As a courtesy to licensees and the public, the Minnesota Board of Cosmetologist Examiners will be releasing a 2016 Legislative Session Summary. The summary will be released after it's approval at the next full Board meeting held on July 18, 2016 and prior to August 1, 2016.

## LEGISLATIVE CHANGES

Several changes were made to the laws regulating the practice of cosmetology in Minnesota. These changes can be found in full [here](#) or at the Minnesota Office of the Revisor of Statute's website, [www.revisor.leg.state.mn.us/laws](http://www.revisor.leg.state.mn.us/laws), by searching "SF 2802".

## EYELASH EXTENSIONS

Changes in the regulation of eyelash extensions were included in the new legislation. A full summary regarding these changes will be released prior to August 1, 2016. In the mean time, please see the full text, including it's enforcement date, using the links above.

## CONTINUING EDUCATION

A few changes have been made to the existing laws on continuing education. Most of these changes were technical in nature. A full summary of these changes will be released prior to August 1, 2016. In the mean time, please see the full text at the links above and scroll to "155A.271 Continuing Education Requirements."
