

MINNESOTA BOARD OF PSYCHOLOGY

## Supervision Log

Applicants are not required to use the form provided by the Board to track hours in supervision. The supervision log is created as a courtesy tool that easily provides the requisite data that may be requested during the licensing process. Applicants and supervisors are free to track the postdegree supervised psychological employment experience in any format that meets the requirements of the Psychology Practice Act.

Applicant:	Date Degree Conferred:
Employer:	
Address:	Primary Supervisor:
	Designated Supervisor:

	Week Start Date	Week End Date	Total Hours Worked	Hours of INDIVIDUAL Supervision with PRIMARY	Hours of ADDITIONAL Supervision	<i>Board Use Only</i>
