

MN\_St. Louis County\_Lincoln Park\_0001  
North end of Lincoln Park at Skyline Parkway. Looking southeast.

MN\_St. Louis County\_Lincoln Park\_0002

2 of 37

Footpath into park, part of the Superior Hiking Trail, at the northeast corner of Lincoln Park. 24th Avenue is to the left and the Saint Louis River is in the distance. Looking south-southwest.

MN\_St. Louis County\_Lincoln Park\_0003

3 of 37

Lincoln Park Drive at 25th Avenue. Miller Creek is visible through trees along the left side of the road. The John R. Blatnik (I-535) Bridge, Saint Louis River, and Superior Bay are in the distance. Looking south.

MN\_St. Louis County\_Lincoln Park\_0004

4 of 37

Lincoln Park Drive is to the left. The Duluth Traverse Trail is in the center. The Lake Superior Hiking Trail is to the right, marked by a blue blaze on a boulder. It heads to the 12th Street Pedestrian Bridge over Miller Creek in the background. Looking northeast.

MN\_St. Louis County\_Lincoln Park\_0005

The south elevation of the 12th Street Pedestrian Bridge over Miller Creek. Looking northwest.

MN\_St. Louis County\_Lincoln Park\_0006

Typical trail along the east side of Miller Creek. This segment is between 10th and 12th Streets. Looking north.

6 of 37

MN\_St. Louis County\_Lincoln Park\_0007

Lincoln Park Drive approaching the Lincoln Park Bridge from the north. The road goes beneath the bridge's western span; Miller Creek and a trail run under the eastern span. A spur connects Lincoln Park Drive and 10th Street. Looking southeast.

MN\_St. Louis County\_Lincoln Park\_0008

8 of 37

East approach to the Lincoln Park Bridge, which carries 10th Street over the Miller Creek ravine. The road angling to the right at the west end of the bridge is 25th Avenue. The spur connecting 10th Street to Lincoln Park Drive is at the base of 25th Avenue. Looking northwest.

MN\_St. Louis County\_Lincoln Park\_0009

South elevation of Lincoln Avenue Bridge. A stone retaining wall along Lincoln Park Drive extends from the western span. Looking northwest.

9 of 37

MN\_St. Louis County\_Lincoln Park\_0010

View from Lincoln Park Bridge with Lincoln Park Drive to the right, Miller Creek in the center, and the Saint Louis River in the distance. Looking south.

10 of 37

MN\_St. Louis County\_Lincoln Park\_0011

Former quarry site on west side of Lincoln Park Drive. Looking northwest.

11 of 37

MN\_St. Louis County\_Lincoln Park\_0012  
8th Street Pedestrian Bridge over Miller Creek. Looking east.

MN\_St. Louis County\_Lincoln Park\_0013

Stairway and stone settee at west end of 8th Street Pedestrian Bridge. Looking west.

13 of 37

MN\_St. Louis County\_Lincoln Park\_0014

Trail along Miller Creek and stairway at east end of 8th Street Pedestrian Bridge. Looking northeast.

14 of 37

MN\_St. Louis County\_Lincoln Park\_0015

Trail on east side of Miller Creek south of 8th Street Pedestrian Bridge. Looking south.

15 of 37

MN\_St. Louis County\_Lincoln Park\_0016

Miller Creek downstream (south) from 8th Street Pedestrian Bridge. Looking north.

16 of 37

MN\_St. Louis County\_Lincoln Park\_0017

Entrance to Lincoln Park from Lincoln Parkway north of 6th Street. Looking southeast.

17 of 37

MN\_St. Louis County\_Lincoln Park\_0018  
Elephant Rock. Looking southeast.

MN\_St. Louis County\_Lincoln Park\_0019

Bridge 69679 carries Lincoln Park Drive over Miller Creek around 6th Street. Elephant Rock is visible at the left edge of the photo. Looking north.

19 of 37

MN\_St. Louis County\_Lincoln Park\_0020

Lincoln Park Drive approaching northern end of Bridge 69679. Chain-link fencing around the terrace is in the distance. Looking southeast.

