

# When to Submit a Preadmission Screening

Providers can use Minnesota Aging Pathways referral website to submit a preadmission screening (PAS) to Minnesota Aging Pathways, which manages PAS in Minnesota. Please bookmark the referral website's address - <https://mn.gov/aging-pathways-referrals>.

- Submit a PAS as soon as you know that the person may be admitting to a nursing facility (NF), so the lead agency can complete needed assessments in a timely manner and prior to NF admission.
- Hospitals, clinics, hospice, and nursing facilities can submit a PAS. The preferred submitter is the agency of the physician writing the NF admission orders.

## Below are situations that explain whether a PAS is needed:
