Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Minnesota Department of Corrections

Adopted Repeal of Obsolete Rules of the Hearings and Release Unit; Order Adopting Rules

Repeal of Obsolete Rules of the Hearings and Release Unit; Revisor's ID No. R-4958; CAH Docket No. 23-9051-41029

BACKGROUND INFORMATION

1. The rules repealed by this order have been determined to be obsolete pursuant to Minnesota Statutes section 14.05, subd. 5. These rules were identified as obsolete in the Department of Corrections' annual obsolete rules reports dated November 5, 2001, November 20, 2002, December 1, 2021, September 19, 2023, December 1, 2023, September 24, 2024, and November 21, 2025.
2. The Department of Corrections has complied with all notice and procedural requirements in Minnesota Statutes chapter 14, Minnesota Rules chapter 1400, and other applicable laws.
3. The Department of Corrections published notice of its intent to repeal the obsolete rules with the State Register on September 15, 2025. The proposed repeal received no comments or submissions during the 60-day review period, which concluded on November 17, 2025.
4. No changes were made between the proposed rules to be repealed and the adopted rules to be repealed.
5. The rulemaking exemptions passed by the Legislature, the subsequent adoption of more current DOC policies, and the passage of superseding statutes have rendered the repealed rules obsolete, unnecessary, or duplicative.
 - A. The vast majority of rules being repealed by this order were originally adopted in 1984 and govern the placement, supervision, release, and term of individuals serving a supervised or conditional release term.
 - i. In 1989, the legislature exempted the Department from the formal rulemaking process for matters related to the placement and supervision of individuals serving a supervised release term (*see* Laws of Minnesota 1989, chapter 290, article 2, section 1).
 - ii. In 2005, this exemption was broadened to exclude rules relating to the release and term of individuals on supervised or conditional release (*see* Laws of Minnesota 2005, chapter 136, article 4, section 2).
 - iii. In 2023, legislation was passed establishing the Supervised Release Board, which has eliminated the need for rules governing the parole of individuals serving indeterminate or life sentences (*see* Minn. Stat. §§ 243.05, subd. 1, 244.049, and 244.05, subd. 5).

Adopted Rules

6. Upon repeal, Chapter 2940 will be limited to provisions pertaining to the revocation of release and parole, including the issuance of warrants prior to revocation proceedings, and the length of revocation terms. The remaining rules are authorized by Minnesota Statutes sections 243.05, subd. 4 (rules pertaining to the conduct of hearing officers exercising delegated powers), and 244.05, subd. 2 (rules regarding the standards and procedures for revoking release and setting revocation terms).

ORDER

The above-named rules, in the form published in the State Register on September 15, 2025, are adopted under my authority in Minnesota Statutes section 14.3895, which allows an agency to repeal obsolete rules.

Date: March 3, 2026

Paul Schnell, Commissioner
Department of Corrections

The rules proposed and published at State Register, Volume 50, Number 11, pages 267-270, September 15, 2025 (50 SR 267), are adopted as proposed.

Commissioner's Orders

Various agency commissioners are authorized to issue "commissioner's orders" on specified activities governed by their agency's enabling laws. See the *Minnesota Statutes* governing each agency to determine the specific applicable statutes. Commissioners' orders are approved by assistant attorneys general as to form and execution and published in the *State Register*. These commissioners orders are compiled in the year-end subject matter index for each volume of the *State Register*.

Minnesota Department of Natural Resources

Commissioner's Order 25-01: Wildlife Lake Designation of Lake Henry Public Water No. 40-104; 40010400

Date: March 23, 2026

Statutory authority: Minnesota Statutes, section 97A.101, subd. 1 and 2

BACKGROUND

Minn Stat. § 97A.101 authorizes the commissioner of the Minnesota Department of Natural Resources to designate, reserve, and manage public waters to propagate and protect wild animals. Currently, there are 61 public waterbodies that are designated, reserved, and managed for wildlife purposes pursuant to this section. Such "[d]esignations are not subject to the rulemaking provisions of chapter 14 and section 14.386 does not apply." Minn. Stat. § 97A.101, subd. 2. The commissioner may designate a public water under this authority after giving notice and holding a public hearing in the county where the major portion of the waters is located. *Id.*,

Lake Henry is currently designated as a migratory waterfowl feeding and resting area to protect waterfowl from disturbance during fall migration. See Minn. Stat. § 97A.095, subd. 2. However, current habitat conditions are poor, as there is a lack of adequate food resources and nesting and brood cover for waterfowl. Lake Henry is a shallow lake that outlets to County Ditch #58 via an outlet structure owned by Le Sueur County. Following designation as a wildlife lake under section 97A.101, the Minnesota Department of Natural Resources (DNR) and Le Sueur County will partner to manage the outlet structure to conduct temporary drawdowns. These managed drawdowns

Commissioner's Orders

encourage growth of aquatic plant vegetation and increase invertebrate abundance. The subsequent improvement in habitat will support propagation and protection of wild animals, specifically waterfowl, other species of water birds, and aquatic furbearers. Accordingly, designation under section 97A.101, subdivision 1 is appropriate.

