Our Commitment to Minnesota’s Veterans

The State of Minnesota is committed to effectively serving those who have honorably served their country. As part of that commitment, Admin’s purchasing and contracting programs strive to provide opportunities to veteran-owned businesses.

Our Small Business Certification Program certifies small businesses owned and operated by veterans, granting up to six percent preference to certified businesses selling products or services to the state.

Our Office of Equity in Procurement provides outreach and assistance to small businesses around the state, including those in veterans communities.

Getting Started

Does your company offer goods or services purchased by Minnesota government? The Department of Administration (Admin) helps Minnesota government purchase what it needs, and helps companies position themselves to provide those things.

Our Small Business Certification Program certifies small businesses owned and operated by veterans, granting up to six percent preference to certified businesses selling products or services to the state.

Our Office of Equity in Procurement provides outreach and assistance to small businesses around the state, including those in veterans communities.

Checklist for Veteran-Owned Businesses in Minnesota

Veteran-owned businesses can follow these steps to get started doing business with the state:

1. Register as a vendor to the State of Minnesota, using the state’s Supplier Portal.
   - Have your Federal Employer ID Number and Minnesota State Tax ID Number (if applicable) ready when you register.
   - Once registered, you’ll be listed as a potential vendor for the products and services your business provides!
   - If you need help, Supplier Portal training sessions are held about once a month. See dates at [bit.ly/mmd-vendor-info](bit.ly/mmd-vendor-info).

2. Verify your status as a veteran or a veteran with a service-connected disability.
   - To do this, you’ll need to submit a Veteran Status Verification Request to the Minnesota Department of Veteran Affairs (MDVA). Access the form at [bit.ly/mn-vet-procurement-verification](bit.ly/mn-vet-procurement-verification).
   - To complete the form, you’ll need your DD 214 and, if applicable, a summary of benefits letter from the U.S. Department of Veterans Affairs.

3. Once verified, apply to be certified as a veteran-owned business through Admin’s Small Business Procurement Program.

4. Once registered and certified, watch for purchasing and contracting opportunities!
   - The state publicizes solicitations, requests for proposals (RFPs), and requests for bids (RFBs). You’ll find all three at [bit.ly/mmd-solicitations](bit.ly/mmd-solicitations).
   - You’ll also find certain contracts valued over $50,000 published weekly in the State Register ([bit.ly/mn-state-register](bit.ly/mn-state-register)).
   - Some agencies post opportunities on their websites, such as the Metropolitan Council ([metrocouncil.org](metrocouncil.org)) and the Minnesota Department of Transportation ([www.dot.state.mn.us](www.dot.state.mn.us)).
   - **Pro Tip:** Bookmark these pages for fast and easy access to the latest opportunities!
   - **Pro Tip:** Also note any pre-bid or pre-proposal meetings. These meetings are a great way to connect and network, especially for sub-contractors looking to join existing project teams.

5. Respond to relevant opportunities, following the instructions in the solicitation, RFP, or RFB. Here are some tips to keep in mind.
   - **Pro Tip:** Find the listed contact persons. You can reach out to build relationships, ask questions, and discuss the posting organization’s needs and how responders will be evaluated.
