participants of horseracing in Minnesota, including horse owners, trainers, drivers, veterinarians, stewards, judges, association staff, racing officials, and the betting public.

Statutory Authority.

The Racing Commission's statutory authority to adopt the rules is set forth in Minnesota Statutes section 240.03, 240.23 and 240.24.

Minnesota Statutes section 240.03 specifies Racing Commission power and duties which include regulating horse racing in Minnesota to ensure that it is conducted in the public interest and to take all necessary steps to ensure the integrity of racing in Minnesota.

Minnesota Statutes section 240.23 provides the racing commission statutory authority to adopt the rules, as follows:

The Commission has the authority, in addition to all other rulemaking authority granted elsewhere in this chapter to promulgate and adopt rules governing: a) the conduct of horse races held at licensed racetracks in Minnesota, including but not limited to the rules of racing, standards of entry, operation of claiming races, filing and handling of objections, carrying of weights, and declaration of official results, b) wire and wireless communications between the premises of a licensed racetrack and any place outside the premises, c) information on horse races which is sold on the premises of a licensed racetrack, d) liability insurance which it may require of all racetrack licensees, e) the auditing of the books and records of a licensee by an auditor employed or appointed by the Commission, f) emergency action plans maintained by licensed racetracks and their periodic review, g) safety, security, and sanitation of stabling facilities at licensed racetracks, h) entry fees and other funds received by a licensee in the course of conducting racing which the Commission determines must be placed in an escrow account, i) affirmative action in employment and contracting by licensed racetracks, and j) procedures for the sampling and testing of any horse that is eligible to race in Minnesota for substances or practices that are prohibited by law or rule; and k) any other aspect of horse racing or pari-mutuel betting which in its opinion affects the integrity of racing or the public health, welfare, or safety.

Minnesota Statutes section 240.24 authorizes the Racing Commission to "make and enforce rules governing medication and medical testing for horses running at licensed racetracks."

Public Comment.

Interested persons or groups may submit proposals, comments or information on the possible rules in writing or orally until further notice is published in the State Register that the Commission intends to adopt or to withdraw the rules. The Commission does not contemplate appointing an advisory committee to comment on the possible rules. Interested persons may comment via the Court of Administrative Hearings Rulemaking e-Comments Website at <https://minnesotaoah.granicusideas.com/>.

Rules Drafts.

The Commission has not yet prepared a draft of the possible rule amendments and does not anticipate a complete draft will be prepared prior to publication of the proposed rules.

State Grants & Loans

In addition to requests by state agencies for technical/professional services (published in the State Contracts Section), the *State Register* also publishes notices about grants and loans available through any agency or branch of state government. Although some grant and loan programs specifically require printing in a statewide publication such as the *State Register*, there is no requirement for publication in the *State Register* itself. Agencies are encouraged to publish grant and loan notices, and to provide financial estimates as well as sufficient time for interested parties to respond.

Minnesota Lottery

Request for Proposals for Minnesota State Lottery Sponsorship Agreements

Description of Opportunity

The Minnesota State Lottery ("Lottery") develops sponsorship agreements throughout the year with organizations, events, and sports teams to create excitement for lottery players, to interest new players and increase the visibility of lottery games. The Lottery encourages and continually seeks new sponsorship agreements to help achieve current Lottery marketing goals.

The Minnesota Lottery finds sponsorship opportunities in two ways. First, the Minnesota Lottery marketing staff locates and approaches potential sponsors to negotiate directly. Second, the Minnesota Lottery accepts incoming potential sponsors through this proposal process. Employing both strategies allows the Minnesota Lottery to find the best sponsorship opportunities, including opportunities that are not already known by staff. Both strategies are evaluated using the same criteria.

If you feel your organization, event, sports team, or other opportunity is a good fit for the Minnesota Lottery to sponsor, we encourage you to prepare and submit a proposal.

Proposal Content

A sponsorship proposal presented to the Lottery should meet the following three criteria:

1. **Maximize Lottery Visibility** - the event, sports team, or venue sponsorship proposal should draw a large number of attendees (typically 20,000 or more) whose demographics match the Lottery's target audience. The Lottery is interested in effectively delivering its message of fun and entertainment to Minnesota adults, ages 25-64, with a household income of \$75,000+ and an educational background of some college or higher. The Lottery does not market to those under the age of 18, and events with large numbers of children present are generally not accepted. Attendance numbers, on-site signage availability, sales and engagement opportunities, and media exposure are critical components that will be evaluated in the proposal. List and define all assets, value, and benefits that the Lottery would receive as part of the sponsorship, such as PR inclusions, social media posts, prize support, promotional activities, and signage.
2. **Enhance Lottery Image** - the event, sports team, or venue should be a reputable, safe, and well-run event and organization that enhances the Lottery's brand. The Lottery's presence should fit well within the lineup of other sponsors and participants. The Lottery is interested in sponsorships that can promote Lottery products, either via on-site sales from a Lottery booth, from sales-generating promotions with Lottery retailers, or from joint programs with the sponsor's media or other sponsorship partners.
3. **Provide Promotional Extensions** - the event, sports team, or venue proposal should offer exciting, value-added ways to interact with attendees and have opportunities to motivate attendees, listeners, and viewers to participate in and purchase Lottery games. The proposal must include staffing support, or other considerations to help the Lottery implement any appropriate promotional extension ideas.

Proposals should address all pertinent elements of the sponsorship and how the Lottery criteria, as stated above and on the RFP Evaluation Form, are to be met. To view or print copies of the Request for Proposal go to <https://www.mnlottery.com/vendors/>

This Solicitation does not obligate the state to award a contract or pursue a proposed sponsorship opportunity, and the state reserves the right to cancel the solicitation if it is considered to be in its best interest.