DNR has further satisfied the procedural requirements of section 97A.101, subdivision 2 by undertaking the following:

1. A news release regarding the proposed designation of Lake Henry (Public Water No: 40-104; 40010400) as a designated wildlife lake was issued on November 12, 2024, to area news outlets;
2. A public information meeting regarding the proposed designation of Lake Henry (Public Water No. 40-104; 40010400) as a designated wildlife lake was held at 6:30 p.m. on November 21, 2024, at the Cleveland American Legion Club, 319 Broadway St., Cleveland, MN 56017;
3. A news release announcing a public hearing regarding the proposed designation of Lake Henry (Public Water No. 40-104; 40010400) as a designated wildlife lake was released to area news outlets on December 30, 2024;
4. Legal notice announcing the public hearing for the proposed designation of Lake Henry (Public Water No. 40-104; 40010400) as a designated wildlife lake was published in the following local legal newspapers: Le Sueur County News, Montgomery Messenger, MN South Lake Regional Life Enterprise and New Prague Times on January 2, 2025;
5. The public hearing was held for the proposed designation of Lake Henry (Public Water No. 40-104; 40010400) as a designated wildlife lake in Le Sueur (the county in which Lake Henry is located) at 6:30 p.m. on Thursday, January 16, 2025, at Cleveland American Legion Club, 319 Broadway St., Cleveland, MN 56017.

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, pursuant to the authority vested in me by law, including Minn. Stat. §97A.101, subd. 1, that Lake Henry (Public Water No. 40-104; 40010400) located in Townships 109 and 110 North, Range 25 West, Sections 3, 27, 34, and 35 in Le Sueur County is designated and reserved for the purposes of wildlife management.

Sarah Strommen, Commissioner

Recommendations for the 2026 Single Family Consolidated RFP, 2026 Multifamily Consolidated RFP/2027 HTC Round 1, and 2027 HTC Round 2 will be approved by Minnesota Housing's board members on a date to be posted on the Minnesota Housing website.

Funding Notification

Notification of awards will be posted on the Minnesota Housing website after the board meetings; notification of selection for further processing will be mailed and/or sent electronically within approximately 10 business days of the approval. Organizations awarded funds from Minnesota Housing RFP partners will be notified by the appropriate RFP partner directly after each of their respective approval processes.

These Consolidated RFPs are subject to all applicable federal and state laws, rules, and regulations. Minnesota Housing reserves the right to modify or withdraw these Consolidated RFPs at any time and is not able to reimburse any applicant for costs incurred in the preparation and/or submittal of proposals.

For detailed information, refer to the Multifamily Request for Proposals Standards available on Minnesota Housing's *Multifamily Consolidated Request for Proposals/Housing Tax Credit Funding Rounds* webpage.

2027 HTC Program RFPs

The HTC Program awards and allocates federal HTC's to owners of qualified affordable rental housing projects. These HTC's, which offer a 10-year reduction in tax liability, are sold to investors in exchange for capital to build eligible affordable rental housing units in new construction, rehabilitation, or acquisition with rehabilitation.

State Grants & Loans

9% HTC's are allocated twice a year through a competitive process:

- The Multifamily Consolidated RFP/HTC Round 1 is offered when much of our other funding is also available.
- HTC Round 2 is generally a smaller round that allocates the remaining available HTC's for the year.

The total estimated amount of 9% HTC's available for the calendar year 2027 is approximately \$19.8 million. This estimate is based on a federal calculation determining each state's annual credit ceiling. The actual HTC will not be confirmed until late spring 2027. Minnesota Housing will administer about \$14.6 million, and Suballocators will administer the rest.

