

**STATE OF MINNESOTA
BOARD OF ARCHITECTURE, ENGINEERING, LAND SURVEYING,
LANDSCAPE ARCHITECTURE, GEOSCIENCE AND INTERIOR DESIGN**

**In the Matter of Brian T. Hayden
Professional Geologist Number 30230**

ORDER

Board File No. 2018-0017

1. The Minnesota Board of Architecture, Engineering, Land Surveying, Landscape Architecture, Geoscience and Interior Design ("Board") is authorized, pursuant to Minnesota Statutes sections 214.10 and 326.111 (2016) to license, regulate, and take appropriate disciplinary action against applicants, licensees, or certificate holders regulated by Minnesota Statutes sections 326.02 - 326.15 (2016).

2. In September 2016, the Board notified Respondent Brian T. Hayden, a licensed professional geologist, that he had been selected as part of the Board's continuing education audit for professional development hours.

3. In December 2016, the Board notified Respondent that it rejected a course he previously reported and that he was required to substantiate its validity by June 2017 in accordance with Minnesota Statutes section 326.107, subdivision 8 (2016).

4. On December 7, 2017, the Board issued an order suspending Respondent's Minnesota Professional Geologist License based on his failure to validate required professional development hours. The order provided as follows:

It is hereby Ordered that, pursuant to Minn. Stat. § 326.107, subd. 8, Respondent's Professional Geologist license, No. 30230, is SUSPENDED. This suspension shall remain in effect until the Board receives either validation of the rejected course or supporting documentation satisfactory to the Board that Respondent has satisfactorily completed the minimum number of professional development hours.

5. On January 2, 2018, Respondent submitted documentation of the previously rejected course for his professional development hours.

6. The Board has since determined that the above-referenced documentation of professional development hours submitted by Respondent is satisfactory.

NOW, THEREFORE, IT IS ORDERED, pursuant to Minnesota Statutes sections 326.107 and 326.111, that the suspension of Respondent's Professional Geologist License, No. 30230, is hereby lifted and his license is restored to a current, unconditional status

This order shall be effective upon signature on behalf of the Board.

Dated: 02 - 02 - 2018
