EXAMS REQUIRED TO OBTAIN LICENSURE AS A MINNESOTA LAND SURVEYOR

Minnesota statutes and rules require Land Surveying licensees to take and pass the Fundamentals of Surveying (FS), Principles and Practice of Surveying (PS) AND Minnesota Land Surveying (MNLS) Examinations.

Candidates who have passed their PS in another state or land surveyors already licensed in another state must still take and pass the MNLS in order to obtain licensure in the state.

The Minnesota Board provides an MNLS Candidate Handbook in PDF format from the Board website: mn.gov/aelslagid/docs/MNLSHandbook.pdf.

NOTICE OF COLLECTION OF PRIVATE DATA

In accordance with the Minnesota Government Data Practices Act (Minnesota Statutes §13.04, Subd. 2), the Board is required to inform you of your rights as they pertain to private data collected from you on this application for licensure. The data you furnish on the application will be used by the Board to assess your qualifications for licensure. The collection of your social security number by the Board is required by both federal and state laws. If you fail to provide this data, the Board may be unable to approve your application or issue your license.

Federal law (42 U.S.C. 666(a)(13)) requires each state to collect social security numbers at the time of application for a professional or occupational license in order to improve effectiveness of child support enforcement.

Additionally, pursuant to Minnesota Statutes §270C.72, Subd. 4 (2024) the Board must provide the Commissioner of the Minnesota Department of Revenue a list of all applicants, including name, address and social security number or Individual Tax Identification Number (ITIN), each calendar year for the purpose of identifying individuals owing delinquent taxes. Pursuant to Minnesota Statutes §13.41, Subd. 2 (2024), all application data, except name and designated address, are private data until licensure is granted. When licensure is granted, all data, except social security number, become public record.

The Board will not share your private data with other persons or agencies unless it is required by law.

NOTICE REGARDING SPECIAL ACCOMMODATIONS

For the MNLS Exam: To request special accommodation, send the Accommodation Request Form with your application.

A BRIEF SUMMARY OF YOUR RIGHTS UNDER THE AMERICANS WITH DISABILITIES ACT

INTRODUCTION

The Americans with Disabilities Act (“ADA”) covers “public entities.” The Board is a “public entity” covered by the ADA. The Board may not refuse to allow a person with a disability to take the examination simply because the person has a disability. It must permit persons with disabilities to take the examination in an integrated setting unless separate or different measures are necessary to ensure equal opportunity. It must eliminate unnecessary eligibility standards or rules that deny individuals with disabilities an equal opportunity to take the examination.

WHO IS COVERED?

The ADA provides comprehensive civil rights protection for “qualified individuals with disabilities.” An “individual with a disability” is a person who: 1) has a physical or mental impairment that substantially limits a “major life activity,” 2) has a record of such an impairment, or 3) is regarded as having such an impairment. “Major life activities” include functions such as caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working. Individuals who currently engage in the illegal use of drugs are not protected by the ADA when an action is taken on the basis of their current illegal use of drugs.

A “qualified” individual with a disability is one who meets the essential eligibility requirements for the examination. The Board is not required to take any action that would result in a fundamental alteration in the nature of the examination or an undue financial and administrative burden. However, the Board must take any other action, if available, that would not result in a fundamentals alteration or undue burdens but would ensure that individuals with disabilities receive the benefits or services.

WHAT IS REQUIRED?

The Board is required to make reasonable modifications in any policies, practices, and procedures that deny equal access to individuals with disabilities, unless a fundamental alteration in the examination would result. To do so, it must furnish auxiliary aids and services when necessary to ensure effective communication, unless an undue burden or fundamental alteration would result. The Board may not place special charges on individuals with disabilities to cover the costs of measures necessary to ensure nondiscriminatory treatment, such as making modifications required to provide program accessibility or providing qualified interpreters. Finally, it must operate the examination so that, when viewed in its entirety, it is readily accessible to and usable by individuals with disabilities.

Integration of individuals with disabilities into the mainstream of society is fundamental to the purposes of the ADA. The Board may not provide the examination to individuals with disabilities through programs that are separate or different, unless the separate programs are necessary to ensure that the benefits and services are equally effective. Even when separate programs are permitted, an individual with a disability still has the right to choose to participate in the regular program. The Board cannot require an individual with a disability to accept a special accommodation or benefit if the individual chooses not to accept it.

QUESTIONS?

If you have any questions about the ADA we encourage you to call the United States Department of Justice, which has an ADA information line, at (202) 514-0301 (voice) or (202) 514-0381/0383 (TDD). These telephone numbers are not toll-free numbers.

REQUEST FOR SPECIAL ACCOMMODATION (MNLS EXAM)

Complete this form **only if you are requesting special accommodation for the MNLS Exam** (see information on [page Instr-3](#) and below).

The ADA requires this agency to make “reasonable accommodation” for applicants with disabilities in giving this examination. If you are a person with a disability which may affect your ability to enter the examination facility or to take any portion of the examination, the ADA may require us to provide alternative examination arrangements. We are not required to do so if we are unaware of your need for accommodations. We ask that you inform us of any alternative arrangement you may require to take this examination.
