Minnesota Rules: Amendments and Additions

NOTICE: How to Follow State Agency Rulemaking in the State Register

The State Register is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the State Register. Published every Monday, the State Register makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific Minnesota Rule chapter numbers. Every odd-numbered year the Minnesota Rules are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the State Register.

An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (Minnesota Statutes §§ 14.101). It does this by publishing a notice in the State Register at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as Proposed Rules, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the State Register. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the State Register as Adopted Rules. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the State Register, the issue the rule appeared in as proposed, and later as adopted.

The State Register features partial and cumulative listings of rules in this section on the following schedule: issues #1-26 inclusive (issue #26 cumulative for issues #1-26); issues #27-52 inclusive (issue #52, cumulative for issues #27-52 or #53 in some years). A subject matter index is updated weekly and is available upon request from the editor. For copies or subscriptions to the State Register, contact the editor at 651-201-3204 or email at sean.plemmons@state.mn.us

Proposed Rules

Comments on Planned Rules or Rule Amendments. An agency must first solicit Comments on Planned Rules or Comments on Planned Rule Amendments from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, and within 60 days of the effective date of any new statutory grant of required rulemaking.

Rules to be Adopted After a Hearing. After receiving comments and deciding to hold a public hearing on the rule, an agency drafts its rule. It then publishes its rules with a notice of hearing. All persons wishing to make a statement must register at the hearing. Anyone who wishes to submit written comments may do so at the hearing, or within five working days of the close of the hearing. Administrative law judges may, during the hearing, extend the period for receiving comments up to 20 calendar days. For five business days after the submission period the agency and interested persons may respond to any new information submitted during the written submission period and the record then is closed. The administrative law judge prepares a report within 30 days, stating findings of fact, conclusions and recommendations. After receiving the report, the agency decides whether to adopt, withdraw or modify the proposed rule based on consideration of the comments made during the rule hearing procedure and the report of the administrative law judge. The agency must wait five days after receiving the report before taking any action.

Rules to be Adopted Without a Hearing. Pursuant to *Minnesota Statutes* § 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing. An agency must first solicit **Comments on Planned Rules** or **Comments on Planned Rule Amendments** from the public. The agency then publishes a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.1414.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the *State Register*.

KEY: Proposed Rules - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **Adopted Rules** - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

Proposed Permanent Rules Repealing a Franchise Report, Registration, and Reporting Form; Notice of Intent to Repeal Obsolete Rules

Proposed Repeal of Obsolete Rules Relating to Form of Annual Report, Registration, and Registration Amendment and Form for Application for Registration, Annual Report, or Amendment of Registration; *Minnesota Rules*, parts 2860.1300, 2860.9910, 2860.1200, subparts 1 and 4, 2860.2200, and 2860.2500, subpart 1; Revisor's ID Number R-05006; CAH Docket Number 5-9009-41767

Introduction. The Minnesota Department of Commerce intends to repeal obsolete rules under the rulemaking process in the Administrative Procedure Act, *Minnesota Statutes*, section 14.3895. You may submit written comments on the proposed repeal of obsolete rules until **4:30 p.m. on Friday, January 8, 2027.**

Subject of Rules. The proposed obsolete rules eliminate the entirety of Minnesota Rules, parts 2860.1300 and 2860.9910 and references to parts 2860.1300 and 2860.9910 in other rules that will remain in effect. The obsolete rules relate to the requirement that franchise registration applications, annual reports, and registration amendments begin with a first page cover page that contains the information required in part 2860.9910. That information includes the file number, fee amount owed and paid, receipt number, initial review, date of application, effective date of registration, orders issued, and examiners initials. Applications, reports, and amendments are now submitted electronically and there

is no longer a need for a cover page as the information requested on the cover page is electronically gathered or recorded.

Statutory Authority. The agency identified the proposed obsolete rules to be repealed in its annual obsolete rules report under Minnesota Statutes section 14.05, subdivision 5. The statutory authority to repeal the obsolete rules is found in Minnesota Statutes, section 14.3895. The initial statutory authority under which these rules were created is found in Minnesota Statutes, section 80C.18 which gives the Commissioner of Commerce the authority to make rules to carry out the provisions of sections 80C.01-80C.22 in accordance with Chapter 14.

Publication of Proposed Rules. A copy of the proposed obsolete rules to be repealed is published in the *State Register* and attached to this notice as mailed. The proposed obsolete rules to be repealed may be viewed at: ***https://mn.gov/commerce/business/rulemaking.jsp***.

Agency Contact Person. The agency contact person is Amanda Kelting at Minnesota Department of Commerce, 85 7th Place East, Suite 280, St. Paul, MN 55101, email: ***Amanda.Kelting@state.mn.us***. You may contact the agency contact person with questions about the rules.

Public Comment. You have until **4:30 p.m. on Friday, January 8, 2027** to submit written comment in support of or in opposition to the proposed repeal of obsolete rules and any part or subpart of the repeal.

Your comment must be in writing and received by the agency contact person by the due date. Your comment should identify the portion of the proposed obsolete rules to be repealed addressed and the reason for the comment. In addition, you are encouraged to object to the repeal of any part or subpart. You must also make any comments that you have on the legality of the proposed rules during this comment period. If the proposed repeal of obsolete rules affects you in any way, the agency encourages you to participate in the rulemaking process.

Submit written comments via the ***Court of Administrative Hearings Rulemaking eComments website (https://mn.gov/oah/forms-and-filing/ecomments/)***, by U.S. Mail delivered to the Court of Administrative Hearings, 600 North Robert Street, P.O. Box 64620, Saint Paul, Minnesota 55164-0620, or by fax (651) 539-0310.

All comments or responses received are public data and will be available for review on the eComments website or on the Agency's website at ***https://mn.gov/commerce/business/rulemaking.jsp***.

Request for Hearing. In addition to submitting comments, you may also request that the agency hold a public hearing on the rules. You must make your request for a public hearing in writing by **4:30 p.m. on Friday, January 8, 2027.** You must include your name and address in your written request for hearing. You must identify the portion of the proposed repealed rules that you object to or state that you oppose the entire set of rules. You are also encouraged to state the reason for the request and any changes you want made to the proposed rules. Any request that does not comply with these requirements is not valid and the agency cannot count it for determining whether it must hold a public hearing.

Effect of Requests. If 25 or more people submit a written request, the agency will have to meet the requirements of Minnesota Statutes, sections 14.131 to 14.20 for rules adopted after a hearing or the requirements of Minnesota Statutes, sections 14.22 to 14.28 for rules adopted without a hearing, including the preparation of a statement of need and reasonableness and the opportunity for a hearing.

Modifications. The agency might modify its choice of these designated rules or parts proposed for repeal (for example, fixing a typo or deciding not to repeal a rule because the rule is discovered not to be obsolete), based on comments and information submitted to the agency. If the final rules are identical to the rules originally published in the *State Register*, the agency will publish a notice of adopting the repealers in the *State Register*. If the final rules are different from the rules originally published in the *State Register*, the agency must publish a copy of the changes in the *State Register*.

Repeal and Review of Obsolete Rules. If no hearing is required, the agency may repeal the obsolete rules after the end of the comment period. The agency will submit the rules and supporting documents to the Court of Administrative Hearings for a legal review. You may ask to be notified of the date the rules are submitted to the office. If you want to

receive notice of this, to receive a copy of the repealed obsolete rules, or to register with the agency to receive notice of future rule proceedings, submit your request to the agency contact person listed above.

Executive Orders

The governor has the authority to issue written statements or orders, called Executive Orders, as well as Emergency Executive Orders. The governor's authority is specified in the Constitution of the State of Minnesota, Article V, and in *Minnesota Statutes* § 4.035. Emergency Executive Orders, for protection from an imminent threat to health and safety, become effective immediately, are filed with the secretary of state, and published in the *State Register* as soon as possible after they are issued. Other Executive Orders become effective 15 days after publication in the *State Register* and filing with the secretary of state. Unless otherwise specified, an executive order expires 90 days after the date the governor who issued the order vacates office.