The 2027 HTC Round 1 is the primary round for selecting and allocating HTC's. Minnesota Housing will forward-allocate 2027 HTC's in the 2026 Multifamily Consolidated RFP/2027 HTC Round 1. Following the conclusion of Round 1, any remaining 9% HTC's will be made available in the 2027 HTC Round 2. In Round 2, all unallocated HTC's will be combined into a unified pool for allocation by Minnesota Housing on a statewide basis as specified in the Qualified Allocation Plan.

For detailed information, refer to the Multifamily Request for Proposals Standards available on Minnesota Housing's *Multifamily Consolidated Request for Proposals/Housing Tax Credit Funding Rounds* webpage.

2027 HTC Program Qualified Allocation Plan and Scoring Changes

As part of Minnesota Housing's annual HTC document revisions process, the Amended 2026-2028 Qualified Allocation Plan (QAP), Self-Scoring Worksheet, and various related programmatic documents have been revised in several key respects. Details regarding these changes can be found on Minnesota Housing's *Multifamily Consolidated Request for Proposals/Housing Tax Credit Funding Rounds* webpage.

Housing Tax Credit Allocation Authority

Minnesota Housing was designated by the Minnesota Legislature as the primary HTC Allocating Agency for the State of Minnesota, with certain other cities and counties also designated as Suballocators of HTC's. This authority is based on Minn. Stat. 462A.221-462A.225.

Minnesota Housing Administration of HTC's

In both the HTC Round 1 and Round 2, applicants with eligible buildings in the balance of the state and not within the jurisdiction of a Suballocator may apply to Minnesota Housing for an allocation of HTC's.

In Round 1, applicants with eligible buildings located in the jurisdiction of a Suballocator must apply to the local administrator for HTC's. For further information, contact the applicable city or county at the phone number below.

Suballocators may enter into a Joint Powers Agreement with Minnesota Housing to perform allocation and compliance functions. Applicants with eligible buildings located within the jurisdiction of a Joint Powers Suballocator must submit a complete application to Minnesota Housing.

Local Administration of HTC's

The following eligible cities and counties have the authority to administer HTC's locally:

nonprofit organizations with a Section 501(c)(3) or 501(c)(4) status or appropriate designation approval by the Internal Revenue Service (IRS) as required by section 42(h)(5). Qualified nonprofit organizations can apply to Minnesota Housing for these credits, regardless of the geographic location of the proposed low-income housing development, as specified in the QAP. Nonprofit applicants may apply to both Minnesota Housing and the Suballocator.

I. INTRODUCTION

This Request for Qualification (RFQ) has been prepared and released by the State of Minnesota Office of the Attorney General for the purpose of creating a list of qualified counsel to provide legal services to the Minnesota Department of Transportation (MnDOT) under the supervision of the Minnesota Attorney General's Office (AGO).

The requested representation will include all advice and legal services related to the discontinuation of the Northstar Commuter Rail Service, which operates on freight rail tracks owned by BNSF Railway, pursuant to trackage rights agreements. This specifically includes without limitation, the transfer and disposition of Northstar assets; compliance with federal grant and state bonding obligations; establishment of intercity passenger rail usage rights; and the preparation, negotiation and finalization of agreements among MnDOT and other federal, state, regional, and rail-industry stakeholders; as well as all associated work involving rail law, real property transactions; environmental due-diligence, procurement, asset transfer, and administrative processes ("identified matters").

The AGO seeks to review responses from law firms and qualify counsel for engagement. All services contemplated in this RFQ would be provided on an hourly fee basis.

The AGO has full-time lawyers who handle the majority of legal work for the State. Occasionally, the AGO seeks to engage attorneys with expertise in particular types of legal matters to supplement AGO resources and assist in representing the State and its agencies. In order to ensure that the State is getting the highest quality legal service at the most reasonable rates, and that all law firms who wish to perform this work are able to compete for it, the AGO is issuing this RFQ as an open solicitation.

The review of qualifications and the possible engagement resulting from this RFQ may not be exclusive and the AGO reserves the right to assign transactional or litigation work of the identified matter to more than one firm. In responding to this solicitation, it is understood by all proposers that the AGO reserves the right to select none, any, or all proposers whom the AGO deems to be in the State's best interest. The AGO is not required to submit this work to a competitive bidding process. Any possible engagement letter following this RFQ will depend on the proposals received in response to this RFQ.

II. AGO CONTACT INFORMATION

This RFQ is being released by the AGO, which is also the sole point of contact during the review process. Any Special Attorney appointment[s] resulting from this RFQ will be administered by the AGO. The contract administrators

are Assistant Attorney General Ruty Gebreab and Liz Kramer, Solicitor General. If additional information is necessary to interpret the requirements of this RFQ, please direct questions to RFQ.response@ag.state.mn.us.

