LIMITED EVALUATION AND TREATMENT

“At the primary employment site, except in a corporate setting, an athletic trainer may evaluate and treat an athlete for an athletic injury not previously diagnosed for not more than 30 days or a period of time designated by the primary physician on the protocol form, from the date of the initial evaluation and treatment. Preventative care after resolution of the injury is not considered treatment. This paragraph does not apply to a person who is referred for treatment by a person licensed in this state to practice medicine as defined in section 147.081, to practice chiropractic as defined in section 148.01, to practice podiatry as defined in section 153.01, or to practice dentistry as defined in section 150A.05 and whose license is in good standing.” [MN Statute 148.7806(c)]

“In a clinical, corporate and physical therapy setting, when the service provided is, or is represented as being, physical therapy, an athletic trainer may work only under the direct supervision of a physical therapist as defined in section 148.65.” [MN Statute 148.7806 (e)]

“Athlete” means a person participating in exercises, sports, games, or recreation requiring physical strength, agility, flexibility, range of motion, speed, or stamina.” (MN Statute 148.7802 Subd. 4)

“Athletic injury” means an injury sustained by a person as a result of the person’s participation in exercises, sports, games, or recreation requiring physical strength, agility, flexibility, range of motion, speed, or stamina.” (MN Statute 148.7802 Subd. 5)
ATHLETIC TRAINER SERVICES
EVALUATION AND TREATMENT PROTOCOL

The PRIMARY PHYSICIAN shall affirmatively state by placing a “yes” in the blank in front of the services enumerated below, those evaluation, treatment and rehabilitative procedures that the athletic trainer may perform in managing athletic injuries. A “no” shall be put in the blank in front of the evaluation, treatment or rehabilitative procedures that the athletic trainer should not perform in the management of athletic injuries.

_____ 1. At the primary employment site, except in a corporate setting, the athletic trainer may evaluate and treat an athlete for an athletic injury not previously diagnosed for not more than _________days. (May not exceed 30 days.)

   _____ g. cardiovascular exercise
   _____ h. other (specify) _______________________________________

6. Other approved procedures:
   a. __________________________
   b. __________________________
   c. __________________________
   d. __________________________
ATHLETIC TRAINER SERVICES
EVALUATION AND TREATMENT PROTOCOL

SCOPE OF PRACTICE

“An athletic trainer shall:
(1) prevent, recognize, and evaluate athletic injuries; (2) give emergency care and first aid; (3) manage and treat athletic injuries; and (4) rehabilitate and physically recondition athletic injuries. The athletic trainer may use modalities such as cold, heat, light, sound, electricity, exercise, and mechanical devices for treatment and rehabilitation of athletic injuries to athletes in the primary employment site.” [MN Statute 148.7806 (a)]

“An athletic trainer may:
(1) Organize and administer an athletic training program including, but not limited to, educating and counseling athletes;
(2) Monitor the signs, symptoms, general behavior, and general physical response of an athlete to treatment and rehabilitation including, but not limited to, whether the signs, symptoms, reactions, behavior or general response show abnormal characteristics; and
(3) Make suggestions to the primary physician or other treating provider for a modification in the treatment and rehabilitation of an injured athlete based on the indicators in clause (2) [MN Statute 148.7806 (d)]

LIMITATIONS ON PRACTICE

“If an athletic trainer determines that the patient’s medical condition is beyond the scope of practice of that athletic trainer, the athletic trainer must refer the patient to a person licensed in the state to practice medicine as defined in section 147.081, to practice podiatry as defined in section 153.01, or to practice dentistry as defined in section 150A.05, and whose license is in good standing and in accordance with established evaluation and treatment protocols. An athletic trainer shall modify or terminate treatment of a patient that is not beneficial to the patient, or that is not tolerated by the patient.” (MN Statute 148.7807)

PRIMARY PHYSICIAN
I have carefully read, understand, and agree to the foregoing Registered Athletic Trainer Protocol Form and certify that all information I have provided is accurate and correct. I understand that I am responsible for selecting appropriate functions to be performed by the athletic trainer under this protocol.

Signature________________________________ Date________________ Phone #__________________

Note: Be sure to approve only those procedures you know the athletic trainer to be proficient at. This protocol form may be updated at your discretion.
