AND INTERIOR DESIGN**

In the matter of Michael A. Murphy
PROFESSIONAL ENGINEER
License Number 42808

STIPULATION AND ORDER

Board File No. 2019-0076

TO: Michael A. Murphy, PE
1001 Office Park Road, Suite 120
West Des Moines, IA 50265

The Minnesota Board of Architecture, Engineering, Land Surveying, Landscape Architecture, Geoscience, and Interior Design ("Board") is authorized pursuant to Minnesota Statutes section 214.10 (2018) and Minnesota Statutes section 326.111 (2018) to review complaints against architects, professional engineers, land surveyors, landscape architects, geoscientists, and certified interior designers, and to take disciplinary action whenever appropriate.

The Board received information concerning Michael A. Murphy ("Respondent"). The Board's Complaint Committee ("Committee") reviewed the information. The parties have agreed that these matters may now be resolved by this stipulation and order.

STIPULATION

It is hereby stipulated and agreed by Respondent and the Committee that without trial or adjudication of any issue of fact or law and without any evidence or admission by any party with respect to any such issue:

1. Jurisdiction. Respondent was first issued a Minnesota Professional Engineer

license by the Board on July 2, 2003. Respondent is subject to the jurisdiction of the Board with respect to the matters referred to in this stipulation.

2. Facts. This stipulation is based upon the following facts:

a. Respondent was first licensed as a Professional Engineer in the State of Minnesota on July 2, 2003. Respondent's license was lapsed between July 1, 2018 until January 11, 2019, when he submitted a license renewal form to the Board.

b. On the renewal form, Respondent indicated that he was not aware that he had failed to renew his license until January 9, 2019 and that he represented himself as a professional engineer and signed and sealed documents during the time his license was lapsed.

3. Violations. Respondent admits that the facts specified above constitute violations of Minnesota Statutes section 326.02, subdivisions 1 and 3 (2018), Minnesota Statutes section 326.03, subdivision 1 (2018), and are sufficient grounds for the action specified below. Specifically, it is alleged that Respondent: (a) held himself out as a Professional Engineer during the lapse of his license from July 1, 2018 to January 11, 2019; and (b) practiced professional engineering without a license during the lapse of his license from July 1, 2018 to January 11, 2019.

4. Enforcement Action. Respondent and the Committee agree that the Board should issue an order in accordance with the following terms:

a. Reprimand. Respondent is censured and reprimanded for the foregoing conduct.

b. Civil Penalty. Respondent shall pay to the Board a civil penalty of \$1,500.00 payable by check to the Board within 60 days of the Board's approval of this stipulation

and order.

5. Waiver of Respondent's Rights. For the purpose of this stipulation, Respondent waives all procedures and proceedings before the Board to which Respondent may be entitled under the Minnesota and United States constitutions, statutes, or the rules of the Board, including the right to dispute the allegations against Respondent, to dispute the appropriateness of discipline in a contested-case proceeding pursuant to Minnesota Statutes Chapter 14 (2018), and to dispute the civil penalty imposed by this Agreement. Respondent agrees that upon the application of the Committee without notice to or an appearance by Respondent, the Board may issue an order containing the enforcement action specified in paragraph 4 herein. Respondent waives the right to any judicial review of the order by appeal, writ of certiorari, or otherwise.

6. Collection. Pursuant to Minnesota Statutes section 16D.17 (2018), after 90 days of the Board's approval of this stipulation and order, the Board may file and enforce any unpaid portion of the civil penalty imposed by this order as a judgment against the Respondent in district court without further notice or additional proceedings.

7. Board Rejection of Stipulation and Order. In the event the Board in its discretion does not approve this stipulation and order or a lesser remedy than specified herein, this stipulation and order shall be null and void and shall not be used for any purpose by either party hereto. If this stipulation is not approved and a contested-case proceeding is initiated pursuant to Minnesota Statutes Chapter 14 (2018), Respondent agrees not to object to the Board's initiation of the proceedings and hearing the case on the basis that the Board has become disqualified due to its review and consideration of this stipulation and the record.

8. Unrelated Violations. This settlement shall not in any way or manner limit or affect

the authority of the Board to proceed against Respondent by initiating a contested-case hearing or by other appropriate means on the basis of any act, conduct, or admission of Respondent justifying disciplinary action which occurred before or after the date of this stipulation and order and which is not directly related to the specific facts and circumstances set forth herein.

9. Record. The stipulation, related investigative reports and other documents shall constitute the entire record of the proceedings herein upon which the order is based. The investigative reports, other documents, or summaries thereof may be filed with the Board with this stipulation.

10. Data Classification. Under the Minnesota Government Data Practices Act, this stipulation and order is classified as public data upon its issuance by the Board, Minnesota Statutes section 13.41, subdivision 5 (2018). All documents in the record shall maintain the data classification to which they are entitled under the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13 (2018). They shall not, to the extent they are not already public documents, become public merely because they are referenced herein. A summary of this order will appear in the Board's newsletter. A summary will also be sent to the national discipline data bank pertaining to the practice of engineering.

11. Entire Agreement. Respondent has read, understood, and agreed to this stipulation and is freely and voluntarily signing it. The stipulation contains the entire agreement between the parties hereto relating to the allegations referenced herein. Respondent is not relying on any other agreement or representations of any kind, verbal or otherwise.

12. Counsel. Respondent is aware that he may choose to be represented by legal counsel in this matter. Respondent knowingly waives legal representation.

13. Service. If approved by the Board, a copy of this stipulation and order shall be served personally or by first class mail on Respondent. The order shall be effective and deemed issued when it is signed by the chair of the Board.