III. CONDITIONS OF SUBMITTING RESPONSES

Proposers responding to this RFQ understand that the following conditions apply to any proposal:

- A. **RESPONSE PREPARATION.** The minimum qualifications stated in Section IV and the submission content stated in section V of this RFQ are mandatory. Failure by a respondent to respond to a specific requirement can be the basis for elimination from consideration during the comparative evaluation.

- C. **INCURRING COSTS.** The AGO is not liable for any cost incurred by respondents in replying to this RFQ.
- D. **ORAL INTERVIEWS AND FURTHER INFORMATION.** While not planned at this time, the AGO reserves a right to schedule and conduct an oral interview with any or all the respondents to this RFQ. The AGO also reserves the right to request additional data or a presentation in support of any or all proposals at any time.

- I. **RESERVED RIGHTS.** The AGO reserves the right to reject any and all proposals received in response to this RFQ when determined to be in the State's best interest, and to waive minor noncompliance in a proposal. The AGO further reserves the right to make such investigations as deemed necessary as to the qualifications of any and all firms submitting proposals in response to this RFQ. If all proposals are rejected, the AGO reserves the right to re-solicit proposals. Nothing in this RFQ is intended to limit or constrain the discretion of the AGO in exercising any authority, duty, prerogative, or power established or recognized by the Constitution, statutes, executive orders, regulations, case law, or other applicable law.
- J. **FEES.** Attorney fees and costs for the identified matter will be paid by MnDOT directly. Minnesota Lottery

Request for Proposals for Minnesota State Lottery Sponsorship Agreements

Description of Opportunity

The Minnesota State Lottery ("Lottery") develops sponsorship agreements throughout the year with organizations, events, and sports teams to create excitement for lottery players, to interest new players and increase the visibility of lottery games. The Lottery encourages and continually seeks new sponsorship agreements to help achieve current Lottery marketing goals.

The Minnesota Lottery finds sponsorship opportunities in two ways. First, the Minnesota Lottery marketing staff locates and approaches potential sponsors to negotiate directly. Second, the Minnesota Lottery accepts incoming potential sponsors through this proposal process. Employing both strategies allows the Minnesota Lottery to find the best sponsorship opportunities, including opportunities that are not already known by staff. Both strategies are evaluated using the same criteria.

If you feel your organization, event, sports team, or other opportunity is a good fit for the Minnesota Lottery to sponsor, we encourage you to prepare and submit a proposal.

Proposal Content

A sponsorship proposal presented to the Lottery should meet the following three criteria:

1. **Maximize Lottery Visibility** - the event, sports team, or venue sponsorship proposal should draw a large number of attendees (typically 20,000 or more) whose demographics match the Lottery's target audience. The Lottery is interested in effectively delivering its message of fun and entertainment to Minnesota adults, ages 25-64, with a household income of \$75,000+ and an educational background of some college or higher. The Lottery does not market to those under the age of 18, and events with large numbers of children present are generally not accepted. Attendance numbers, on-site signage availability, sales and engagement opportunities, and media exposure are critical components that will be evaluated in the proposal. List and define all assets, value, and benefits that the Lottery would receive as part of the sponsorship, such as PR inclusions, social media posts, prize support, promotional activities, and signage.
2. **Enhance Lottery Image** - the event, sports team, or venue should be a reputable, safe, and well-run event and organization that enhances the Lottery's brand. The Lottery's presence should fit well within the lineup of other sponsors and participants. The Lottery is interested in sponsorships that can promote Lottery products, either via on-site sales from a Lottery booth, from sales-generating promotions with Lottery retailers, or from joint programs with the sponsor's media or other sponsorship partners.
3. **Provide Promotional Extensions** - the event, sports team, or venue proposal should offer exciting, value-added ways to interact with attendees and have opportunities to motivate attendees, listeners, and viewers to participate in and purchase Lottery games. The proposal must include staffing support, or other considerations to help the Lottery implement any appropriate promotional extension ideas.

Proposals should address all pertinent elements of the sponsorship and how the Lottery criteria, as stated above and on the RFP Evaluation Form, are to be met. To view or print copies of the Request for Proposal go to <https://www.mnlottery.com/vendors/>

This Solicitation does not obligate the state to award a contract or pursue a proposed sponsorship opportunity, and the state reserves the right to cancel the solicitation if it is considered to be in its best interest.