Office of the Governor

Emergency Executive Order 26-12: Providing for Emergency Relief from Regulations to Motor Carriers and Drivers Operating in Minnesota

I, Tim Walz, Governor of the State of Minnesota, by the authority vested in me by the Constitution and applicable statutes, issue the following Executive Order.

Earlier this month, I issued Executive Order 26-11 to give Minnesotans relief from soaring diesel costs caused by President Trump's reckless war with Iran. As the President's war rages on, diesel prices remain sky high. Minnesota's corn, soybean, sugar beet, and timber producers are in the middle of the harvest and are acutely feeling the pain of $6 per gallon diesel. While the President thinks only about the size of his wallet, we know that our friends, neighbors, and communities are suffering and that we must help ease the pain he is inflicting on Minnesota's farmers and loggers.

I am ordering the Minnesota Department of Transportation to issue temporary emergency harvest permits allowing vehicles transporting corn, soybeans, wheat, potatoes, sugar beets, carrots, and forest products to operate on Minnesota roads above regular weight limits, allowing them to conserve fuel and save money. Additionally, relief from hours of service regulations remains needed to allow for the continued movement of fuel products as carriers and drivers provide necessary and time-sensitive assistance. Strict enforcement of certain hours of service regulations would prevent or hinder the efficient transportation of these essential supplies.

Minnesota Statutes 2025, section 169.86, subdivision 1(a), provides that the commissioner of transportation may, in their discretion, upon good cause being shown therefore, issue special permits authorizing the movement of a vehicle or combination of vehicles of a size or weight of vehicle or load exceeding the maximum specified in chapter 169.

Minnesota Statutes 2025, section 221.0314, subdivision 9, adopts federal safety regulations, including hours of service requirements for drivers. Minnesota Statutes 2025, section 221.0269, provides: "The governor may declare an emergency and grant relief from any of the regulations incorporated in section 221.0314 to carriers and drivers operating motor vehicles in Minnesota to provide emergency relief during the emergency." There has been a declared national emergency with respect to energy since January 20, 2025.

For these reasons, I order as follows:

1. For purposes of this Executive Order, "covered harvest products" includes corn, soybeans, wheat, potatoes, sugar beets, carrots, and forest products.

2. A state of emergency exists in Minnesota. In lieu of issuing special permits to individual carriers or drivers, the Commissioner of Transportation shall issue a temporary emergency harvest permit that authorizes vehicles transporting covered harvest products to exceed the weight limitations governed by the provisions of Minnesota Statutes, chapter 169, as prescribed by the remainder of this Order.

3. Vehicles operating under this Executive Order are subject to the condition that no single axle, no group of axles, and no gross weight may exceed the limitations provided in sections 169.823, 169.824, 169.827, or

169.829 by more than ten percent.

4. The relief provided by this Executive Order applies only to the movement of covered harvest products from the location of harvest to the point of the first unloading. Transfer of the product from a farm vehicle or small farm trailer, within the meaning of chapter 168, to another vehicle is not considered to be the first unloading. Transport beyond that must comply with the normal weight limits.

5. Vehicles that wish to operate under the relief provided by this Executive Order are not required to be licensed for the increased weights which they intend to carry.

6. Vehicles operating under this Executive Order may travel only on state and local highways and may not travel on interstate highways or forest roads maintained by the state or any county.

7. Pursuant to Minnesota Statutes 2025, section 221.0269, subdivision 1, a state of emergency exists in Minnesota that requires relief from regulations incorporated in Minnesota Statutes 2025, section 221.0314, subdivision 9, pertaining to hours of service for motor carriers and drivers of commercial motor vehicles providing direct assistance to emergency relief efforts by transporting fuel products, including diesel, fuel oil, gasoline, ethanol, and biodiesel.

