ORDER TO REINSTATE

Board File No. 2016-0038

The Minnesota Board of Architecture, Engineering, Land Surveying, Landscape Architecture, Geoscience and Interior Design ("Board") received a Notice to Suspend Occupational or Professional License(s) from Hennepin County Child Support on March 24, 2016, which advised the Board that Respondent was in arrears in court-ordered child support or maintenance payments or both in an amount equal to or greater than three times his total monthly support and maintenance payments.

Based upon the Notice to Suspend Occupational or Professional License(s) and Minnesota Statutes section 518.551, subdivision 12 (2014), the Board issued an Order for Suspension on March 28, 2016.

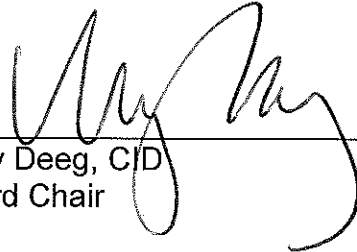

The Board subsequently received correspondence from Hennepin County Child Support requesting that the Board reinstate Respondent's license. The Board has reviewed and considered the information. Based on the information presented, the Board issues the following ORDER:

1. IT IS HEREBY ORDERED that the Order for Suspension issued to Respondent on March 28, 2016, is hereby RESCINDED and shall have no further force and effect.

2. IT IS FURTHER ORDERED that the Professional Geologist license #46739 issued to Respondent in the State of Minnesota is REINSTATED.
