Board File No. 2013-0005

The Minnesota Board of Architecture, Engineering, Land Surveying, Landscape Architecture, Geoscience and Interior Design ("Board") is authorized pursuant to Minnesota Statutes section 214.10 (2010) and Minnesota Statutes section 326.111 (2010) to review complaints against architects, professional engineers, land surveyors, landscape architects, geoscientists, and certified interior designers, and to take disciplinary action whenever appropriate.

The Board received information concerning Stanley J. Ross ("Respondent"). The Board’s Complaint Committee ("Committee") reviewed the information. The parties have agreed that the matter may now be resolved by this Stipulation and Order.

IT IS HEREBY AGREED by and between Respondent and the Committee as follows:

   g. Respondent’s Architect license and certification for CID lapsed from July 1, 2010 until February 24, 2011.
   h. During the time the Respondent’s Architect license lapsed, from July 1, 2010 to February 24, 2011, the Respondent held himself out and practiced as a “Licensed Architect” by signing and certifying the architectural plans for the

Specifically, Respondent practiced architecture and held himself out as an architect during the time his Architect license lapsed. Additionally, Respondent misrepresented himself by completing the Affidavit for Reinstatement that he did not hold himself out as an Architect during the lapse of his architecture license and that he did not practice or offer to perform architectural services during the lapse of his architecture license.

4. **Enforcement Action.** Respondent and the Committee agree that the Board should issue an Order in accordance with the following terms:

5. **Additional Discipline for Violations of Order.** If Respondent violates this Stipulation and Order, the Board may impose additional discipline pursuant to the following procedure:

a. The Committee shall schedule a hearing before the Board. At least thirty days prior to the hearing, the Committee shall mail Respondent a notice of the violation alleged by the Committee and of the time and place of the hearing. Within fourteen days after the notice is mailed, Respondent shall submit a response to the allegations. If Respondent does not submit a timely response to the Board, the allegations may be deemed admitted.

The Complaint Committee may submit affidavits responding to any affidavits submitted by Respondent. The evidentiary record before the Board shall be limited to such affidavits and this Stipulation and Order. Respondent waives a hearing before an administrative law judge and waives
discovery, cross-examination of adverse witnesses, and other procedures governing administrative hearings or civil trials.

c. At the hearing, the Board will determine whether to impose additional disciplinary action, including additional conditions or limitations on Respondent's practice or suspension or revocation of Respondent's license.

6. Waiver of Respondent's Rights. For the purpose of this Stipulation, Respondent waives all procedures and proceedings before the Board to which Respondent may be entitled under the Minnesota and United States constitutions, statutes, or the rules of the Board, including the right to dispute the allegations against Respondent, to dispute the appropriateness of discipline in a contested case proceeding pursuant to Minnesota Statutes Chapter 14 (2010), and to dispute the civil penalty imposed by this Agreement. 8. Board Rejection of Stipulation and Order. In the event the Board in its
discretion does not approve this Stipulation and Order or a lesser remedy than specified herein, this Stipulation and Order shall be null and void and shall not be used for any purpose by either party hereto. If this Stipulation is not approved and a contested case proceeding is initiated pursuant to Minnesota Statutes Chapter 14 (2010), Respondent agrees not to object to the Board’s initiation of the proceedings and hearing the case on the basis that the Board has become disqualified due to its review and consideration of this Stipulation and the record.

9. **Unrelated Violations.** This settlement shall not in any way or manner limit or affect the authority of the Board to proceed against Respondent by initiating a contested case hearing or by other appropriate means on the basis of any act, conduct, or admission of Respondent justifying disciplinary action which occurred before or after the date of this Stipulation and Order and which is not directly related to the specific facts and circumstances set forth herein.

10. **Record.** The Stipulation, related investigative reports and other documents shall constitute the entire record of the proceedings herein upon which the Order is based. The investigative reports, other documents, or summaries thereof may be filed with the Board with this Stipulation.

11. **Data Classification.** Under the Minnesota Government Data Practices Act, this Stipulation and Order is classified as public data upon its issuance by the Board, Minnesota Statutes section 13.41, subdivision 5 (2010). They shall not, to
the extent they are not already public documents, become public merely because they are referenced herein. A summary of this Order will appear in the Board’s newsletter. A summary will also be sent to the national discipline data bank pertaining to the practice of architecture.

12. **Entire Agreement.** Respondent has read, understood, and agreed to this Stipulation and is freely and voluntarily signing it. The Stipulation contains the entire agreement between the parties hereto relating to the allegations referenced herein. Respondent is not relying on any other agreement or representations of any kind, verbal or otherwise.

13. **Counsel.** Respondent is aware that he may choose to be represented by legal counsel in this matter. Respondent knowingly waived legal representation.