8. Motor carriers and drivers providing direct assistance to the emergency relief efforts by transporting fuel products, including diesel, fuel oil, gasoline, ethanol, and biodiesel are exempted from paragraphs (b) and (c) under the Code of Federal Regulations, title 49, part 395.3, incorporated in Minnesota Statutes 2025, section 221.0314, subdivision 9, pertaining to hours of service.

9. Nothing in this Executive Order may be construed to relieve motor carriers and drivers providing direct assistance to the emergency relief efforts by transporting fuel products, including diesel, fuel oil, gasoline, ethanol, and biodiesel from the requirements under paragraph (a) of the Code of Federal Regulations, title 49, part 395.3, incorporated in Minnesota Statutes 2025, section 221.0314, subdivision 9, which states, in part, that a driver may drive only 11 hours during a period of 14 consecutive hours after coming on duty following 10 consecutive hours off duty.

10. A motor carrier operating under the terms of this Executive Order must not require or allow a fatigued or ill driver to operate a commercial motor vehicle. A driver who informs a carrier that they need immediate rest must be given at least 10 consecutive hours off duty before the driver is required to return to service.

11. Upon the expiration of this Executive Order, or when a driver or motor carrier has been relieved of all duty and responsibility to provide direct assistance to the emergency relief efforts, a driver must take at least 34 consecutive hours off duty.

12. For purposes of this Executive Order, and as defined in Minnesota Statutes 2025, section 221.0269, subdivision 3, paragraph (c), direct assistance to an emergency relief effort terminates when a driver or commercial motor vehicle is used to transport cargo not destined for the emergency relief effort, or when the carrier dispatches that driver or vehicle to another location to begin operations in commerce.

13. This Executive Order does not relieve motor carriers or drivers from regulations pertaining to driver qualifications; driving of commercial motor vehicles; commercial drivers' licenses; drug and alcohol testing for drivers; or equipment, parts, and accessories necessary for the safe operation of vehicles.

This Executive Order is effective immediately under Minnesota Statutes 2025, section 4.035, subdivision 2, and it will remain in effect until it is rescinded by proper authority or November 29, 2026, whichever occurs first.

A determination that any provision of this Executive Order is invalid will not affect the enforceability of any other provision of this Executive Order. Rather, the invalid provision will be modified to the extent necessary so that it is enforceable.

Signed on October 30, 2026

Notice of Permit Decision In the Matter of the Application of Coneflower Energy, LLC for a Route Permit for the Coneflower 345 kV Transmission Line Project in Lyon County, Minnesota. PUC Docket No. IP- 7132/ TL-26-132

NOTICE IS HEREBY GIVEN that in an order issued on September 17, 2026, the Minnesota Public Utilities Commission:

(1) Adopted Commission staff's Proposed Findings of Fact and Conclusions of Law (attached to the briefing papers filed on September 9, 2026) to the extent they are consistent with the Commission's decision.

(2) Made the following modifications to the draft route permit included in briefing papers filed on September 9, 2026: (a) Replaced Special Condition 6.4 with the following: 6.4 Archaeological and Historic Resources. The Permittee shall make every effort to avoid impacts to archaeological and historic resources when constructing the Project. In the event that a resource is encountered, the Permittee shall consult with the State Historic Preservation Office (SHPO) and the State Archaeologist. Where feasible, avoidance of the resource is required. Where not feasible, mitigation must include an effort to minimize Project impacts on the resource consistent with SHPO and State Archaeologist requirements. Prior to construction, the Permittee shall train workers about the need to avoid cultural properties, how to identify cultural properties, and procedures to follow if undocumented cultural properties, including gravesites, are found during construction. If human remains are encountered during construction, the Permittee shall immediately halt construction and promptly notify local law enforcement, and the State Archaeologist, the Minnesota Indian Affairs Council, the Upper Sioux Community, the Lower Sioux Indian Community, Leech Lake Band of Ojibwe and the Bois Forte Band of Chippewa. The Permittee shall not resume construction at such location until authorized by local law enforcement or the State Archaeologist. The Permittee shall keep records of compliance with this section and provide them upon the request of Department of Commerce staff or Commission staff. (b) Added the following special condition: 6.5 Pole Placement Consultation. Prior to the filing of the Plan and Profile pursuant to Section 9.2 the Permittee must consult with the two affected landowners for Lyon County Parcels 04-022001-0 and 04-022003-0 regarding pole placement. With the pre-construction documents, the Permittee must include a narrative of this consultation, along with proof that they have provided these landowners with the relevant portions of the Plan and Profile documents that identify the pole placements clearly on the landowner's property. (c) Added the following special condition: 6.6 Independent Third-Party Monitor. The Permittee may choose to combine the independent third-party monitoring required by Section 5.3.3 of this permit with the construction monitoring for the 235 MW Coneflower Solar Project (IP 7132/GS-24-215). The permittee may exercise this option by filing a proposed scope of work and identifying an independent third-party monitor to conduct project construction monitoring for both the 235 MW Coneflower Solar Project (IP-7132/GS-24-215) and this project simultaneously.

