Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Pursuant to *Minnesota Statutes* §§ 14.101, an agency must first solicit comments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, and within 60 days of the effective date of any new statutory grant of required rulemaking.

Health Care Administration

Request for Comments on the Mino Bimaadiziwin-Wiċhóžani Section 1115 Medicaid Demonstration Waiver Application for Traditional Healing

DHS is announcing a 30-day comment period and providing notice of two public hearings on the proposed application for Minnesota’s Mino Bimaadiziwin-Wichózani (Mino) as a Medicaid demonstration waiver, under section 1115 of the Social Security Act.

Mino Bimaadiziwin-Wiçhozani generally translated means wellness and good health in the Ojibwe (Chippewa) and Dakota (Sioux) languages, respectively. The 2025 Minnesota Legislature directed DHS to submit a Medicaid demonstration waiver application to the Centers for Medicare & Medicaid Services to cover Traditional Healing services under Medical Assistance. A five-year waiver demonstration period is being requested. If approved, Traditional Healing services will be available January 1, 2027, or upon federal approval, whichever is later.

The Mino waiver seeks to improve the health and wellbeing of Indigenous people living in Minnesota by covering Traditional Healing. Minnesota shares geographic borders with eleven (11) federally recognized American Indian Tribes (Tribes). Services will be provided through Tribal facilities that have agreements with the U.S. Department of Health and Human Services, Indian Health Service. To receive Traditional Healing services, Medical Assistance enrollees must be eligible to receive services through these facilities. The waiver will test whether coverage of the service increases access to Traditional Healing practices.

DHS invites public comment on the Mino waiver application. A summary of the waiver application and an electronic version of the full waiver application can be found on the ***DHS Medicaid waivers web page*** under Public Hearings and Comments. If you require a paper copy of the application, send a written request with your full name, mailing address, and phone number to ***Section1115WaiverComments@state.mn.us*** or mail it to Minnesota Department of Human Services, Attn: ELA Federal Relations, 540 Cedar Street, St. Paul, MN 55101.

Waiver regulations and state law require all comments received in writing and during hearings, and the Department's responses will be publicly available. The comments and responses are included in the waiver application submitted to the U.S. Department of Health and Human Services, Centers for Medicare & Medicaid Services and available on Department's web site. Important Notice: If you include information that would otherwise be categorized as private or as protected health information, it will be considered self-disclosure, and it will be included in the application to CMS and publicly posted. Please consider not including private information in public comments.

Submit written comments by August 11, 2026 to: ***Section1115WaiverComments@state.mn.us***. To support making comments available to people who use screen readers, DHS requests comments be submitted in Microsoft Word format or incorporated within the email text. If you would also like to provide a signed copy of a comment letter, you may submit a second copy in Adobe PDF format.

In addition to the opportunity to submit written comments, DHS will hold two public hearings to provide comments directly to DHS staff; see details below. Comments shared during the hearings may be audio recorded for note taking purposes.

State Grants & Loans

In addition to requests by state agencies for technical/professional services (published in the State Contracts Section), the *State Register* also publishes notices about grants and loans available through any agency or branch of state government. Although some grant and loan programs specifically require printing in a statewide publication such as the *State Register*, there is no requirement for publication in the *State Register* itself. Agencies are encouraged to publish grant and loan notices, and to provide financial estimates as well as sufficient time for interested parties to respond.