MN\_St. Louis County\_Lincoln Park\_0021

Lincoln Park Drive. The terrace is to the left. Miller Creek and the 5th Street Pedestrian Bridge are to the right. Looking south.

21 of 37

MN\_St. Louis County\_Lincoln Park\_0022

The terrace east of Lincoln Park Drive. The New Deal stone wall wraps around the north and east sides. The houses in the background are on 25th Avenue. Looking southeast.

22 of 37

MN\_St. Louis County\_Lincoln Park\_0023

The terrace east of Lincoln Park Drive. The sports facilities and parking lot were renovated and the picnic shelter and nature play area were added in 2023. Looking northwest.

MN\_St. Louis County\_Lincoln Park\_0024

Miller Creek and the 5th Street Pedestrian Bridge on the west side of Lincoln Park Drive. The houses in the background are along 26th Avenue and 5th Street. Looking south-southwest.

24 of 37

MN\_St. Louis County\_Lincoln Park\_0025

25 of 37

Dry-laid ashlar walls, individual ashlar blocks, irregular stones, native plants, and swales were integrated into the landscape on the west side of the Plateau during the 2023 renovation to address erosion and improve drainage. The ashlar was salvaged from the failing wall below the terrace on the Plateau's east side that had to be removed. The black pipe railing of a stairway into the park from the corner of Lincoln Parkway and 6th Street is visible at the top of the slope. Looking northwest.

MN\_St. Louis County\_Lincoln Park\_0026

26 of 37

The asphalt trail in the foreground generally reflects the alignment of a loop from Lincoln Park Drive that once came through this area. A trail extending perpendicularly to the east passes over a wood-stringer bridge near the center of the photo and a historic arch bridge over Miller Creek to the right. The wood bridge was installed in 2023 to make this path accessible and allow passage of water when the creek overtops its banks. Looking northeast.

MN\_St. Louis County\_Lincoln Park\_0027

Stone pavilion, picnic shelter, and playground, from 26th Avenue. Looking southeast.

MN\_St. Louis County\_Lincoln Park\_0028

View from 26th Avenue with picnic shelter and playground in foreground, Miller Creek, Lincoln Park Drive, and terrace beyond. Looking northeast.

28 of 37

MN\_St. Louis County\_Lincoln Park\_0029  
Stone pavilion and stone wall from the 1930s. Looking southeast.

29 of 37

MN\_St. Louis County\_Lincoln Park\_0030

30 of 37

Front (northwest) and northeast facades of stone pavilion. A flagpole is near northwest corner of projecting stage. A plaque honoring Councilmember Renee Kathy Van Nett and a bas-relief remnant of plaque for Samuel Snively are on the left end of the front facade. Looking southwest.

MN\_St. Louis County\_Lincoln Park\_0031

31 of 37

Southwest side and rear of stone pavilion. The stone-lined channel of Miller Creek is to the right. Bridge 69650 carries pedestrians over the creek between the pavilion and Lincoln Park Drive. Looking northeast.

MN\_St. Louis County\_Lincoln Park\_0032

32 of 37

A view down Miller Creek from the west end of Bridge 69650. The design of the iron railing and stone end posts was based on an earlier bridge at this location, which was replaced in 2003. Looking southeast.

MN\_St. Louis County\_Lincoln Park\_0033

Lincoln Park Drive just north of the entrance at 3rd Street. 25th Avenue is above the slope to the left. Looking southeast.

33 of 37

MN\_St. Louis County\_Lincoln Park\_0034

Lincoln Park Drive at 3rd Street entrance to park. A sign and planting area are at the intersection's northwest corner. Looking north.

MN\_St. Louis County\_Lincoln Park\_0035

View of Miller Creek and southeast corner of Lincoln Park from Bridge 88552 on 3rd Street. Looking northeast.

35 of 37

MN\_St. Louis County\_Lincoln Park\_0036

View of Miller Creek and southwest corner of Lincoln Park from Bridge 88552 on 3rd Street. Two houses on elevated site to left are east of 26th Avenue. Looking north.

36 of 37

MN\_St. Louis County\_Lincoln Park\_0037  
Bridge 88552 carrying 3rd Street over Miller Creek. Looking southwest.
