Clear Cache in Browser

In most computer-based web browsers, to open menus used to clear your cache, cookies, and history, press Ctrl-Shift-Delete (Windows) or Command-Shift-Delete (Mac). If this doesn't work, follow the appropriate instructions below.

* Firefox - open History on Menu bar, clear history.

* Internet Explorer - open Tools, delete browsing history,

* Google Chrome - open Customize and Control Icon - click on History, then clear browsing history, close, then reopen browser.

Here is a useful guide for popular browsers.
