STIPULATION
AND
ORDER

Board File No. 2004-0033

TO: **Shane Coen**
Coen + Partners, Inc.
400 First Avenue North, Suite 710
Minneapolis, MN 55401

The Minnesota Board of Architecture, Engineering, Land Surveying, Landscape Architecture, Geoscience, and Interior Design (Board) is authorized pursuant to Minn. Stat. §§ 214.10 and 326.111 (2002) to review complaints against architects, engineers, land surveyors, landscape architects, geoscientists, and certified interior designers, and to take disciplinary action whenever appropriate.

The Board received information concerning Mr. Shane Coen (Respondent). The Board's Complaint Committee (Committee) reviewed the information. The parties have agreed that the matter may now be resolved by this Stipulation and Order.

STIPULATION

IT IS HEREBY AGREED by and between Respondent and the Committee as follows:

1. Jurisdiction. The Respondent has held a license to practice landscape architecture from the Board since September 14, 1998. Respondent is subject to

jurisdiction of the Board with respect to the matters referred to in this Stipulation.

2. Facts. This Stipulation is based upon the following facts:

a. Respondent was first licensed to practice landscape architecture in the State of Minnesota on September 14, 1998.

b. On July 1, 2002, Respondent's license to practice landscape architecture in the State of Minnesota lapsed.

c. Respondent is the owner of Coen + Partners, Inc.

d. Respondent is listed as a RLA for Coen Stumpf Associates in the 2003-2004 Minnesota American Society of Landscape Architects membership directory. A true and correct copy of the 2003-2004 Minnesota American Society of Landscape Architects membership directory is attached hereto as Exhibit A.

e. In correspondence dated November 22, 2003 to the Board, Respondent stated:

"I was distraught to learn that my landscape architecture license expired in July of 2002. We moved our offices during the summer of 2000. We notified all addresses in our mailing database of our name change, including the American Society of Landscape Architects. Regretfully, the Licensure Board was not included in this database. Subsequently, I never received the notification for renewal that was mailed to our former address and then returned to your offices.

I embrace the responsibilities associated with being a registered landscape architect. I am a dedicated professional who volunteers my

time to lecture at ASLA and AIA sponsored events, provide guidance to students who request my assistance, and have worked hard to have my firm's projects represent the talent, integrity and potential of our profession."

A true and correct copy of the November 22, 2003 letter is attached hereto as Exhibit B.

f. Respondent submitted a list of 35 Minnesota projects in which he held himself out and/or practiced landscape architecture with a lapsed license. Of the 35 projects listed, 13 were commercial and 22 were residential projects. A true and correct copy of the list of projects is attached hereto as Exhibit C.

g. Respondent's license to practice landscape architecture was reinstated on December 1, 2003.

3. Violations. Respondent admits that the facts specified above constitute violations of Minnesota Statutes § 326.02, subs. 1 and 4a (2002).

4. Enforcement Action. Respondent and the Committee agree that the Board should issue an Order in accordance with the following terms:

a. Reprimand. Respondent is reprimanded for the foregoing conduct.

b. Civil Penalty. Respondent shall pay a civil penalty of one thousand five hundred dollars (\$1,500.00) to the Board to the Board within sixty days after the date of the Board's Order.

5. Additional Discipline for Violations of Order. If Respondent violates this Stipulation and Order the Board may impose additional discipline pursuant to the following procedure:

a. The Committee shall schedule a hearing before the Board. At least

thirty days prior to the hearing, the Committee shall mail Respondent a notice of the violation alleged by the Committee and of the time and place of the hearing. Within fourteen days after the notice is mailed, Respondent shall submit a response to the allegations. If Respondent does not submit a timely response to the Board, the allegations may be deemed admitted.

b. At the hearing before the Board, the Complaint Committee and Respondent may submit affidavits made on personal knowledge and argument based on the record in support of their positions. The evidentiary record before the Board shall be limited to such affidavits and this Stipulation and Order. Respondent waives a hearing before an administrative law judge and waives discovery, cross-examination of adverse witnesses, and other procedures governing administrative hearings or civil trials.

c. At the hearing, the Board will determine whether to impose additional disciplinary action, including additional conditions or limitations on Respondent's practice or suspension or revocation of Respondent's license.