(3) Issued the route permit with the special conditions recommended in the Commission's Energy Infrastructure Permitting staff's Proposed Findings of Fact and Conclusions of Law to Coneflower Energy, LLC for the Coneflower 345kV Transmission Line project.

Minnesota Lottery

Request for Proposals for Minnesota State Lottery Sponsorship Agreements

Description of Opportunity

The Minnesota State Lottery ("Lottery") develops sponsorship agreements throughout the year with organizations, events, and sports teams to create excitement for lottery players, to interest new players and increase the visibility of lottery games. The Lottery encourages and continually seeks new sponsorship agreements to help achieve current Lottery marketing goals.

The Minnesota Lottery finds sponsorship opportunities in two ways. First, the Minnesota Lottery marketing staff locates and approaches potential sponsors to negotiate directly. Second, the Minnesota Lottery accepts incoming potential sponsors through this proposal process. Employing both strategies allows the Minnesota Lottery to find the best sponsorship opportunities, including opportunities that are not already known by staff. Both strategies are evaluated using the same criteria.

If you feel your organization, event, sports team, or other opportunity is a good fit for the Minnesota Lottery to sponsor, we encourage you to prepare and submit a proposal.

Proposal Content

A sponsorship proposal presented to the Lottery should meet the following three criteria:

1. Maximize Lottery Visibility - the event, sports team, or venue sponsorship proposal should draw a large number of attendees (typically 20,000 or more) whose demographics match the Lottery's target audience. The Lottery is interested in effectively delivering its message of fun and entertainment to Minnesota adults, ages 25-64, with a household income of $75,000+ and an educational background of some college or higher. The Lottery does not market to those under the age of 18, and events with large numbers of children present are generally not accepted. Attendance numbers, on-site signage availability, sales and engagement opportunities, and media exposure are critical components that will be evaluated in the proposal. List and define all assets, value, and benefits that the Lottery would receive as part of the sponsorship, such as PR inclusions, social media posts, prize support, promotional activities, and signage.

2. Enhance Lottery Image - the event, sports team, or venue should be a reputable, safe, and well-run event and organization that enhances the Lottery's brand. The Lottery's presence should fit well within the lineup of other sponsors and participants. The Lottery is interested in sponsorships that can promote Lottery products, either via on-site sales from a Lottery booth, from sales-generating promotions with Lottery retailers, or from joint programs with the sponsor's media or other sponsorship partners.

3. Provide Promotional Extensions - the event, sports team, or venue proposal should offer exciting, value-added ways to interact with attendees and have opportunities to motivate attendees, listeners, and viewers to participate in and purchase Lottery games. The proposal must include staffing support, or other considerations to help the Lottery implement any appropriate promotional extension ideas.

Proposals should address all pertinent elements of the sponsorship and how the Lottery criteria, as stated above and on the RFP Evaluation Form, are to be met. To view or print copies of the Request for Proposal go to ***https://www.mnlottery.com/vendors/***