6. Waiver of Respondent's Rights. For the purpose of this Stipulation, Respondent waives all procedures and proceedings before the Board to which Respondent may be entitled under the Minnesota and United States constitutions, statutes, or the rules of the Board, including the right to dispute the allegations against Respondent, to dispute the appropriateness of discipline in a contested proceeding pursuant to Minn. Stat. ch. 14, and to dispute the civil penalty imposed by this Agreement. Respondent agrees that upon the application of the Committee without notice to or an appearance by Respondent, the Board may issue an Order containing the enforcement action specified in paragraph 4 herein. Respondent waives the right to any judicial review of the Order by appeal, writ of

certiorari, or otherwise.

7. Collection. In accordance with Minn. Stat. § 16D.17, Subd. 2 (2002), in the event this order becomes final and Respondent does not comply with the condition in paragraph 4(b) above, Respondent agrees that the Board may file and enforce the unpaid portion of the civil penalty as a judgment without further notice or additional proceedings.

8. Board Rejection of Stipulation Order. In the event the Board in its discretion does not approve this Stipulation and Order or a lesser remedy than specified herein, this Stipulation and Order shall be null and void and shall not be used for any purpose by either party hereto. If this Stipulation is not approved and a contested case proceeding is initiated pursuant to Minn. Stat. ch. 14, Respondent agrees not to object to the Board's initiation of the proceeding and hearing the case on the basis that the Board has become disqualified due to its review and consideration of this Stipulation and the record.

9. Record. The Stipulation, related investigative reports and other documents shall constitute the entire record of the proceedings herein upon which the Order is based. The investigative reports, other documents, or summaries thereof may be filed with the Board with this Stipulation.

10. Data Classification. Under the Minnesota Data Practices Act, this Stipulation and Order is classified as public data upon its issuance by the Board. Minn. Stat. § 13.41, subd. 5 (2002). All documents in the record shall maintain the data classification to which they are entitled under the Minnesota Government Data Practices Act, Minn. Stat. ch. 13. They shall not, to the extent they are not already public documents, become public merely because they are referenced herein. A summary of this Order will appear in the Board's newsletter. A summary will also be sent to the national discipline data bank for

Respondent's profession.

11. Entire Agreement. Respondent has read, understood, and agreed to this Stipulation and is freely and voluntarily signing it. The Stipulation contains the entire agreement between the parties hereto relating to the allegations referenced herein. Respondent is not relying on any other agreement or representations of any kind, verbal or otherwise.

12. Unrelated Violations. This settlement shall not in any way or manner limit or affect the authority of the Board to proceed against Respondent by initiating a contested case hearing or by other appropriate means on the basis of any act, conduct, or admission of Respondent justifying disciplinary action which occurred before or after the date of this Stipulation and Order and which is not directly related to the specific facts and circumstances set forth herein.

13. Counsel. Respondent is aware that he may choose to be represented by legal counsel in this matter. Respondent knowingly waived legal representation.

14. Service. If approved by the Board, a copy of this Stipulation and Order shall be served personally or by first class mail on Respondent.

The order shall be effective and deemed issued when it is signed by the Chair of the Board.

Re: File No. 2004-0033

Dear Board:

I was distraught to learn that my landscape architecture license expired in July of 2002. We moved our offices during the summer of 2000. We notified all addressees in our mailing database of our name change, including the American Society of Landscape Architects. Regretfully, the Licensure Board was not included in this database. Subsequently, I never received the notification for renewal that was mailed to our former address and then returned to your offices.

I embrace the responsibilities associated with being a registered landscape architect. I am a dedicated professional who volunteers my time to lecture at ASLA and AIA sponsored events, provide guidance to students who request my assistance, and have worked hard to have my firm's projects represent the talent, integrity and potential of our profession.

Upon receiving this current notification, I completed the License Certification Renewal form, including documentation of my PDH credits. Please accept my sincerest apology for not realizing my license had expired and the breakdown of communication regarding my new contact information. I am of course available to answer any questions you may have.

I have attached the additional information you have requested.

Sincerely,
Coen+Partners, Inc.

Shane Coen
